Stop the Thief.

STOLEN from the subscriber on the night of the 30th ult. a single case, spring cap GOLD WATCH, numbered in the case 825, the glass fixed in with points, on account of the bizer being thin.

I have good and sufficient reasons for believing that said watch was stolen by John D. Munroe, a Brick-layer by trade, who has been working for some time in the neighborhood of Camden and in Sumter Dist. I e is about 25 years old, 5 feet 6 inches high, will weigh 13, or 140, a red face black hair and has an impediment in his speech, and says he is a native of New York. I will give a liberal reward for the recovery of the watch and the detection of the thief, with proof to convict him.
