The Great Medical Discovery!

DR. WALKER'S CALIFORNIA
WINEGAR BITTERS.

Hundreds of Thousands Bear testimony to their wonderful Curative Effects.

WHAT ARE THEY?

They are not a vile
FANCY DRINK,

made of Poor Rum, Whiskey, Brandied Spices, and Refuse Liquors, as some of the "Fancy" drinks are, but a pure and healthful beverage, containing the most valuable medicinal ingredients, and being a perfect and reliable remedy for all the diseases of the system, and restoring the blood to a healthy condition. No person can take these Bitters, according to directions, and remain long unwell.

\$1.00 will be given for an incurable case, provided the bottle is not destroyed by natural causes or other means, and the vital organs are not beyond the point of repair.

For Indigestion and Obstruction of the Stomach, Dyspepsia, or Indigestion, Biliousness, and Intermittent Fevers, Diseases of the Liver, Kidneys, and Bladder, these Bitters have been most successful. These cases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They invigorate the stomach, and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Dyspepsia or Indigestion, Diarrhoea, Pain in the Shoulders, Combs, Headache, Dropsy, Diseases, Sour Stomach, Bad Taste in the Mouth, Nausea, Stomach, Palpitation of the Heart, Copious Discharges of Urine, Pain in the region of the Kidneys, and a hundred other painful symptoms which are the workings of Disease, are cured by these Bitters.

These Bitters will cure you when you find its impurities lurking through the system in Pimples, Eruptions, or Sores, cleanse it when it is foul, and your feelings will be when you know the blood pure and the health of the system will follow.

WIND, TAPE, and other WORMS, lurking in the system, and causing all kinds of actuality, are cured and removed.

For full directions, read carefully the circular enclosed in each bottle, printed in four languages—English, German, French, and Spanish.

Goshen Butter.

A Superior Article of Goshen Butter, just received at

KIRKLEY'S.

A Puzzled Dutchman.

A Wisconsin paper tells the following good story: "One who does not believe in immersion for baptism was holding a protracted meeting and one night preached on the subject of baptism.— In the course of his remarks he said, some believe it necessary to go down into the water and come up out of it to be baptized. But this he claimed to be fallacy, for the proposition 'into' of the Scriptures should be rendered differently, for it does not mean into at all times. "Moses," said he, "we are told went up into the mountain, and the Saviour was taken into a high mountain, &c. Now, we do not suppose that either went 'into' a mountain, but into it. So with going down into the water; it means simply going down close by or near to the water, and being baptized in the ordinary way, by sprinkling or pouring."

He carried this idea out fully, and in due season and style closed his discourse, when an invitation was given for any one so disposed to arise and express his thoughts. Quite a number of his brethren arose and said they were glad they had been present on this occasion, that they were pleased with the second sermon they had just heard, and felt their souls greatly blessed. Finally, a copious extraction, a stranger to all, arose and broke a silence that was almost painful, as follows:

"Mister Brecher, I wish so glad I wish here to-night, for I have had explained to my mind some things that I never could believe before. Oh, I wish so glad that I do not mean into at all, but that I should be near to, for I can believe much things yet I could not believe before. We read, Mister Brecher, that Daniel was cast into ten of lions, and came out alive! Now, I never could believe that, for he would have perished if he had not been cast into a den that was full of lions. He was cast into a den that was full of lions, and he came out alive! Now, I wish so glad I wish here to-night, for I have had explained to my mind some things that I never could believe before.
