Beauty Soon Fades. This is too true. Not only personal attractions, but all things beautiful, are at the mercy of Time. But, though beauty must fide at last, there is no renson why it should do so prematurely. No one who has a beautiful complex-ion should allow themselves to look old and faded hefore their time. They should therefore pay proper attention to the subject. and discarding all injurious preparations, washes, and soaps, use only JULES HAUEL'S NYMPH SOAP, or FAU DIVINE DE VENUS, (in a liquid state.) which will keep the skin beautifully fair, smooth, and healthy; or if the skin is discased, it will totaily eradicate all pimples, blotches, tan, freckles, sumburn, or other erup-tions, allaying all inflamination, and imparting to it a ra liall pimples, blotches, tan, freckles, sunburn, or other erup-tions, allaying all inflamination, and imparting to it a ra-inflamination, and imparting to it a ra-be injurione in their effects.
