**THE GREAT KENTUCKY SOUTHERN REMEDY,**

DR JOHN BULL'S SARSAPARILLA.

THIS medicine, when used according to directions, will cure, without fail:—

Rheumatism, or Sciatica, Gout, Catarrh of the Bladder, Hemorrhoids, Eruptions of the Skin, Erysipelas, Tumors, Chronic Sore Eyes, Ringworm or Tetter, Scald Head, Rheumatism, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Glands, Scrophulous, Salt Rheum, Diseases of the Kidneys, Dropsy arising from the use of Mercury, Low of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Coughs, Colds, Dropsy, Jaundice, Costiveness, Bronchitis, Weakness of any portion of the muscular system, Night Sweats, Excesses, or Imprudences in Life, Chronic Constitutional Diseases, and as a Spring and Summer Drink, it is generally used with the most beneficial effects, and is a safe and pleasant Purgative, it is superior to Blue Pill, Castor Oil, or Salts. Sarsaparilla is a Compound of the most valuable ingredients of the Vegetable Kingdom, and is the most powerful of all the medicinal agents in the Materia Medica.

It is a remarkable fact, that among the hundreds of eminent physicians who have examined the recipe by which Bull's Sarsaparilla is prepared, not one has condemned it. It has all approved and commended it in the highest terms. Many physicians express themselves strongly in the belief that it is decidedly the best preparation of Sarsaparilla that has ever been offered to the public. Although there are many physicians who feel a reluctance to having their names appended to the recommendation of any medicinal preparation, they are nevertheless compelled to do so in the highest degree, there are others who frankly yield their support in favor of a remedy which they know is capable of doing so much good in such a short time. As an evidence, read the following from old and respectable physicians, of high standing in the community in which they live:

**TESTIMONY.**

Testimony like the following renders superfluous all comments on the efficacy of Bull's Sarsaparilla. From Dr. L. P. Yandell, Professor of Chemistry, at the University of Louisville, and one of the best chemists in the United States: Composing John Bull's Compound Extract of Sarsaparilla, and having no hesitation in saying that they form a safe, useful, and one of the best remedies in chronic diseases, to which it is applicable. I. P. YANDELL, M. D. Louisville, June 5, 1848.

What Dr. Pyle has in appointment to the Louisville Marine Hospital, says of Bull's Sarsaparilla: I have examined the prescription for the combination of John Bull's Sarsaparilla, and I believe the combination to be an excellent one, and well calculated to produce an alteration in the system. I have used it in many cases of public and private practice, and think it the best article of Sarsaparilla now in use. M. PYLE, M. D. Resident Physician Louisville Marine Hospital.

Lexton, Ky., April 25th, 1850. Sir—Permit me to address to you a few lines, and do me the honor to reply to a request that I will make in the conclusion of this paper. I have been afflicted with the Sarsaparilla for many years, and I have been indisposed with Acute Rheumatism about six months after having exhausted my skill in the treatment of my case, and deriving no benefit. I was induced to try Bull's Compound Extract of Sarsaparilla, a fair trial accordingly purchased a bottle of your medicine from your agent, Mr. George P. Brown, about two weeks ago, and I must confess that I have entirely cured myself. It is my opinion, that your preparation of Sarsaparilla is decidedly superior to any other preparation now in use, and I would not be surprised to see it recommended to the afflicted as being a remedial agent, and I will advise the physicians to use it in their practice, &c. Respectfully yours, B. H. ALLEN, M. D. Louisville, July 13th, 1849.

**R. R. R.**

WHEN the R. R. R. Theory was first declared to the world, skeptical persons doubted its correctness, and looked with distrust on the remedies it possessed. Others, however, struck with the originality of its views and conceding merit to the theory, were induced to try if the remedies borne out in practice what was claimed for them in theory. A third class differing from the others and perhaps more numerous, without considering for a moment any merit they might be entitled to, tried them, merely as a virtue, growing out of a desire for something new.

We are satisfied with the result, for the public has received the benefit and R. R. R. Theory has triumphed. Not a day passes that we do not have admission from some hitherto unbeliever that their skepticism was unfounded and convinced by reading our Family Friend, have proved by their own experience, the infallibility of our medicines. Not a day passes that we do not receive grateful testimonials of cures effected by these Medicines. "I was seized with cramps and spasms last night, and it had not been for Radway's Ready Relief I should have died with the pain." Another says, "my wife was slowly sinking with an affection of the Lungs and my neighbors were suffering from Scrofula—I have seen them both restored to health by Radway's Revolving Resolvent. A third says, "Radway's Regulators have cured me of habitual costiveness that was the burden of my life." Such are the characteristic testimonials we daily receive of the R. R. R. Remedies.

RADWAY'S READY RELIEF, the first of the R. R. R. remedies, is the most quick and safe remedy that has ever yet been discovered for the instant relief of all ACUTE OR CHRONIC PAINS. It is a certain diaphoretic and will neutralize the most violent poisons of Malignant Epidemics. If the human system is seized with the virulence of Cholera, Small Pox, Ship Fever, Pneumonia, or other fatal poisons, Radway's Ready Relief used in connection with Radway's Regulators, will check the violence of the disease, neutralize the infection, and will not only protect the system against sudden death, but will restore the body to health and strength. We make this assertion boldly, and if any Physician or Chemist doubts this great power which we claim for our Ready Relief, over malignant poisons, let them examine it and test it, it will bear the test.
