

POETRY.

THEY SAY.

They say—Ah! well, suppose they do,
But can they prove the story true?
Suspicion may arise from nought
But malice, envy, want of thought;
Why count yourself among the "they,"
Who whisper what they dare not say?

They say—But why the tale rehearse,
And help to make the matter worse?
No good can possibly accrue
From telling what may be untrue;
And is it not a nobler plan
To speak of all the best you can?

They say—Well, if it should be so,
Why need you tell the tale of woe?
Will it the bitter wrong redress,
Or make one pang of sorrow less?
Will it the erring one restore,
Henceforth to "go and sin no more?"

They say—O! pause, and look within,
See how thy heart inclines to sin!
Watch, lest in dark temptation's hour,
Thou, too, should sink beneath its power;
Pity the frail, weep o'er their fall,
But speak of good, or not at all!

"Am I not a little pale?" inquired
a lady, who was short and corpulent,
of a crusty old bachelor. You look
more like a big tub!" was the blunt
reply.

An Arkansas Colonel had the following
order for mounting his men:
First order—Prepare fur ter git onto
yer creeters! Second order—Git.

A clergyman in New York created
a sensation by taking from his pocket
a morning newspaper and reading
the news, last Sunday, while in the
pulpit waiting for service time.

There cometh glad tidings of joy to all.
To young, and to old, to great and to small;
The beauty which once was so precious and
rare,
Is free for all, and all may be fair,

By the Use of

CHASTELLER'S WHITE LIQUID ENAMEL.

For Improving and Beautifying the Complexion.

The most valuable and perfect preparation
in use, for giving the skin a beautiful pearl-
like tint, that is only found in youth. It quick-
ly removes Tan, Freckles, Pimples, Blisters,
Moth Patches, Sallowiness, Eruptions, and
all impurities of the skin, kindly healing the
same leaving it white and clear as alabaster.
Its use cannot be detected by the closest scrutiny,
and being a vegetable preparation is perfectly
harmless. It is the only article of the kind
used by the French, and is considered by the
Parisian as indispensable to a perfect toilet.
Upwards 30,000 bottles were sold during
the past year, a sufficient guarantee of
its efficiency. Price only 75 cents. Sent by
mail, post-paid, on receipt of an order, by

REPARATOR CAPILLI.

Throw away your false frizzes, your switches,
your wig—
Destructive of comfort, and not worth a fig.
Come aged, come youthful, come ugly and
fair,
And rejoice in your own luxuriant hair.

REPARATOR CAPILLI.

FOR restoring hair upon bald heads (from
whatever cause it may have fallen out)
and forcing a growth of hair upon the face, it
has no equal. It will force the beard to grow
up on the smoothest face in from five to eight
weeks, or hair upon bald heads in from two
to three months. A few ignorant practitioners
have asserted that there is nothing that
will force or hasten the growth of the hair or
beard. Their assertions are false, as thousands
of living witnesses (from their own ex-
perience) can bear witness. But many will
say, how are you to distinguish the genuine
from the spurious? It certainly is difficult,
as nine-tenths of the different Preparations
advertised for the hair and beard are entirely
worthless and you may have already thrown
away large amounts in their purchase. T
such we would say, try the Reparator Capilli,
it will cost you nothing unless it fully comes
up to our representations. If your Druggist
does not keep it, send us one dollar and we
will forward it, postpaid, together with a re-
ceipt for the money, which will be returned
you on application, provided entire satisfaction
is not given. Address,

WHISKERS AND MUSTACHES!

FORCED to grow upon the smoothest face in
from three to five weeks by using Dr SEV-
IGNE'S RESTAURATEUR CAPILLAIRE, the
most wonderful discovery in modern
science, acting upon the Beard and Hair in
an almost miraculous manner. It has been
used by the elite of Paris and London with
the most flattering success. Names of all
purchasers will be registered, and if entire
satisfaction is not given in every instance, the
money will be cheerfully refunded. Price
by mail, sealed and postpaid, \$1. Descriptive
circulars and testimonials mailed free.

EXCELSIOR! EXCELSIOR!

CHASTELLER'S
HAIR EXTERMINATOR!!
For Removing Superfluous Hair.

To the ladies especially, this invaluable
depilatory recommends itself as being an al-
most indispensable article to female beauty.
It is easily applied, does not burn or injure the
skin, but acts directly on the roots. It is
warranted to remove superfluous hair from
the forehead, or from any part of the body,
completely, totally and radically extirpating
the same leaving the skin soft smooth and
natural. This is the only article used by the
French, and is the only real effectual depilatory
in existence. Price 75 cents per pack-
age, sent post-paid, to any address, on re-
ceipt of an order, by
BERGER, SHUTTS & Co., Chemists,
285 River St., Troy, N. Y.

CRISPER COMA.

Oh! she was beautiful and fair,
With starry eyes, and radiant hair,
Whose curling tendrils soft, entwined,
Enchained the very heart and mind.

CRISPER COMA,
For Curling the Hair of either Sex into
Wavy and Glossy Ringlets or Heavy
Massive Curls.

BY using this article Ladies and Gentlemen
can beautify themselves a thousand fold.
It is the only article in the world that will
curl straight hair, and at the same time give
it a beautiful, glossy appearance. The Cris-
per coma not only curls the hair, but invigorates,
beautifies and cleanses it; is highly and
delightfully perfumed, and is the most com-
plete article of the kind ever offered to the
American public. The Crisper Coma will be
sent to any address, sealed and postpaid for \$1.

ASTROLOGY!

The World Astonished
AT THE WONDERFUL REVELATIONS
MADE BY THE GREAT ASTROLOGIST,
Madame H. A. PERRIGO.

SHE reveals secrets no mortal ever knew.
She restores to happiness those who,
from doleful events, catastrophes, crosses in
love, loss of relations and friends, loss of
money, &c., have become despondent. She
brings together those long separated, gives
information concerning absent friends or
lovers, restores lost or stolen property, tells
you the business you are best qualified to
pursue and what you will be most successful
causes speedy marriages and tells you the
very day you will marry, gives you the name,
thickness and characteristics of the person.
She reads your very thoughts, and by her
almost supernatural powers unveils the dark
and hidden mysteries of the future. From
the stars we see in the firmament—the malefic
stars the overcome or predominate in the
configuration of the planets and the positions
of the planets and the fixed stars in the heav-
ens at the time of birth, she deduces the
future destiny of man. Fail not to consult
the greatest Astrologist on earth. It costs
you but a trifle, and you may never again
have so favorable an opportunity. Consultation
fee, with likeness and all desired infor-
mation, \$1. Parties living at a distance can
consult the Madam by mail with equal safety
and satisfaction to themselves, as if in person.
A full and explicit chart, written out, with
all inquiries answered and likeness enclosed,
sent by mail on receipt of price above men-
tioned. The strictest secrecy will be main-
tained, and all correspondence returned or
destroyed. References of the highest order
furnished those desiring them. Write plainly
the day of the month and year in which you
were born, enclosing a small lock of hair.

THE AUTOMATIC ORGAN.
In presenting the Automatic Organ, we
boldly announce the greatest triumph in mu-
sical instruments of the age. During the
past half century, the French and Germans
have manufactured reed instruments with
double bellows, and two pedals for the feet
to operate; but the want of the reversed or ex-
haustion bellows, (which is the only bellows
used in our instruments), made it impossible
for them to produce the mellow, rich and mel-
low tone for which our instruments are cele-
brated.

Another objection to this method of blow-
ing was, that both feet being occupied, no op-
portunity was offered for the management of
the swell. Within the past two years, instru-
ments constructed on this European plan, in-
stead of "double bellows" have been manufac-
tured in this country, and to counteract this difficulty
(want of a swell) a lever has been projected
from the centre of the instrument, to act on
the swell, and operated by the knee. The in-
convenience and contortion necessary to effect
this object, are disagreeable enough to a gen-
tleman, but to a lady the use of such an ap-
pendage is nearly impossible.

Our Automatic device obviates this diffi-
culty entirely, the simple act of blowing with
more or less force giving the desired increase
or decrease in the volume of the tone. We
predict for this invention a brilliant future.

MELODEON AND SCHOOL ORGAN
For seventeen years the superior excellence
of our Melodeons has not been questioned,
and for two years past the enormous demand
has made it impossible for us to meet our or-
ders promptly. With our increased facilities
we feel warranted in assuring our patrons
that their orders will be promptly met, and
solicit a continuance of their patronage.

GEO. A. PRINCE & CO.

CAUTION TO PURCHASERS.
All of our instruments have upon the name
boards, in full, "GEO. A. PRINCE & CO."
When a dealer represents any other instru-
ment as "the same as ours," it is usually a
mere attempt to sell an inferior instrument, on
which he can make a larger profit.

gymen and schools. Address
