DR. ROGER'S LIVERWORT, TAR AND CAN CHALAGUA has rescued its multitudes from the grave. Do you ask for the evidence ? THEN CALL ON THE AGENT, and get a phamplet : a newspa-per is too small to contain it. In the Pamphlet you will find well authenticated cases of individuals who were, in very deed, rescued from the grave, for they were upon the very verge of it, and given up to die by our best Physicians and most skillful Medical Professors, when the Liverwort and Tar came to their rescue, and delivered them back to their friends. Although many of the cures seem almost incredible, yet they are not obscure ; we have given their real names, and their exact place of residence, so that they may be seen, and the facts heard, from their own mouths. These cures are fully corroborated by Physicians and Profes-sors of Medicine, who are well known and are of the highest standing in our land, who have been com-pelled to yield to these stubborn facts : NO ONE CAN DISPUTE SUCH EVIDENCE.

We Challenge the Whole World! To produce more real bona fide evidence, in any coure of justice, than we have in favor af this medi-

cine !!! We defy the Physicians of every school, and all the Medicines that have ever been invented, to pro-duce evidence of such remarkable cures as have been made by Dr. ROGER'S LIVERWORT, TAR and
