ing weather.

Well, we all know what it has been for the past month. On Monday the sun reoppeared, and we are now having charm-

Spring Hill and Kershaw Cheuit,

The Quarterly Conference for Spring at Beulah and not at St. John as incorrectly published in the S. C. Advocate. From the State Prison.

From the State Prison.

Damon Missourl, colored, who was convicted at the February term, 1882, of the General Sessions for this county, and "seut up" for one year in the State Penitentlary, was discharged from prison itentiary, was discharged from prison itentiary. last week; his term of servitude having

February Court. Up to this writing very few new cases for the Sessions docket have been filed in branch of the court. The civil business promises also to be quite heavy.

Destruction by Fire. On Tuesday morning the turpentine still of Mr. C. E. Workman, located on the eastern edge of town, was set fire to and destroyed. The fire was discovered just before day, and there is no doubt that it was the work of an incendiary.

Immigrants in Kershaw.

Mr. Workman loses about \$100.

There have been brought into this county by the agency of the State Immigration Bureau 120 immigrams. Colonel Boykin's term as Superintendent of Im-migration will expire on the 15th of April, and be believes that by that time here will be 500 of these Hungarian laborers in Kershaw county alone.

Gelsenheimer & Watkins.

Attention is directed to the advertisement of this firm which may be found in another column. They are both well another column. They are both well the town. We venture the assertion known throughout the county, and will that there is not a town in South Carolidoubtless don prosperous business. They have recently enlarged their facilities and are now prepared to meet the demands of a heavy business.

A slight change in the schedule over A sight change in the schedule over the Camden Branch went into effect yesterday. The morning train, which heretofore has left at 7 o'clock, now leaves at 6:45 a. m., and the evening train which was wont to leave at 5 p. m., now leaves at 4:30 p. m. The times for the arrival of the trains in Camden have not been changed.

"Delmonico," of Camden.

We ask attention to the advertisement of Messrs. Rosendorf & Co., which appears in this issue of THE GAZETTE. They have opened at the stand formerly occupied by H. Ellis, where they propose to serve as good liquors, eigars, &c., as can be obtained in any city. In a few days they will open a first class restaurant.

Pom one Grange.

Pomona Grange met with Liberty Hill Grange on the second Wednesday in this month. Owing to the inclement weather and terrible condition of the roads, the attendance was not as large us it would otherwise have been. The busliness of the Grange was disposed of. however, and it was ordered that the next meeting be held with Turkey Creek Grange on the second Wednesday in

Onr Police Force.

At its meeting last Monday evening, council disbanded the entire police force of the fown, owing to the frequent com-plaints made to the members of council by citizens, and from what had been transpiring to their own knowledge. Some of the old force were temporarily re-instated, and elections will be held to-merrow evening for chief of police and members of the force. We think the acion of council in this particular was very

opportune. Curlosity.

There are some folks in the world who are so eaten up with curiosity that they would turn a rainbow to see what color haute is, and some who are so in the blt of looking on the dark side of life at they can't even see the bright side the moon, or realize the fact that "the has one of the cholcest nes of family and fancy groceries to be und in Camden. No goods are sold scept for the money; therefore profits re short and sales rapid.

reshet in the Wateres.

The rains of last week caused quite reshet in the Wateree River, and there was been no communication whatever with West Wateree and Camden since last Friday. The ferry rope which stretches across the river at the Camiler ferry broke frein its fastenings on Saturday and until it is placed again in its proper position there is not likely that erossing will be resumed. It is hoped, however, that this will be done to-day. Grossing was resumed at Chesnut's Ferry verterlay. ry yesterday.

In 1816 one bushel of corn would buy one pound of nails. In 1882 one bushel of corn would buy fifteen pounds of this. In 1816 it took from twenty to write duzen of eggs to buy one bushel call. In 1816 it required one bushel of wheat to purchase one yard of callee. In 1882 one bushel of wheat would purchase thirty-five yards of a better article. In 1816 a pair of woolen blankets coat as much as a cow. In 1882 a cow would buy from six to In 1882 a cow would buy from six to than those that are made a long way off and bought on time and the certificates

News & Courier. [We would take occasion but have to remark that take occasion but have to remark that take a constant of the context of sion just here to remark that this is one of the most reliable wholesale firms in the city of Charleston. We congratulate Mr. Wulburn upon the occasion referred to. -ED GAZETTE..

-The last Legislature made some important changes in regard to the law reg-ulating constable's and sheriff's fees. A constable is now entitled to one dollar for each defendant named in a warrant, and one dollar for summoning witnesses.

A sheriff receives mileage for serving papers going and returning. This is good New Year news to these two offi-cers. Heretofore constables have had a hard time of it, the fees were so small.

-The price of cotton is always an interesting subject to those who have any to sell. Nearly avery one looked for a rise after the helidays, but here it is going at 9 cents the latter part of January, and very little coming to market. The crop is evidently a large one, and the prices of cotton goods are low. The demand for cotton is not strong enough to raise the prices very high. There is still much cotton in the hands of farmers. Of course no one can silving them, when Of course no one can advise them when and bargains in this line can be had. to sell. This much is certain, however: nine cents will bring about as much money as 934 will later in the season when sotton is dry and loses weight. The probability is that middling cotton the season when sotton is dry and loses weight. will hardly reach ton cents this sesson; and yet it may bounce up to eleven be-

PRELIMINARY PROSPECTUS Of the Proposed Hobkirk Inn Company.

It is proposed to organize, under the laws of the State of New York, a corporation to be called "The Hobkirk Inn Company," to own and operate as an hotel for winter visitors the premises known as "Pine Flat," situated in the suburbs of Camden.

to be 150,000 shares of the par value of one dollar each, full paid and non-as-sessible, and is to be issued from time to time as the interests of the company and development of its business shall de-

The general affairs of the company are to be managed by a Board of sever. Trus-tees, composed of New York and Camden men, and the management of the hotel proper is to be in the hands of those not only efficient in all the branches of such a business but also thoroughly acqualited with the various Summer and Winter resorts of this country and Eu-

weather will greatly injure the small of the Stock of the Company, to be sold at -Ladies, don't bang your hair any said number of shares are so taken, no taken, and no subscriptions will be con-sidered binding until the said 15,000 shares shall have been subscribed for by

responsible parties.

The money realized from this first sale -From what we learn our farmers are of stock is to be devoted to the erection getting all the labor needed for this of commodious additions to Pine Flat for the reception of guests early in the com-The matrimonial market has been tolerably active this season. Futures strong and bouvant. first issue of stock will be found at the office of the proposed company in the office of the proposed company in the Bank Building, where further information may be had and plans of the proposed hotel inspected. Inquiries by mail will receive prompt attention.

Address, The Proposed Hobkirk Inn Co., Box 321, Camden, S. C. To the Citizens of Camden and Vicinity. We take the liberty of calling your carnest attention to the above, hoping you will consider it a step towards bring-ing the great climatic advantages and neglected beauty of Camden to the notice of those whose incomes permit them to seek Southern homes during the winter. The benefits to be derived from an anmuli influx of moneyed visitors are so manifold and self-evident that it is hardly necessary to call the attention of the thoughtful to them: Real estate will be greatly enhanced in value; trade will be briskly advanced; and, gradually, new enterprizes, agricultural, banking, com-

natural resources now stagnating in our neighborhood. The proposed hotel will be conducted on a strictly first-class basis, worthy of any town or city in the land. Its appointments will be a credit to the town and the many amusements necessarily attached to it will add much to our some

Asking your hearty co-operation in this undertaking, and cordially inviting the Lenten season, comes this year on an interchange of ideas on the subject, the 7th of February, which will make we have the honor to be

Oh, My Back!

That's a common expression and has a world of meaning. How much suf-

it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, over-work, nervous debility, &c.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases as Brown's Iron Bitters, and it does this by commencing at the foundation, and making the blood pure and rich.

Logansport, Ind. Dec. 1, 1880. For a long time I have been a sufferer from stomach and kidney disease. My appetite was very poor and the very small amount I did eat disagreed with me. I was annoyed disagreed with me. I was annoyed very much from non-retention of urine. I tried many remedies with no success, until I used Brown's Iron Bitters. Since I used that my stomach does not bother me any. My appetite is simply immense. My kidney trouble is no more, and my general health is such, that I feel like a new man. After the use of Brown's Iron Bitters for one month, I have gained twenty pounds in weight.

O. B. SARGERT.

MOLASSES.

Whole and half bbls prime New Orleans Molasses for sale law by BAUM BROS.

The leaking Scientists of to-day agree tha most diseases are caused by disordered Kidneys or Liver. If therefore, the Kidneys and Liver are kept in order, perfect health will be the result. This truthbas only been known a short time and for years people suffered great agony without being able to find relief. The discovery of Warner's Safe Kidney and Liver Cure makes a new era in the treatment of these troubles. Made from a simple tropical leaf of rare value, it contains just the elements necessary to nourish and invigorate both of these great organs, and safely restore and keep them in order. It is a POSITIVE Romedy for sit the disease athat cause pains in the lower part of the body-for Torpid Liver—Headsches—Jaundice—Dizziness Gravel—Fever—Ague—Maiarial Fevor, and all difficulties of the Kidneys, Liver and Urinary Organs.

It is an excellent and safe remedy for females, during Pregnancy. It will control Menstrustion and is invaluable for Lucorrhea or Failing of the Womb

As a Blood Purifier it is unequalled, for it cures the organs that make the blood. This Remedy, which has done such wonders, is put up in the LARGEST SIZED BOTTLAS of any medicine upon the market, and is sold by Druggists and all dealers at \$1.25 per bottle. For Diabetes, enquire for WARNERS, SAFE DIABETES CURE. It is a POSITIVE Remedy.
