TO THE PHYSICIANS OF SOUTH CAROLINA AND ALL WHO USE LIQUOR AS A MEDICINE OR AS A BEVERAGE.
PHYSICIANS who prescribe Alcoholic Liquors for medicinal purposes should give the preference to WOLFE'S AROMATIC SCHIEDAM SCHAFFPS.
1. It is manufactured at Schiedam, in Holland, and exclusively in the factory of the proprietor, by processes and from material elsewhere unemployed and known.
2. It is proved by the repeated analysis of several eminent chemists, to be entirely free from the pernicious fustil oil which renders every kind of liquor distilled from grain, and which is the cause of nervous and visceral derangement, serious congestion, and morbid desire for habitual and intemperate indulgence which such liquors invariably tend to superinduce.
3. It is proved by the same unerring tests that the Juniper Ginis not flavored with the coarse, acid and indigestible oil of Juniper heretofore used, but with the specifically lighter, more volatile, aromatic and medicinal of the two, essential oil of the Italian juniper berry, neglected by every other manufacturer.
4. It is chemically proved to be absolutely pure in its rectification—a quality obtained by an entirely new process and which no other Holland Gin in the world has acquired.
5. It is proved by extensive medical experience and testimony, to be an efficient as well as an agreeable remedy in many cases of incipient dropsy, gravel, chronic gout, flatulence, rheumatism, Colic, concretions in the kidney and bladder, dyspepsia, fever and age, general debility, sluggish circulation of the blood, deficient assimilation of food and exhausted vital energy.
It is a most grateful and renovating cordial, and when used as directed, never inflames the system or induces inebriety, but tends rather to subdue the latter, by creating a dislike to all inferior liquors and it invariably corrects the ill effects of bad water whether in swampy or limestone districts. In all of these enumerated qualities, it has no rival in any market in the world.
It is sold in Charleston, S. C. by the following firms: P. M. COHEN & CO., HAVILAND, HARRAL & CO., A. KLESICK & CO., A. VAN DOHLEN, LANNEAU & BURCKMYER, NELSON CARTER, KLINOK & WICKENBERG, JOHN F. O'NEILL, THOMAS E. CLYDE, FOLLIN & FOURGAL, and by all the respectable Druggists and Grocers in the United States.

DOCTOR HOOFLAND'S CELEBRATED German Bitters,
PREPARED BY
DR. C. M. JACKSON, Philadelphia, Pa.
WILL EFFECTUALLY CURE
LIVER COMPLAINT, DYSPEPSIA, JAUNDICE,
Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.
Such as
Constipation, Inward Piles,
Headache, or Blood to the Face, Acidity of the Stomach, Nausea, Heartburn, Disquill of Food, Fullness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Headache, Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations, when in a lying Posture, Dimness of Vision, Drops or Webs before the Sight, Fever and dull Pains in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Lungs, etc. Sudden Flushes of Heat, Burning in the Flesh, Constant Headachings of the Head, and great Depression of Spirits.

In attributing such valuable Medical properties to this remedy, no rash or unwarrantable assertion is made, but is simply stated a fact; proven undeniably and conclusively by the extraordinary cures, and benefits derived from its use, under the direction of its illustrious originator, Dr. Hoofland, among all classes of European society and from the immense mass of testimony, from all parts of the American continent, accumulated during the last ten years, in the hands of the respective proprietors. The numerous diseases to which the German Bitters are adapted, it is with sorrow we say it, is almost universal, indeed there is scarcely a family throughout the whole extent of our country in which there cannot be found among its members that peculiar sallow and languid appearance, denoting a diseased Liver, or an uncorrected and suffering Dyspepsia.
Then of what immense importance to this class of invalids, that a certain and reliable remedy should be placed within their reach; one in which so baneful or injurious drugs enter into its composition; a remedy on which the patient can rely with the utmost confidence and certainty and be assured from the tangible proofs, that the article he is using really possesses the virtues attributed to it. Such a remedy has been expended in its manufacture and diffusion throughout all parts of this continent, and the proprietor feels the greatest satisfaction in stating that there is no State, County or even Village where the Medicine has been introduced, that there cannot be found numbers willing to testify to its virtues.
It is used constantly in the practice of a large number of the most prominent physicians in the country, who have also added their written testimony, in evidence of its great virtues. In consequence, then, we would respectfully ask of all those afflicted with any of the above diseases, to give the Bitters a trial, and the statements above made, all are invited to read attentively the "Memorialia," or "Practical Receipt Book," for Farmers and Families, containing a great number of useful receipts, in addition to the testimony, in favor of the Bitters, from the most prominent and well-known individuals, in all parts of the Union. All Agents for the Bitters are authorized to distribute the "Receipt Book" gratuitously.
