DOCTOR HOOFLAND'S CELEBRATED German Bitters.

PREPARED BY DR. C. M. JACKSON, Philada., Pa. WILL EFFECTUALLY CURE LIVER COMPLAINT, DYSPEPSIA, JAUNDICE, Chronic or Nervous Debility, Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

Such as Constipation, Inward Piles, Fullness or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Headache, Difficulty of Breathing, Fluctuating at the Heart, Choking or Suffocating Sensations, when in a lying Posture, Dimness of Vision, Dots or Webs before the Sight, Fever and dull Pain in the Head, Debility of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Lys, &c., Sudden Fluxes of Heat burning in the Flesh, Constant Imaginations of Evil, and great Depression of Spirits.

In attributing such valuable Medical properties to this remedy, no rash or unwarrantable assertion is made, but is simply stated as a fact; proper, undeniably and conclusively by the extraordinary cures, and benefits derived from its use, under the direction of its illustrious originator, Dr. Hoofland, among all classes of European society and from the immense mass of testimony, from all parts of the American continent, accumulated during the last ten years, in the hands of the present proprietor. The prevalence of diseases to which the German Bitters are adapted, it is with sorrow we say it, is almost universal, indeed there is scarcely a family throughout the whole extent of our country in which there cannot be found among its members that peculiar fallow and languid appearance, denoting a diseased Liver, or an enervated and suffering Dys-peptic.

Then of what immense importance to this class of invalids that a certain and reliable remedy should be placed within their reach; one in which no harmful or injurious drug enters into its composition; a remedy on which the patient can rely with the utmost confidence and certainty and be assured from actual possession the virtues attributed to it. Such a remedy is "Hoofland's German Bitters." Thousands of dollars have been expended in its manufacture and diffusion throughout all parts of this continent, and the proprietor feels the greatest satisfaction in stating that there is no State, County or even Village where the Medicine has not been introduced, that there cannot be found numbers willing to testify to its virtues.

It is used constantly in the practice of a large number of the most prominent physicians in the country, who have also added their written testimony, in evidence of its great virtues. In conclusion, we would respectfully ask of all those afflicted with any of the above diseases, to give the Bitters a trial, and rest assured it will never be regretted. In proof of the statements above made, all are invited to read attentively, the "Memorial," or "Practical Receipt Book," for Farmers and Families, containing a great number of useful receipts, in addition to the testimony, in favor of the Bitters, from the most prominent and well-known individuals, in all parts of the Union. All agents for the Bitters are authorized to distribute the "Receipt Book" gratuitously.

British Periodicals. Early Copies Secured.

LEONARD SCOTT & CO., New York, continue to republish the following British periodicals: 1. The London Quarterly Review (Conservative.) 2. The Edinburgh Review (Whig.) 3. The North British Review, (Free Church.) 4. The Westminster Review, (Liberal.) 5. Blackwood's Edinburgh Magazine, (Tory)

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news items, crude speculations, and lying rumors of the daily journal, and the ponderous tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these periodicals that readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

Arrangements are now permanently made for the receipt of early sheets from the British publishers, by which we are enabled to place all our reprints in the hands of subscribers about as soon as they can be furnished with the foreign copies. Although this involves a very large outlay on our part, we shall continue to furnish the periodicals at the same low rates as heretofore, viz: Per annum. For any one of the four Reviews, \$3.00 For any two of the four reviews, \$5.00 For any three of the four reviews, \$7.00 For all four of the reviews, \$9.00 For Blackwood's Magazine, \$3.00 For Blackwood and three reviews, \$9.00 For Blackwood and the four reviews, \$10.00

Payments to be made in all cases in advance. Money current in the State where it is used will be received at par. Clubbing.—A discount of twenty-five per cent. from the above prices will be allowed to clubs ordering four or more copies of any one or more of the above works. Thus: Four copies of Blackwood, or of one review will be sent to one address for \$9; five copies of the four reviews and Blackwood for \$9; and so on.

Postage.—In all the principal cities and towns, these works will be delivered through agents, free of post age. When sent by mail, the postage to any part of the United States will be but twenty-four cents a year for Blackwood, and but fourteen cents a year for each of the reviews.

Remittances and communications should always be addressed, post-paid, to the publishers, LEONARD SCOTT & CO., 54 Gold street, N. Y.
