M. BISSELL,
Dentist,

WOULD call the attention of those requiring their Teeth filled to a COMPOSITION, FILLING that he prepares and has used for the past ten years, as it can be used for the past ten years where the teeth are so far decayed as to prevent their being filled with any filling requiring pressure. As it approaches nearer the color of the teeth than Foils, it will be found satisfactory in filling the badly decayed front teeth, avoiding the unsightly appearance of the foil showing through the thin plate of enamel. Being nearly as hard as the bone of the teeth it will prove serviceable in the masticating surfaces of many teeth. Teeth filled several years since have been found within a few weeks in nearly as good a condition as when first filled.

Charges for filling with gold, tin, or artificial Dentine from 50 cents to \$2, and teeth inserted on GOLD, SILVER or VULCANITE, from \$2 to \$8.

GRAND COMBINATION
OF THE TWO
Leading Life Insurance Companies,
THE PIEDMONT
AND
ARLINGTON,
Of Richmond, Va.

Assets, \$1,500,000
Policies issued in two years, over 8,000

The Officers of the above Companies beg leave to return thanks to the public for their very liberal support, having enabled them to make such rapid strides—meet with such solid success, and would inform them that for many reasons deemed politic and prudent, these two Companies have combined in one by the name above, and will in future issue policies as a new Company.

The Advantages of the Piedmont and Arlington.

It is confined to LIFE INSURANCE, only, and does not mix with the uncertainty of other business.

The rights of Policy Holders will not be changed, but in every regard, remain as though the old Companies existed. Renewals of old Policies will be on the name of new Company as authorized by respective Directors of "THE PIEDMONT AND ARLINGTON," and the rates and loans and rights of all remain intact as in old policies.

It has no useless restrictions on residence or travel; fully provides for the non-fermeture of its policies and places all on fair equality as to occupation.

It has declared a dividend to its Policy Holders, the first Eighteen months of 40 per cent, and will pay dividend on ALL CASH POLICIES at the end of the first year.

The late war taught many the heavy penalty of being separated from the Home Office by the Companies forfeiting what had been paid and refusing to reinstate the policies THE PIEDMONT AND ARLINGTON provides against this IN HER POLICIES, and all who may, by any mishap or revolution, be separated from the Office, the right to reinstate policies within one year after intervening cause is removed, or to be ENTITLED TO SAME RIGHTS AS TO NON-FORFEITURE, AS THOUGH THE HINDERING CAUSE had never existed, at the option of the insured, so that no contingency can take from her POLICY HOLDERS their just rights. THIS IS DONE BY NO OTHER COMPANY.

It has paid all its losses promptly, without waiting for the NINETY days grace, and has never contested a claim.

Parties contemplating insuring, are requested to examine our policies and compare them with other companies before insuring.

The COMPANY has determined to establish a BRANCH OFFICE in SOUTH CAROLINA with President and Directors selected from Policy Holders of this State, which will give you all the advantages of a HOME INSTITUTION as all the Premiums received, will be left here and invested in your own State.

The "PIEDMONT AND ARLINGTON" issues Policies on the Ordinary Life, Ten Annual Payment, Five Annual Payments, Single Payment, Endowment, Joint Life, Children's Endowment, Return Premium, or any Table used by other Companies.

FINAL NOTICE.
ALEX. L. McDONALD, the old Judge of Probate, is very desirous to collect his out standing fees of office. It is not altogether that he truly wants them, but that he actually needs them. He has been waiting patiently with people year after year, crop after crop, and with some on broken promises until he has ultimately come to the conclusion that long continued and protracted indulgence ceases to bear the appellation of being termed a virtue. Personally, I will be on DeKalb Street until the last of November next. All or any in arrears with me for fees can call and settle their respective dues by cash, or if cash be not immediately at command, by giving a negotiable note for a short season. All my accounts not settled by the last of November, I will place them in the hands of legal officials for collection.
