ROGERS' LIVERWORT AND TAR.

For the complete Cure of Coughs, Colds, Influenza, Asthma, Bronchitis, Spitting of Blood, and all other Lung Complaints tending to Consumption.

THIS preparation is getting into use all over our Country. The numerous letters we receive from our various agents, informing us of cures effected in their immediate neighborhoods, warrant us in saying it is one of the best, if not the very best Cough Medicine now before the public. It almost invariably relieves and not unfrequently cures the very worst cases. When all other Cough preparations have failed, this has relieved the patient, as Druggists, dealers in Medicines, and Physicians can testify. Ask the Agent in your nearest town, what has been his experience of the effects of this medicine. If he has been selling it for any length of time he will tell you **IT IS THE BEST MEDICINE EXTANT.**

Below we give a few extracts from letters we have received lately regarding the virtues of this medicine. Dr. S. S. Oslin, of Knoxville, Ga., says: "I have been using your Liverwort and Tar very extensively in my practice for three years past, and it is with pleasure I state my belief in its superiority over all other articles with which I am acquainted, for which it is recommended."

Mrs. Fitzgerald & Bonner, writing from Waynesville, N. C. say: "The Liverwort and Tar is becoming daily more popular in this country, and we think justly so. All who have tried it speak in commendable terms of it, and say it is very beneficial in alleviating the complaints for which it is recommended."

Our Agent in Pickens District, S. C., Mr. S. R. McFall, assures us "that he uses it with great benefit in his own family, and recommends it to his neighbors." He gives an instance of a negro woman, in his vicinity, who had been suffering with disease of the Lungs for years, attended with severe cough, who was relieved by the Liverwort and Tar.

Such are the good reports we hear of this Medicine from all parts of the South. For a report of the surprising cures it has performed in the Western and Northern and Eastern States, we would invite the suffering patient to read the pamphlet which accompanies each bottle. To all, we say, have hope, have hope!

TRY THE MEDICINE!! Beware in season!!! And neglect not that cough which is daily weakening your constitution, irritating your throat and lungs, and inviting on that dread disease, Consumption, but soothing and healing remedy can be obtained a Dr. Rogers' Syrup of Liverwort and Tar.

THE GREAT KENTUCKY SOUTHERN REMEDY,

DR. JOHN BULL'S SARPAPARILLA.

THIS medicine, when used according to directions, will cure, without fail: Scrofula or King's Evil, Cancer, Eruptions of the Skin, Erysipelas, Tumor, Chronic Sore Eye, Ringworm or Tetter, Scald Head, Rheumatism, Pains in the Bones or Joints, Old Sores and Ulcers, Swelling of the Glands, Syphilis, Dyspepsia, Salt Rheum, Diseases of the Kidneys, Diseases arising from the use of Mercury, Loss of Appetite, Pain in the Side and Shoulders, General Debility, Lumbago, Coughs, Colic, Dropsy, Jaundice, Costiveness, Bronchitis, Weakness of the Chest, Sore Throat, Pulmonary Affections, and all other Diseases tending to protract Consumption, Liver Complaints, Female Irregularities and Complaints, Low Spirits, Sick and Nervous Headache, Night Sweats, Exposures, or Imprudence in Life, Chronic Constitutional Diseases, and as a Spring and Summer Drink, and General Tonic to the System, and a Gentle and Pleasant Purgative, it is superior to Blue Lick and Congress Water, Salts, or Sedatives.

It is a remarkable fact, that among the hundreds of eminent physicians who have examined the recipe by which Bull's Sarsaparilla is prepared, not one has condemned it, but all approved it, and commended it in the highest terms. Many physicians express themselves strongly in the belief that it is decidedly the best preparation of Sarsaparilla that has ever been placed before the public. Although there are many physicians who feel a reluctance to having their names appended to the recommendation of any particular remedy, notwithstanding they may approve of it in the highest degree, there are others who frankly yield their support to a remedy which they know is capable of doing so much good in an afflicted community. As an evidence, read the following from old and respected physicians, of high standing in the community in which they live:

TESTIMONY. Testimony like the following reads superior all comments on the efficacy of Bull's Sarsaparilla. From Dr. L. P. Vandell, Professor of Chemistry in the Louisville Medical College: "I have looked over the list of ingredients composing Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases, to which it is applicable." **L. P. VANDSELL, M. D.** Louisville, June 6, 1848.

What Dr. Pyles, physician by appointment to the Louisville Marine Hospital, says of Bull's Sarsaparilla, March 20, 1849. "I have examined the prescription for the preparation of Bull's Sarsaparilla, and believe it to be a safe and sound one, and an excellent one, and well calculated to produce an salutary impression on the system. I have used it both in public and private, and think it the best article of Sarsaparilla now in use." **M. PYLES, M. D.** Resident Physician Louisville Marine Hospital.

Permit me to address to you a few lines, and do me the honor to receive a line in return. I will make in the conclusion of this letter, &c. I am a graduate of Transylvania Medical University; I have practiced medicine in this western country, about five years, but owing to exposure to bitter cold weather, I have been indisposed with Acute Rheumatism about six months, and have been unable to exercise my skill in the treatment of my case, and deriving no benefit, I was induced to give your PREPARED SARPAPARILLA a fair trial, and accordingly purchased a bottle of the same, and used it as directed, and in a few days I was enabled to resume my usual avocations, and I must confess that one bottle has entirely cured me. It is my opinion, that your preparation of Sarsaparilla is decidedly superior to any other preparation now in use, and I will take great pleasure in recommending it to the afflicted, and will advise the physicians to use it in their practice, &c. Respectfully yours, **B. D. ALLEN, M. D.** Louisville, July 13th, 1849.

R. R. R.

WHEN the R. R. R. Theory was first declared to the world, skeptical persons doubted its correctness, and looked with distrust on the remedial measures. Others, however, struck with the originality of its views, and conceding merit to the theory, were induced to try if the remedies borne out in practice what was claimed for them in theory. A third class differing from the others and perhaps more numerous, without considering for a moment any merit they might be entitled to, tried them, merely as a venture, growing out of a desire for something new. We are satisfied with the result, for the public has received the benefit and R. R. R. Theory has triumphed. Not a day passes that we do not have admission from some hitherto unbeliever that their skepticism was unfounded and convinced by reading our Family Friend, have proved by their own experience, the infallibility of our medicines. Not a day passes that we do not receive grateful testimonials of cures effected by these Medicines. "I was seized with cramps and spasms last night says one, and had it not been for Radway's Ready Relief I should have died with the pain." Another says, "my wife was slowly sinking with an affection of the Lungs and my neighbors were suffering from Scrofula. Have seen them both restored to health" by Radway's Renovating Resolvent. A third says, "Radway's Regulators have cured me of habitual costiveness as that was the burden of my life." Such are the characteristic testimonials we daily receive of R. R. R. Remedies.

RADWAY'S READY RELIEF, the first of the R. R. R. Remedies, is the most quick and safe remedy that has ever yet been discovered for the instant relief of all ACUTE OR CHRONIC PAINS. It is a certain defecant and will neutralize the most violent poisons of Malignant Epidemics. If the human system is seized with the virulence of Cholera, Small Pox, Ship Fever, Pneumonia, or other fatal poisons, Radway's Ready Relief used in connection with Radway's Regulators, will check the violence of the disease, neutralize the infection, and will not only protect the system against sudden death, but will restore the body to health and strength. We make this assertion boldly, and if any Physician or Chemist doubts the great power which we claim for our Ready Relief, over malignant poisons, let them examine it and test it, it will bear the test.

RHEUMATISM. PAINS stopped in a few Minutes. The moment Radway's Ready Relief is applied to the parts afflicted with rheumatism, whether it be in the knee joint, the arms, legs, feet or joints all, pain and anguish ceases. CAPTURED FOR TWENTY YEARS. Mr. Charles M. Johnston, Nashville, was crippled with a chronic rheumatism for twenty years. He purchased from J. M. Zimmerman one bottle of Ready Relief, and one box of Regulators. The Ready Relief was applied as soon as it was obtained. IN TWENTY MINUTES he was free from pain; IN FOUR HOURS he could stand alone. By the use of the Regulators, Pain and Regulators, in one month he was ENTIRELY CURED.

A LADY AGED 85, had been crippled for years, could not raise her hand to her head. One bottle of R. R. R. Relief removed all pain and stiffness, created new life within her disabled body, restored each limb and joint to a strong vigorous and healthy condition. The lady is well known in Asheville, N. C. Thomas W. Atkin, Esq., editor of the Asheville News, published the case in his paper on the 13th of October 1858.

SUDDEN ATTACKS, CRAMPS AND SPASMS. For all instances of rheumatism, where the patient is suddenly seized with Cramps, Spasms, Diarrhoea, Cholera Morbus, one teaspoonful of Radway's Ready Relief will in FIFTEEN MINUTES allay the most distressing pains. FEVER AND AGUE. Let those afflicted with this distressing malady, take Radway's Ready Relief internally, a teaspoonful every fifteen minutes three hours before the chills come on, and a dose of Regulators every night; also, rub the spine of the back down with Ready Relief. It will entirely cure and prevent the system against Ague and Fever.

In cases of Burns, Scalds, Bruises, Strains, Sprains, Head Swellings, Heart Burns, Sour Stomach, Sick Headache, Radway's Ready Relief will remove all pain in a few minutes. **R. R. R.—No. 2.** RADWAY'S RENOVATING RESOLVENT possesses over all Chronic Diseases that have been lingering in the system for ten, twenty or forty years, The same quick and powerful efficacy that the R. R. Relief controls over acute maladies.

R. R. REGULATORS. The third of the R. R. R. Remedies is the most pleasant and sure Regulator of the liver, bowels, skin, pancrea and kidneys in use. They are elegantly coated with gum, easy to take, and free from the most objectionable annoyances attending the taking of pills. Radway's Regulators insure a regular and healthy action of the bowels and liver. No person will be troubled with costiveness, indigestion, dyspepsia, liver complaint, kidney difficulties, who will take Radway's Regulators.

R. R. Remedies are sold by Druggists and Dealers in medicines everywhere. **RADWAY & CO. 162 Fulton St. N. Y.** Sold in Camden by Z. J. DeHAY and T. J. WORKMAN & CO. **May 9-6m.**
