

In purchasing or ordering goods, or in making inquiry concerning anything advertised in this paper, you will confer a favor on the publisher, as well as the advertiser, by stating that you saw the advertisement in THE KERSHAW GAZETTE.

A PERSONAL MATTER.

I cannot very much against our wish to be called into a personal affair in which everybody has an interest, and especially when we have to avail ourselves of newspaper columns to let the people know where they can save money in buying dry goods, clothing, carpets, boots, shoes, and in fact anything in ladies' or gents' furnishing goods.

THEY MEAN BUSINESS.

The railroad meeting held at Salem Church, just beyond the Kershaw and Lancaster line, on the 3rd instant, appears to have been composed of earnest, thinking and determined men.

WANTED.

We want a man in the midst of an able and well-studied affairs upon the German and Spanish governments, and have the article headed: "The German and Spanish Embargos," but we did not follow in the last issue of the Kershaw Gazette, and we feel constrained to take Brother Peety's advice, and withhold it from our columns.

IN THE WRONG TRACK.

Mr. W. P. Caskey was mistaken on Friday last, in his estimate of the value of the cotton crop in this section. He estimated it at 100,000 bales, but it is now estimated at 150,000 bales.

OUR BUSINESS WILL EXCISE.

We are glad our readers will excuse the absence of our reading column this week. A newspaper is supported principally by its advertising patronage, and THE GAZETTE is proud to do this week among its valued patrons.

MORTGAGE SALE OF LAND.

A mortgage of the power contained in a mortgage executed by Mathis McDowell to the Kershaw Gazette, bearing date the 14th day of August, 1885, and recorded in the office of the Register of Deeds in Kershaw County, South Carolina, in book 8, K. of page 141.
