Fire.

On Monday afternoon last, about half-past four o'clock, the chimney of the jail caught fire which communicated to the shingles on the roof by the sparks, the wind blowing very freshly.

One of the fire engines which happened to be practicing just at the time, soon repaired to the spot, and succeeding in extinguishing the flames before any damage had been done. It was very fortunate that the engine was out and ready for work.

Death of an Estimable Citizen.

Col. Wm. Drakeford died on Monday last, at his residence at Flat Rock. At his particular request, he was buried by his brethren of the Masonic Fraternity, on yesterday, aged 83 years. His death is mourned by many relatives and friends.

Rail Road Meeting.

We publish elsewhere, an account of a meeting held in Charlotte, N. C., for the purpose of devising the ways and means of building a Rail Road from Charlotte to Savannah, Ga., via Lancaster and Camden, S. C.

We invite the attention of our readers to its perusal.

Fertilizers.

The attention of Farmers and Planters will be attracted by our supplement, containing the advertisement of the Fertilizers sold by Messrs. G. W. WILLIAMS & Co. It will be seen that a reduction in price has been made.—W. C. GERALD & Co., Agents, Camden, S. C.

Etiwan Fertilizer.

It will be by reference to their advertisement, that a considerable reduction has been made in the price of this popular Fertilizer.

Boyner & Co., Publishers Parkersburg, Pa.

Rural Carolinian

Ever fresh, ever vigorous, we greet the Rural Carolinian each month, as one of the pleasantest and most profitable of our agricultural exchanges.—The articles this month (March) are of especial interest. Col. D. H. Jacques, the managing editor, by his excellent judgment in selecting from his immense correspondence, as well as by his own valuable contributions, continues to make the Rural Carolinian the best magazine of its class in this country. Messrs. D. L. DeSaussure & Co., are agents for Kershaw County.

BLYTHEWOOD INSTITUTE. Male and Female.

LOCATION. This Institute is located in FARMFIELD COUNTY, about three-fourths of a mile from DOKO STATION, on CHARLOTTE AND COLUMBIA RAILROAD, in one of the most pleasant and healthful sections of the State. Its rural retirement, together with the absence of all those diversions, excitement and temptations, incident to towns and cities, admirably adapts it as a place for moral and mental culture. The moral and religious tone of the community is of the highest order. Ecclesiastical and Sabbath School privileges are abundant. COURSE OF INSTRUCTION. The Course will be both thorough and practical; embracing such studies as are essential to the proper training and development of the mind, and to fitting it for the higher aims and responsibilities of life. DISCIPLINE. The Discipline of the School, while it consults the welfare and happiness of pupils is positive and unyielding. Prompt and unhesitating obedience to all rules and regulations is required. SCHOLASTIC YEAR. The Fourth Scholastic Year, embracing two Sessions of twenty weeks each, will commence on the FIRST MONDAY IN FEBRUARY NEXT and close the 30th of NOVEMBER allowing a short vacation during the latter part of the Summer. TERMS PER SESSION, IN ADVANCE. Board, including fuel, lights and washing, and tuition in all the usual branches. \$100 00 TUITION, PRIMARY.....12 50 TUITION, ACADEMIC.....15 00 TUITION, COLLEGIATE.....20 00 MUSIC, with use of Instrument.....20 00 FRENCH.....15 00 Pupils are charged from time of entrance to close of Session. No deduction will be made except in cases of protracted sickness. Pupils are required to furnish their own bed linen, covering and towels. For further information address W. S. DURHAM, Principal, Doko, S. C.

ETIWAN GUANOS, SOLUBLE MANURES,

AND SULPHURIC ACID, MANUFACTURED AT THE ETIWAN WORKS, CHARLESTON, S. C. BY THE SULPHURIC ACID AND SUPERPHOSPHATE COMPANY.

THE new well-known ETIWAN GUANO is manufactured from the Native Bone Phosphates of South Carolina. These Phosphates in their natural state are Insoluble, and require to be ground to powder, and made Soluble by Sulphuric Acid. This Company have now in operation the largest Sulphuric Acid Chambers at the South, and are, therefore, able to manufacture at the lowest rates, the highest grade of Fertilizers; it being clear that the greater the proportion of Soluble Phosphate which any Fertilizer contains, the less the quantity required per acre. In order to make the Fertilizer complete, Ammonia and Potash in sufficient quantities are added. With these views the Company manufacture and offer for sale

ETIWAN GUANOS, Warranted to contain from 15 to 20 Per Cent. of Dissolved Bone Phosphate of Lime, and from 2 to 2 1/2 per cent. of AMMONIA, with a sufficient addition of PERUVIAN GUANO and POTASH, to adapt it to all crops. Price \$55 per ton, cash; on time, \$60 per ton, and interest 7 per cent. per annum.

Dissolved Bone, Of high grade, suitable for Manufacture or for Planters being in itself an excellent Fertilizer, and specially adapted for composts. As large quantities of Sulphuric Acid are used to dissolve the Phosphate, this will be found a cheap and convenient way to transport the material. The grade furnished will be from 16 to 20 per cent. Dissolved Bone Phosphate. Price \$40 per ton cash. On time, \$45, with interest at 7 per cent. per annum. Still higher grades will be furnished to order, at an additional price per centage.

Compound Acid Phosphate, Specially prepared for composting with cotton seed and other plantation manures. Price \$35 per ton, cash; on time, \$40 with interest at 7 per cent. per annum.

GROUND BONE, At much lower rates, consisting simply of the Native Bone Phosphates ground to powder. Price \$20 per ton, cash. On time, \$22 and interest at 7 per cent. per annum. WM. C. BEE & CO., Agents, No. 14 Adger's Wharf, CHARLESTON, S. C.

D. L. DeSAUSSURE & CO., Agents, CAMDEN, S. C. N. B.—The per centage of Dissolved Bone Phosphate of Lime, and Ammonia in all the Etiwans, is ascertained at the Works by their Chemist, before delivery. Should any purchaser be dissatisfied, he may return average samples of any purchase, within thirty (30) days after delivery, and they will be analyzed anew, and any deficiency in the per centage guaranteed, will be made good to him by the Company. February 2. 22

KERSHAW In the Common Pleas. W. E. Johnson, Jr., Ex'or, and Ann his Wife, vs. R. J. Cunningham, et al. By virtue of an order made in the above cause, I will sell before the Court House in Camden, on the First Monday in March next, all the remaining interest, which the late Joseph P. Cunningham, deceased had, in the following described lands, viz: First, The Perry Tract, lying in the county of Lancaster, and containing Two Hundred and Fifty Acres, more or less; bounded North and West by Lands of D. W. Brown, East by Lands of Robert Cunningham, and South by Lands of John Mithgomery and Thos. F. McDow. Second, The Curry Tract, situated in the County of Lancaster, containing acres, and bounded by Lands of T. P. Ballard, on the north, by Lands of Wm. Cunningham, on the east, by Lands of Daniel Brown, on the South, and by Lands of John Perry on the west. The one half interest of Joseph P. Cunningham in said Tract was sold by Commissioner in Equity for Kershaw, on the first Monday in January, 1868. Terms, so much cash as will pay expenses of sale, and balance on credit until the 1st of January next, secured by bond and mortgage. Purchaser to pay for stamps and papers. J. D. DUNLAP, Receiver. WHANN'S RAW BONE SUPERPHOSPHATE

THE GREAT Fertilizer For Cotton and all Crops. The unparalleled success of this Great Fertilizer on ALL CROPS, proved to be the BEST and CHEAPEST Manure now offered in the market. It has been used by many of the most eminent Planters in the South, and in every single instance it has given Entire Satisfaction.

On COTTON its effects have been particularly marked. It is no rare thing for WHANN'S PHOSPHATE to increase the yield from ONE HUNDRED TO TWO HUNDRED PER CENT., or even more!

Mr. George C. Dixon, an eminent planter of Cameron, Ga., in a letter to the Banner & Planter, says that in an experiment with seven leading Superphosphates and Guanos, the WHANN'S proved itself the best of all those tried, paying a NET PROFIT at the low market rate of \$20 90 per acre of cotton. A copy of Mr. Dixon's letter furnished on application.

FOR SALE BY CLAGHORN, HERRING & CO., Charleston, S. C., and Augusta, Ga. Jan. 19. 8m.

REMOVAL. BAUM BROS., Having removed from their Old Stand, to their NEW, ELEGANT AND COMMODIOUS BUILDING

At the corner of Broad and Rutledge Streets. They would invite their friends and the public at large to examine the Recent Additions to their Stock, Which they have endeavored to render Corresponding to their Building. Thankful for past favors, we would ask a continuance of the same, confident that our patrons will be compensated for calling, by the REMARKABLY LOW PRICES At which we have marked our stock in consequence of the LATE DECLINE IN COTTON. BAUM BROS. Camden, Dec. 15.
