

**A NEW LITERARY AND POLITICAL JOURNAL.**  
**TO BE PUBLISHED AT COLUMBIA, S. C.**  
The undersigned, late Editor of *The South Carolina and Columbia Banner*, proposes to publish in the city of Columbia, a Literary, Political and News Journal, to be called  
**"THE EXAMINER."**  
In making this announcement, I am aware that I propose to engage in an enterprise not free from difficulties; but these I will endeavor to provide against, by securing a Subscription List that will place the paper beyond the reach of failure. South Carolina can richly support, at her Capital, a leading Literary and Political Weekly Journal, and to her people I now issue this Prospectus, feeling assured that the enterprise will be sustained, and that they will support a Home Journal of the character of that now proposed. As a

**LITERARY JOURNAL.**  
For the home circle, *The Examiner* will be conducted with a view to render it at least equal to any ever published in the South. The choicest selections of English and American Literature will be made for its columns and a number of able Contributors will be secured. I will endeavor, in this department, to make it a Journal worthy of the patronage and steady support of the people of this State and of the South. As a

**POLITICAL JOURNAL.**  
*The Examiner* will abide by the old landmarks of the State Rights Democracy. Independent of national parties, it will take a stand in a faithful co-operation in the great work of maintaining Southern Rights and promoting Southern Union. It will be the organ of no political party—the exponent of no political creed which has not for one of its cardinal principles "the Equality of the South in the Union, or Independence out of it." This is no new faith, but one which South Carolina has long and earnestly contended for. NEWS JOURNAL.

*The Examiner* will contain the Latest News, Foreign and Domestic, received up to the hour of publication. It will give full and correct MARKET REPORTS and PACES CURRENT. Our readers in the country may rely on strict attention being paid to this important feature of a newspaper. It will give full and accurate reports of the PROCEEDINGS OF THE LEGISLATURE AND OF CONGRESS and the acts and doings of the various political organizations. All news worth giving to its readers will be carefully culled for its columns.

*The Examiner* will be one of the LARGEST Weekly Journals in the Southern States, printed with new and elegant type, on fine white paper, and issued in large quarto form of eight pages, containing forty columns of interesting reading matter. It will be the handsomest paper ever published in the South. I have thus given an outline of the principal features of *The Examiner*, and I trust that the people of the South ought to need no further appeal, in view of the present aspect of political affairs, to induce them to sustain with vigor and efficiency their own Press and Literature.

**TERMS.**  
Two Dollars per annum, payable in advance. The first year's payment will be required on the receipt of the first number of the paper, which will be issued so soon as I receive a sufficient number of subscribers to ensure its success. Send forward your names.

Postmasters who will be so kind as to forward the names of subscribers will confer a favor, and will receive a copy of the *Examiner* without charge. Address me at this place.

**CHARLESTON DAILY STANDARD,**  
A RELIABLE COMMERCIAL AND POLITICAL JOURNAL.  
SINGLE COPIES, PER ANNUM, \$8 00  
TEN COPIES, PER ANNUM, 50 00

*The Daily Standard* contains a DAILY TELEGRAPHIC REPORT, A MARKET REPORT, and a report of GENERAL INFORMATION furnished by the mail from every section of the Union. It also presents a DAILY MARKET, of the ARRIVALS and DEPARTURES OF SHIPS, and of the ARRIVALS OF PASSENGERS.

Once a week is presented a COMPARATIVE STATEMENT OF THE RECEIPTS AND SHIPMENTS OF COTTON, RICE AND LUMBER at the port of Charleston and a COMPARATIVE STATEMENT OF THE RECEIPTS AND EXPORTS OF COTTON, at all the ports of the United States.

ALL NEWS, of a personal and political character, both foreign and domestic, is given with the greatest promptness, and to insure this object we have secured the services of an able corps of correspondents.

It is our special object to publish a NEWSPAPER, proper. We shrink from the expression of no opinion which may be demanded by the subject before us, but as a general principle prefer stating facts at the earliest instant possible, and to leave it to our readers to form their own opinions.

The course of the paper is severely conservative, first of morality and order; next of the institutions peculiar to the South, and next, of the union of the States.—We resolutely oppose radicalism as well in democracy as in republicanism.

**DOCTOR HOOFLAND'S**  
**CELEBRATED**  
**German Bitters,**  
PREPARED BY  
DR. C. M. JACKSON, Philad'a., Pa;  
WILL EFFECTUALLY CURE  
LIVER COMPLAINT, DYSPEPSIA, JAUNDICE,  
Chronic or Nervous Debility, Diseases of the  
Kidneys, and all diseases arising from a dis-  
ordered Liver or Stomach.

Such as  
Constipation, Inward Piles, Fullness, or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Headache, Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations, when in a lying Posture, Dimness of Vision, Dots or Specks before the Sight, Fever and Cold Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Li, &c., Sudden Flushes of Heat Burning in the Flesh, Constant Imaginings of Evil, and great Depression of Spirits.

In attributing such valuable Medical properties to this remedy, no rash or unwarrantable assertion is made, but it is simply stated as a fact, proven undeniably and conclusively by the extraordinary cures, and benefits derived from its use, under the direction of its illustrious originator, Dr. Hoofland, among all classes of European society and from the immense mass of testimony, from all parts of the American continent, accumulated during the last ten years, in the hands of the present proprietor. The prevalence of diseases to which the German Bitters are adapted, is with sorrow we say it is almost universal. Indeed there is scarcely a family throughout the whole extent of our country in which there cannot be found among its members that peculiar sallow and languid appearance, denoting a diseased Liver, or an emaciated and suffering Dyspeptic.

Then of what immense importance to this class of invalids, that a certain and reliable remedy should be placed within their reach; one in which no harmful or injurious drug enters into its composition; a remedy on which the patient can rely with the utmost confidence and certainty, and be assured from actual and tangible proofs, that the article he is using, really possesses the virtues attributed to it. Such a remedy is "Hoofland's German Bitters." Thousands of dollars have been expended in its manufacture and diffusion throughout all parts of this continent, and the proprietor feels the greatest satisfaction in stating, that there is no State, County or even Village where the Medicine has not been introduced, that there cannot be found numbers willing to testify to its efficacy. It is used constantly in the practice of a large number of the most prominent physicians in the country, who have also added their written testimony, in evidence of its great virtues. In conclusion, then, we would respectfully ask of all those afflicted with any of the above diseases, to give the Bitters a trial, and rest assured it will never be regretted. In proof of the statements above made, all are invited to read attentively, the "Memorial," or "Practical Receipt Book," for Farmers and Families, containing a great number of useful receipts, in addition to the testimony, in favor of the Bitters, from the most prominent and well-known individuals, in all parts of the Union. All agents for the Bitters are authorized to distribute the "Receipt Book" gratuitously.
