

POETRY.

"DON'T STAY LONG."

How many a loving heart utters the refrain of the following lines, "don't stay long!" There is nothing in poetry in the phraseology, but there is in the touching manner in which the words frequently and gratefully...

A look of yearning tenderness Beneath her lashes lies, And hope and love unutterable Are shadowed in her eyes, As in some deep unruined stream...

MEMORY.—When the toils and fatigues of the day are over, who does not love occasionally to indulge in a review of by-gone years? No toil, no perplexity attends it. It is an exercise we reserve for an idle hour.

A lady says the first time she was kissed she felt like a tub of roses swimming in honey, cologne, nutmegs, and cranberries. She felt also as if something was running through her nerves on feet of diamonds escorted by several little cupids in chariots drawn by angels, shaded by honey-suckles, and the whole spread with melted rainbows.

Few ladies are so modest as to refuse to sit in the lap of luxury.

The way to get a good wife—get a good girl and go to a parson.

CHATELLER'S HAIR EXTERMINATOR!!

For Removing Superfluous Hair. To the ladies especially, this invaluable depilatory recommends itself as being an almost indispensable article to female beauty, is easily applied, does not burn or injure the skin, but acts directly on the roots. It is warranted to remove superfluous hair from low foreheads, or from any part of the body, completely, totally and radically extirpating the same leaving the skin soft, smooth and natural. This is the only article used by the French, and is the only real effectual depilatory in existence.

Forty varieties, with patent basso tenuto, or sub bass. AUTOMATIC AND SCHOOL ORGANS, FINISHED IN ELEGANT ROSEWOOD, WALNUT OR OAK CASES. Every Instrument Warranted for Five Years. NO CHARGE FOR BOXING OR SHIPPING. 40,000 NOW IN USE!

THE AUTOMATIC ORGAN.

In presenting the Automatic Organ, we boldly announce the greatest triumph in musical instruments of the age. During the past half century, the French and Germans have manufactured reed instruments with double bellows, and two pedals for the feet to operate; but the want of the reversed or exhaustion bellows, (which is the only bellows used in our instruments,) made it impossible for them to produce the mellow, rich and melodious tone for which our instruments are celebrated.

MELODEON AND SCHOOL ORGAN

For seventeen years the superior excellence of our Melodeons has not been questioned, and for two years past the enormous demand has made it impossible for us to meet our orders promptly. With our increased facilities their orders will be promptly met, and solicit a continuance of their patronage.

CAUTION TO PURCHASERS.

All of our instruments have upon the name boards, in full, "GEO. A. PRINCE & CO." When a dealer represents any other instrument as "the same as ours," it is usually a mere attempt to sell an inferior instrument, on which he can make a larger profit.
