Poetry.

BE JUST.

There is a lesson, and a good one, in the following lines. We could wish that our readers might hear them sung in the admirable voice and manner of the friend from whom we derive them.

Let us speak of a man as we find him,
And censure alone what we see;
And should a man blame, let's remind him
That from faults we are none of us free.
If the veil from the heart could be torn,
And the mind could be read on the brow,
There are many we'd pass by with scorn
Whom we're loading with high honors now.

Let us speak of a man as we find him,
And heed not what others may say;
If he's frail, then a kind word would bind him
Where coldness would turn him away;
For the heart must be barren, indeed,
Where no bud of repentance can bloom;
Then pause, ere you censure with speed—
On a frown or a smile hangs his doom.

Peruvian Guano.

Messrs. Editors: As much of the attention of the public is taken up at present with the subject of Guano, there is one very important consideration which should not be lost sight of; the description of Guano that is used. There are three distinct kinds that are presented in market, besides the Peruvian, and if they are not equal in value, the farmer may be induced to purchase of the former, and by discovering a deficiency in their powers, be led to forego the use of the great fertilizer furnished by the Chincha Islands. Now, as a farmer of South Carolina, there is nothing that I would more deplore than any cause which should diminish the application of the Peruvian to the soil of the State, and I have taken no little pains to obtain information of the most reliable character. In answer to such enquiries, I have had the following statement, from a highly creditable source, and I would request its insertion in the daily papers, that the planter may be put upon his guard. I have made many experiments upon the genuine article only, and hence can merely guarantee the surprising value which my correspondent attaches to it.

BEWARE.

"In some of the cities of the United States, men of trade have made desperate exertions to obtain for the Mexican, African and Patagonian Guanos, a name and character, of equality, and in many cases, even of superiority to the Peruvian Guano. This position the Mexican, African and Patagonian never can maintain, for if the same experiments are made with Peruvian, it will be found that the Peruvian will yield to the planter, from 100 to 400 per cent. whilst the Mexican, African and Patagonian, will produce but little or nothing. The reason why Peruvian Guano is so much more valuable, is because it is obtained from a tropical clime, where rain never exists, hence the ammonia, the most valuable ingredient in Guanos, is never washed from it, but on the contrary retained, for the benefit of the planter.—Not so, however, with the Mexican, African and Patagonian, for all these three are not to be had from a tropical clime, therefore they are washed by perpetual rains, consequently the greatest good is extracted, and he who buys of these, soon learns he has paid a heavy penalty. Peruvian is by the knowing ones, all the world over, classed as number one Guano."

The supply of Guano at this time is very ample and we hope will continue so, but our past experience has shown that there is no certainty about it. It was supposed last summer that there would be a sufficient supply for fall use, but it was found that although wheat was then but little over $1 per bushel, the demand was many a fold greater than the supply. The present price of grain and the prospect of its continuance, will no doubt induce a greater breadth of land to be sown in wheat than in any former year, and the consequent increased demand for Guano will be proportionately great. The prospect for a full supply was never better than at present. Yet we would earnestly advise those intending to use it to get their quota as early as they conveniently can, for although the supply may be here, the delays of a delivery, so sadly experienced by many last fall, when there is so great a rush for it at the last moment, may prevent its being received in time for the most effective use. And the general experience this season has been, that those who were delayed in getting in their seed last fall, and whose harvest has been the latest, have suffered the most by the rust, scab, &c.

We recommend our planting friends to purchase the article in our city, from Mr. Wm. Allston Gourdin, who is now receiving the genuine article direct from the Chincha Islands.

PERUVIAN GUANO.—The Eastern Shore of Maryland has, within a few years past, exhibited a remarkable degree of improvement.—Land has increased largely in value, and the towns and villages are rapidly growing. The Philadelphia American, referring to these facts, says: Agriculture in all its branches has made rapid progress, and the introduction of new methods of cultivation has worked a surpassing change in the health of that region, which was at one time so proverbially bad as to depreciate the value of property and drive away a large amount of industrial population. The malarious fever has almost entirely disappeared. Physicians attribute this, and no doubt correctly, to the use of Lime, Guano, etc., for agricultural purposes, the chemical properties of these agents acting as disinfectants and purifiers of the atmosphere. Of course, as soon as this fact was ascertained, a great impetus was given to the use of these articles, and thus farming operations and the general health have made corresponding advances.

A BRICK.—The Poughkeepsie Press says: As a dusty looking "colored child," about 40 years of age, and from the country was passing under the scaffolding of the building now being erected on the corner of Main and Catharine streets, the other day, a brick came down, struck upon his head, and broke in two. He was stunned for a moment, but soon recovered sufficiently to get off the following, and leave those who had gathered around him in a roar of laughter:—"I say, you white man dar, if you don't want yer bricks broke, jes keep 'em off my head."

"Do good," says the Hungarian proverb, "and cast it into the sea. The fishes will not know it, but God will."

A Quaker gentleman who visited Cincinnati a few years ago, observed, on the bright morning of a business day, that the doors and window shutters of the stores in one of the principal streets was closed. Curious to learn the cause of a circumstance so extraordinary, and noticing a front door of a shop standing slightly ajar, he entered, and was surprised to see lamps burning, and a grocer dealing out articles to a number of customers.

"Friend," asked the Quaker, "canst thou tell me why the stores are all closed, is there to be a public funeral, or what does it mean?"

"Sir," said the grocer, "how old are you?"

"Sixty," meekly replied the quaker.

"Is it possible!" exclaimed the other, "that you have lived in this world sixty years and never found out that lard oil is a great deal cheaper than daylight."

GUYSOTT'S
Yellow Dock and Sarsaparilla.

IS now put up in the largest sized bottles, and is acknowledged to be the best Sarsaparilla made, as is certified by the Wonderful Cures it has performed, the original copies of which are in the possession of the proprietor. Remember, this is the only true and original article.

Scrofula, Syphilis, Mercurial Complaints, Cancer, Gangrene, Rheumatism, and a vast variety of other diseases are speedily and perfectly cured by the use of this medicine.

Read the following Certificate.

TALLAPOSSA CO., Ala., Jan. 2, 1852.

DEAR SIR:—I send you this to certify to you that your Extract of Yellow Dock and Sarsaparilla has performed one of the most wonderful cures on me that has ever been effected on man.

I have been afflicted for forty years with eruptions on my legs and feet; in 1848 they got so bad that I had to go on crutches, and in 1849 I had one leg amputated above the knee. In about nine months after my other leg broke out in large eating and running sores from my knee to my foot, and discharged a great deal of offensive matter. My groin also broke out in large biles, which discharged much offensive matter, and at the same time my left hand broke out in large running sores nearly to my elbow.

The misery that I have suffered for the last two years I cannot describe to you. I was in such agony that I never rested day or night.

In October last my son brought me one of your bottle wrappers; I read it, and found record of some wonderful cures performed by your "Extract of Yellow Dock and Sarsaparilla," I sent and got two bottles of it, and commenced taking it. In two weeks, to my great astonishment, my sores all became easy, and I could sleep all night, a thing I had not done for two years. When I had taken six bottles, my sores had nearly all healed. My sores got well as if by enchantment. I have now used in all eight bottles of your "Extract of Yellow Dock and Sarsaparilla." and I now consider myself well.

I entreat all of the afflicted to try this medicine, for I believe it will cure any known disease in the world.—Lay aside all prejudice and just try it, and proclaim its great worth to suffering mankind and entreat them to take it, for it will cure them.

My case is well known in a large portion of South Carolina, Georgia and Alabama, and if any should doubt the above cure, I invite them to call on me, and I will show them the scars. I can be found in Tallapoosa Co., Alabama, one mile from Stoe's Ferry.

RENAJATI HUGHES.

The Yellow Dock and Sarsaparilla is peculiarly adapted for females of delicate health, resulting from irregularity of menstrual discharges, and other diseases peculiar to their sex.—he proprietor has in his possession a great number of certificates of cures, performed of the above description. We assure the afflicted, that a bottle or two of Dr. Guysott's Extract of Yellow Dock and Sarsaparilla will at once regulate those difficulties and renew the natural energies.

☞ Put up in quart bottles—Price $1 per bottle.

R. R. R.

WHEN the R. R. R. Theory was first declared to the world, skeptical persons doubted its correctness, and looked with distrust on the remedies it possessed. Others, however, struck with the originality of its views and conceding merit to the theory, were induced to try if the remedies borne out in practice what was claimed for them in theory. A third class differing from the others and perhaps more numerous, without considering for a moment any merit they might be entitled to, tried them, merely as a venture, growing out of a desire for something new We are satisfied with the result, for the public has received the benefit and R. R. R. Theory has triumphed. Not a day passes that we do not have admission from some hitherto unbeliever that their skepticism was unfounded and convinced by reading our Family Friend, have proved by their own experience, the infallibility of our medicines. Not a day passes that we do not receive grateful testimonials of cures effected by these Medicines "I was seized with cramps and spasms last night says one, and had it not been for Radway's Ready Relief I should have died with the pain." Another says, "my wife was slowly sinking with an affection of the Lungs and my neighbors was suffering from Scrofula,—I have seen them both restored to health by Radway's Renovating Resolvent. A third says, "Radway's Regulators have cured me of habitual costiveness that was the burden of my life." Such are the characteristic testimonials we paily receive of the R. R. R. Remedies.

RADWAY'S READY RELIEF, the first of the R. R. R. remedies, is the most quick and safe remedy that has ever yet been discovered for the instant relief of all ACUTE OR CHRONIC PAINS. It is a certain disenfectant and will neutralize the most violent poisons of Malignant Epidemics. If the human system is seized with the virulence of Cholera, Small Pox, Ship Fever, Pneumonia, or other fatal poisons, Radway's Ready Relief used in connection with Radway's Regulators, will check the violence of the disease, neutralize the infection, and will not only protect the system against sudden death, but will restore the body to health and strength. We make this assertion boldly, and if any Physician or Chemist doubts the great power which we claim for our Ready Relie, over malignant pains, let them examine it and test it it will bear the test.

RHEUMATISM.

PAINS stopped in a few Minutes· The moment Radway's Ready Relief is applied to the parts afflicted with rheumatisms, whether it be in the knee joint, the arms, legs, feet or loins all, pain and anguish ceases.

CRIPPLED FOR TWENTY YEARS. Mr. Charles M. Johnston, Nashville, was crippled with a chronic rheumatism for twenty years. He purchased from J. M. Zimmerman one bottle of Ready Relief, and one box of Regulators. The Ready Relief was applied as soon as it was obtained.

In TWENTY MINUTES he was free from pain;
In TWENTY-FOUR HOURS he could stand alone,
In FOUR DAYS he could walk alone.

By the use of the Resolvent, Relief and Regulators, in one month he was ENTIRELY CURED.

A LADY AGED 85, had been crippled for years, could not raise her hand to her head. One bottle of R. R. Relief removed all pain and stiffness, created new life within her disabled body, restored each limb and joint to a strong vigorous and healthy condition. The lady is well known in Asheville, N. C. Thomas W. Atkin, Esq., edisor of the Asheville News, published the case in his paper on the 13th of October 1853.

SUDDEN ATTACKS. CRAMPS AND SPASMS. For all internal difficulties, where the patient is suddenly seized with Cramps, Spasms, Diarrhoea, Cholera Morbus, one teaspoonful of Radway's Ready Relief will in FIFTEEN MINUTES allay the most distressing pains.

FEVER AND AGUE. Let those afflicted with this distressing malady, take Radway's Relief internally, a tea spoonful every fifteen minutes three hours before the chills come on, and a dose of Regulators every night; also, rub the spine of the back down with Ready Relief. It will entirely cure and prevent the system against Ague and Fever.

In cases of Burns, Scalds, Bruises, Strains, Sprains, Bad Swellings, Heart Burn, Sour Stomach, Sick Headache, Radway's Ready Relief will remove all pain in a few minutes.

R. R. R.—No. 2.

RADWAY'S RENOVATING RESOLVENT possesses over all Chronic diseases that have been lingering in the system for ten, twenty or forty years,

The same quick and powerful efficacy that the R. R. Relief controls over acute maladies.

R. R. REGULATORS.

The third of the R. R. R. Remedies is the most pleasant and sure Regulator of the liver, bowels, skin, pancrea and kidneys in use.

They are elegantly coated with gum, easy to take, and free from the many objectionable annoyances attending the taking of pills.

Radway's Regulators insure a regular and healthy action of the bowels and liver. No person will be troubled with costiveness, indigestion, dyspepsia, liver complaint, kidney difficulties, who will take Radway's Regulators.

R. R. Remedies are sold by Druggists and Dealers in medicines everywhere.
