sud, and many mourn over the desolution that this despoil-er of the threshold has occasioned. As a preventative and positive cure for ASIATIC CHOLERA and all other af-fections of the Stomach and Bowels, DR. KEELER'S CORDIAL holds out the greatest promises. There is no deception in this remedy, it is capable of grappling with the severest forms of disease, and in all cases triumples. I say it unhesitatingly, and I challenge investigation, that there is not known within the ample folds of the MATERIA MEDICA, nor by the wide spread public, a single remedy, that will under all circumstances cure one half as many cases of Summer Complaints as the Cordial. The pro-prietor asks a careful perusal of the following letter from a gentleman, well known in this city. Had this ARTICLE been used, many whose bones lie bleaching on the plains of Mexico, would now be among kindred and frienda. Alas! for the bigotry of medical boards and governmental favoritism.

READ THE FOLLOWING TESTIMONY. Philadelphia, June 1st, 1849. Dr. J. N. Keeler: Dear Sir-I received your note this morning asking for information as to the distribution I made of the package of Cordial you put into my posses-sion while in command of the United States Transport during the Mexican War. According to your directions a part was distributed in Vera Cruz, the other I kept for the use of my scamen and others on board, helleving I should have use for it as I had on beard frequently from one to three hundred persons, and that many on leaving Mexico would be on the sick list. Such was the fact, Dysentery. Diarrhoea etc. extensively prevailed. I used the Cordial freely and not in a single instance do I recollect of its hav-ing failed to completely cure. My own crew would often be attacked with Diarrhoea, Dysentery, peculiar to nearly all after getting on shore and eating fruit and vegetables— in such cases the Cordial fulled in none to cure speedily. I mentioned having a bottle or so of your Cordial—he sent it to him and in a few days I had the pleasure of seeing him on change and well. I can give you many names and testi-monials of the efficacy of your Cordial if necessary. I have given it to one Ship-master of this port in particular, (Capt. Whipple, ship Monegelala) and he informed me he would never be without it and from my own onlinion of it. would never be without it, and from my own opinion of it, I think it the safest and best medicine I ever used or have known to be used in affections of the Stomach and Boweis. CELEBRATED GERMAN BITTERS.

HAS NOT BEEN TOLD !! We the undersigned, having visited Mr. Isaac Brooks, Ir., at the office of Messrs. Rowand & Walton, 376 Mar-ket street, Phila, consider his case the most remarkable one we have ever witnessed or heard of. His disease was Scrofula, and tetrible must have been his twelve years' conflict with the destroyer! His Palate, the entire roof of his mouth, Nose, Upper Lip, and lower lid of the right Eye have been destroyed, his Face nearly eaten up, and part of the Jaw Bone carried away. And yet we can give no description of his case. Mr. B. informs us that in January last, the whole interior of his mouth, as well as most of his face, was a mass of deep and painful ulcers. On the 14th of January last, he commenced taking Dr. Cullen's Indian Vegetable Panneca, which checked the disease in a few days, and from that time the cure has pro-gressed without intermission. Their power over the above Diseases is not excelled --it alled-by any other preparation in the United States, as cures attest, in many cases after skilful physicians gressed without intermission. New flesh has supplied the place of the deep ulcers, and though badly disfigured, his face is sound and his generat health is restored. We are assured that in the treatment of Mr. Brooks

but constantly gains strength and vigor to the traine—a fact worthy of great consideration. The Bitters are pleasant in taste and smell, and can be administered under any cir-cumstances, to the most delicate stomach. Indeed, they can be used by all persons with the most perfect safety. It would be well for those who are much affected in the nervous system, to commence with one tea spoonful or less, and gradually increase. We speak from experience, and wide are of course, a proper judge. The press far and wide, have united in recommending the Geaman Bitters, and to the afflicted we most cordially advise their use.

Dr. Cullen's Indian Vegetable Pile Remedy Is a Domestic Preparation, which has been used with en-tire success for many years. Being an internal medicine, it has decided preference over outward applications, which are but platives, and not curatives. This medicine acts upon the diseased parts, producing healthy action, and a permanent cure-which we warrant, or refund the money. Wholesale and retail, by Rowand & Walton, proprietors, 21 N.
