

OBITUARY.
LESLIE McCANDLESS, infant son of W. L. and FRELLOVE P. DePASS, departed this life August 26th 1869, aged seven weeks.—
 "Of such is the kingdom of Heaven."
 Weep not for me, the infant said,
 To sobbing parents round his bed,
 For Jesus calls me to his breast,
 Where little children all find rest.
 Stay, innocent, O, stay a while,
 Nor take from us thy seraphic smile.
 The baby gazed with eyes so bright,
 Then winged its way to realms of light.
 There round the throne in count'ess throng
 He chants in noblest, sweetest song
 To Him, who washed him in his blood,
 And crowned him thus an heir of God.
 How often in his blessed estate
 He'll pause, and lean o'er Heaven's gate,
 Urging those parents in their strife,
 To gain the realms of endless life.

Seegeers' Unadulterated Ale
AND LAGER BEER,
 LAGER BEER containing Coppers, and the latest adulterations discovered in New York. Professor MAPES, of New York, analyzed the BEER from a dozen different Breweries, and all were found adulterated with noxious substances. It is said that the sale of drugs in Breweries is a profitable part of the trade. This is perfectly innocuous—Cocculus Indicus (fish-berry) Nux Vomica, dog button, from which Strychnine is obtained, are some of the deleterious substances found in BEER. These are potent poisons and the Brewer found using them should be drawn at once in one of his own rats. I shall continue to make a HEALTHFUL BEVERAGE, so that it may be drunk by the most delicate without the least danger.
