the stomach, vomiting of bile and great depression of spirits,
CAN BE EFFECTUALLY CURED BY
DR. HOEFLAND'S
CELEBRATED GERMAN BITTERS,
PREPARED BY
DR. C. M. JACKSON,
AT THE GERMAN MEDICINE STORE,
120 Arch Street, Philadelphia.

Their power over the above diseases is not excelled, it
equaled, by any other preparation in the United States,
as the cures attest, in many cases after skillful physicians
had failed.

The Bitters are worthy the attention of invalids. Posses-
sors of great virtues in the rectification of diseases of the
Liver and lesser glands, exercising the most searching
powers in weakness and affections of the digestive organs,
they are, without, safe, certain and pleasant.

READ AND BE CONVINCED.
Chas. Robinson, Esq., Easton, Md., in a letter to Dr.
C. M. Jackson, Jan. 9, 1850, said—

"My wife and myself have received more benefit from
your medicine than any other we have ever taken for the
Dyspepsia and Liver disease."
"The Truth Legion," published at Woodstock, Va.,
Jan. 10, 1850, said—

"A GREAT MEDICINE"
"We have uniformly refrained from recommending to
the public any of the various Patent Medicines of the day,
unless thoroughly convinced of their value. Among those
we consider worthy of notice is the German Bitters, inven-
ted by Dr. Hoefland, and prepared by Dr. Jackson, in Phila-
delphia. One instance in particular, in which the super-
ior virtues of this medicine have been tested, has fallen
under our observation. During the last summer, a son of
Dr. Abraham Brabill, of this country, was very seriously
afflicted with Liver Complaint, and after trying in vain
various remedies, he purchased a bottle of the Bitters, and
after using it, was so much relieved of his distressing
sufferings that he procured another bottle, and is restored entire-
ly to health."

READ FURTHER A FEW FACTS.
The Philadelphia Democrat, the leading German jour-
nal of Philadelphia. The editor said, Nov. 24th—
"We again call attention to the removal of the German
Medicine Store, the principal depot for the sale of Dr. Hoef-
land's German Bitters, from 278 Race to 120 Arch street,
one door below Sixth. Owing to the increased demand
for this medicine, and for the accommodation of his nume-
rous patients, Dr. Jackson has been compelled to occupy a
larger store. We wish him success in his new quarters;
he is deserving of it. The Bitters Mixture is without doubt
the greatest medicine extant for diseases of the Liver and
Kidneys. A stubborn case of Chronic Diarrhea has come
under our notice, wherein the patient had exhibited the
Narrowed Channels of the different schools of medicine with
unpromising results. He was induced to use these Bitters,
and a few bottles of them have entirely cured him. Many
such cases we could refer to. We hope our readers will
recognize this great restorative, should they be so unfortu-
nate as to require its use. Dr. Jackson possesses the origi-
nal unpublished receipt of Dr. Hoefland, and he prepares
this medicine with the care of those who should care
for the honor of their name. His name is written upon the
wrappers outside, and blown in the bottle, as imitations
of all good articles are common."

Judge M. M. Noah, a gentleman with great scientific and
literary attainments, said in his "New York Weekly Mes-
senger," Jan. 4, 1850—
"Dr. Hoefland's GERMAN BITTERS.—Here is a pre-
paration which the leading presses in the Union appear to
be unanimous in recommending, and the reason is obvious.
It is made after a prescription furnished by one of the most
celebrated physicians of modern times, the late Dr. Chris-
topher Wilhelm Hoefland, Professor to the University of
Jena, Private Physician to the King of Prussia, and one of
the greatest medical writers Germany has ever produced.
He was emphatically the enemy of humbug, and therefore
a medicine of which he was the inventor and endorser may
be confidently relied on. He specially recommended it in
Liver complaint, dyspepsia, debility, vertigo, acidity of the
stomach, constipation, and all complaints arising from a
disordered condition of the stomach, the liver and the in-
testines. Nine Philadelphia papers express their conviction
of its excellence, and several of the editors speak of
their own individual experience. Under these circumstances
we feel warranted not only in calling the attention of our
readers to the present proprietor's (Dr. C. M. Jackson's)
preparation, but in recommending the article to all afflicted."

MORE EVIDENCE.
The Philadelphia Saturday Gazette, the best family
newspaper published in the United States, the editor says
of Dr. Hoefland's GERMAN BITTERS—
"It is not only the confidence and patronage. Four read-
ers of this paper, when we recommended Dr. Hoefland's
Bitters, were with it to be dispensed, and we understood that
we were not speaking of the instrument of the day, that are
made about for a brief period and then forgotten after they
have done their guilty race of mischief, but of a medicine
long established, universally prized, and which has met
the hearty approval of the Faculty itself."
Evidence upon evidence has been received (like the
forgoing) from all sections of the Union, the last three
years, and the strongest testimony in its favor, is that there
is none of its use in the practice of the regular Physicians
of Philadelphia than all other restoratives combined, a fact
that can easily be established, and fully proving that a
remedy prepared on will meet with their quiet approval
when presented when in this form.

"That this medicine will cure liver complaint and dyspep-
sia, no one can doubt after using it as directed. It acts
specifically upon the stomach and liver—it is preferable to
all other remedies in these diseases—the effect is immediate.
The cure is administered to female or infant with safety
and reliable benefit, at any time."

Beware of Counterfeits.
This medicine has obtained that high character which
is necessary for all medicines to attain to induce coun-
tless to put forth a spurious article at the risk of the lives
of those who are innocently deceived.
LOOK WELL TO THE MARKS OF THE GENUINE.
They have the written signature of C. M. JACKSON
upon the wrapper, and the name blown in the bottle, with-
out which they are spurious.

DR. ROGERS' COMPOUND SYRUP OF
LIVERWORTAN TAR,
For the cure of Consumption and all Diseases
of the Lungs and Breast.
FROM DR. HIRAM COX,
Late Professor in Cincinnati Eclectic Medical
College

Mr. A. L. Scovill: However reluctant I have
been to permit my name to be attached to patent
medicine, I consider it a duty to the community to
state that in three cases of incipient consumption,
viz: Miss Bell, Miss Barger, and Mr. R. H. Cox,
one of our City Council, that Dr. Rogers' Liver-
wort and Tar operated more like a specific than
like any other remedy, that I ever used. One of
the cases, viz: Miss Bell, pronounced by several
Physicians to be laboring under the last stage of
Scrofulous Consumption. She is now in good
health, from the use of a few bottles of the above
syrup.
HIRAM COX, M. D.

Cincinnati, Jan. 25, 1847.
FROM THE HON. JUDGE HENRY MORSE.
Mr. A. Scovill: I am well acquainted with Dr.
Hiram Cox and his practice, he having been my
physician for many years, and can cheerfully say
that I have as much confidence in his skill as any
man living.
HENRY MORSE.

Cincinnati, Nov. 8th, 1847.
Despair not though your Physicians and Friends
give you up to die!!!
Your condition cannot be more helpless than that
of Mrs. Rowe.

This is to certify that I was taken with a pain in
my side and breast, attended with a distressing
cough, and for the space of one year grew rapidly
worse. Although I had in attendance three phy-
sicians, one of whom was considered very skillful,
all of their efforts proved alike unavailing. At
last one of the physicians came in, and decided that
I could not live more than one day longer! All
of my friends believed that a few days at most
would end my earthly career.

My brother at this crisis, hearing of the astonish-
ing cures made by Dr. Rodgers' Liverwort and
Tar, went to Chillicothe, distant thirty miles, to
procure the above medicine; and, strange to tell,
before I had used half a bottle my cough was en-
tirely cured, and when I had used two bottles I
was able to attend to my family vocations as usual.
HARRIET ROWE.

Mr. Merriweather writes as follows:
Mr. A. L. Scovill, Dear Sir.—Dr. Rogers' Liver
wort and Tar came safe to hand. I have sold a
number of bottles. I have met with great success.
A young man of this place, supposed to have the
consumption, has been entirely cured.
B. MERRIWEATHER.

Denmark, Tenn., June 30, 1848.
The following certificate from one of the most dis-
tinguished physicians in Cincinnati, is entitled to great credit:
I feel constrained from a sense of duty to make the fol-
lowing statement, concerning that it may appear unprofes-
sional. Mr. Charles Wade, of this City, was quite low
with Pulmonary Consumption, for which I had been
treating with less than usual success. At his request,
and that of his friends, I permitted him to try Dr. Rogers'
Liverwort and Tar; and I must confess that its effects
were really surprising. After using the second bottle my
visits were discontinued, and he was soon restored to
health. I do conscientiously recommend my brother prac-
titioners to prescribe this remedy in all pulmonary com-
plaints which baffles the ordinary mode of treatment.

A RESCUE TO THE AFFLICTED.
THE CELEBRATED
JEW DAVID'S
HEBREW PLASTER.

A certain remedy for all fixed pains in the Side, Chest
Lungs, Back, Bowels, Muscles, Rheumatism in all its
various forms, Nervous Affections, Lung and Liver Com-
plaints, Spinal Affections, Female Weakness, &c. &c.
For the above complaints this plaster has no equal.
The great celebrity which it has already acquired, not only
in the old, but in the new world—the extraordinary
cures it has performed in the most extreme cases of suffer-
ing, have acquired for it such a reputation, that the pro-
prietor has not—and recently—been able to supply half
the demand.

The sales throughout every City, town and village in
the United States, are without a parallel!
A circumstance not surprising, when the vast amount of
human suffering relieved by its use is considered. In spi-
ritual defects, the benefit usually is of the most decided
character. In Nervous Complaints, nineteen cases out of
twenty readily yield to the penetrating stimuli combined
in this valuable preparation.

In Rheumatism, either acute or chronic, the claims of
the Hebrew Plaster have long since been universally re-
cognized. Those who are laboring under weak backs,
no matter from what cause the weakness may have origi-
nated—even if such persons have been misguided in pre-
vious applications—in the use of the Hebrew Plaster they
will find the afflicted part suddenly restored to its origi-
nal soundness.

As a supporter in cases of constitutional weakness it will
be found of great advantage. It is particularly recom-
mended to females who are suffering from undue weak-
ness, or general debility. In short, it embraces all the vir-
tues which the most scientific mind was capable of com-
pounding from valuable substances found in the old world
and will be found entirely free from those objections
which are a source of complaint with the numerous spread-
plasters now before the public.

Where this Plaster is applied, pain cannot exist.
These Plasters possess the advantage of being put up in
air-tight boxes, hence they retain their full virtues in all
climates. We have just received the following testimo-
nial from C. C. Sellers, an eminent lawyer in successful
practice in Wilcox county, Alabama. He is a gentleman
of high standing, and one whose influence has great
weight.
Camden, Ala., Nov. 21, 1848.

Messrs. Scovill & Mead: Gentlemen—Having been re-
quested to state what has been the result of my experience
by the use of your Hebrew Plaster, I cheerfully comply,
by saying that I have found it to be as heretofore recom-
mended, an invaluable medicine. In different cases of my
family I have applied the Plaster to chronic sores, tumors,
and pains, and it has never failed to afford instant relief.
I have also used it with a good effect upon my own person,
in the cure of ulcers, with which I have been severely
afflicted.
Respectfully, &c.,
C. C. SELLERS.

From the Spirit of the Times.

Dr. Keeler's Cordial and Carminative, is certainly a
valuable desideratum in every family, to the young and
to adult, but particularly where there are children. We
speak advisedly, because we have thoroughly tried it, and
prized its healing and efficacious properties in our family.
We would most cordially recommend the public to give it
a fair trial, which is only wanting to appreciate its value.
From the North American and United States Gazette,
Sept. 4th 1847.

In these days, abounding in fruit, it behoves every one
to be prepared with a remedy for the evil effects which it
sometimes produces—we have been told by those that
knew and who have tried it—that Keeler's Cordial is an
article which has been used in some of the severest cases
of Summer Complaint, both in infants and grown persons.
The Cordial can be procured at the corner of Third and
South Streets.

From Neal's Saturday Gazette August 28th 1847.
Dr. Keeler's Cordial.—We would call the attention of
our readers to this invaluable medicine, which will be
found advertised at length in our columns. As a correct-
ive in cases of Diarrhea, a disease very prevalent at the present
time, it is highly spoken of by all who have used it.—
It is perfectly safe in its nature, and we speak experi-
mentally, when we say that it affords immediate relief.

From the Pennsylvania Inquirer, Sep. 1st, 1847.
Dr. Keeler's Cordial and Carminative.—This article is
advertised in another part of our paper, it is warmly re-
commended by families who have tried it. It is especially
useful among children, and has effected hundreds of cures.
The doctor is abundantly supplied with testimony upon the
subject, some of which is very strong. The Cordial is not a
quack nostrum, but a carefully prepared medicine, and
perfectly free from any thing injurious.

From the Daily Pennsylvania, Sept. 16th 1847.
We are constrained to say that the "Carminative" of Dr.
Keeler's now extensively used in this City, is rapidly
making its way to public favor. Its ingredients are of a
course unknown, but it is mild in its operation, pleasant
to the taste, and readily quite as good as any now used for
the same complaints.

From the Daily News, July 15th, 1850.
Summer Complaint.—The season when this complaint
exists, is the best time for having it in their families.

We wish to direct the attention of the readers of this
paper to Dr. Keeler's cordial and Carminative, advertised

"TRUTH IS STRNGER THAN FICTION."

The attention of the reader is called to the following as-
tonishing cure, effected by the use of Sands' Sarsaparilla.
This is to certify that I have a colored woman
who has been afflicted for the last five years with
Scrofula, and all the remedies I used had no effect
in arresting the progress of the complaint; on the
contrary, she constantly grew worse; and after
expending between \$70 and \$80 with physicians,
besides using other popular remedies without suc-
cess, till the disease had eaten away the cartilage
of her nose, made its ravages in the roof of her
mouth.

In this dreadful situation, with the prospect of
death staring her in the face, I stated her case to
Dr. Disonay, the agent for Sands' Sarsaparilla in
Newbern, N. C., by whom I was advised to use
that article; and to my surprise and to that of my
neighbors, she was restored to perfect health, and
that in the space of three weeks and was able to
work in two weeks from the time she commenced
taking it.

In witness of the truth of this statement, I have
hereunto affixed my name, this 9th Sept., 1847.

SORE THROAT.

The following is an extract from a letter received
from Mrs. Bevan, who had been afflicted several
years with Scrofulous Ulcers, Dyspepsia, &c., and
recently an affection of the throat and chest.—
BAILEYSBURG, Va., Dec. 13, 1845.

Messrs. A. B. & D. SANDS: Before I com-
menced using your Sarsaparilla, my sufferings were
almost past expression; my throat was completely
ulcerated, I had a dreadful cough, and there were
frequently weeks together that I could not speak
above a whisper; and besides, the inflammation from
my throat extended to my head, so that my hear-
ing was very much impaired. After taking the
Sarsaparilla a short time, my health improved, and
my throat is now well; I am as fr e from cough
and tightness of the chest as ever I was, and can
hear quite distinctly. My throat has been well
about three months, the cure of which was effected
entirely by the use of your Sarsaparilla.

Your friend, LOUISA R. BEVAN.

Sarsaparilla, is from the Rev. Luther Wright,

Woburn, Mass., March 30th, 1846.
Messrs. Sands: Gentlemen—From what I have
experienced, and from the information I have re-
cently received from a number of persons of high
respectability who have used your Sarsaparilla, I
have not the least doubt but that it is a most val-
uable medicine, and that the numerous certificates
you have received of its efficacy are fully sustained
by experience, and although its reputation and uti-
lity are very extensive, and stand in no need of my
humble efforts to increase them, I want all who
are afflicted by disease to become acquainted with
the efficacy and power of your valuable medicine.
I am, gentlemen, gratefully and very respect-
fully yours,
LUTHER WRIGHT.
