WASHING CLOTHES

WITHOUT RUBBING, BOIL-

READ! READ! READ!

WHAT we claim for it, and guarantee that

it is the best Soap ever invented for Wash-
ing purposes;

1. Best, because there is no wood used.

2. Best, because it dispenses with the wash-
board, as it requires no rubbing.

3. Best, because it saves one-third the Soap and
can be made by any lady in fifteen minutes.

4. Best, because it costs not exceeding \$6
per year for the chemicals, and there is no pos-
sible chance of injury to the clothes, as any one
will say who has the right.

5. Best, because printed ink, coach grease,
or dirt and grease of any kind can be removed
without the slightest injury to prints or texture;
and the most delicate lady can accomplish a
day's washing in an incredibly short time,
cleaner than by boiling, and there is no neces-
