VINEGAR BITTERS  
PURELY VEGETABLE & FREE FROM ALCOHOL  
WALKER'S CALIFORNIA  
MILLIONS Bear Testimony to their Wonderful Curative Effects.  
Vinegar Bitters are not a vile Fancy Drink, Made of Poor Rum, Whisky, Froof Spirits and Liqueurs, but are composed of sweetened and purest of the grape, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and of all the Visceral Organs.  
FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.  
For Inflammatory and Chronic Rheumatism, Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermitent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.  
DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Congh, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the Regions of the Kidneys, and a hundred other painful symptoms are the off-springs of Dyspepsia.  
They invigorate the Stomach and stimulate the Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.  
FOR SKIN DISEASES, Eruptions, Tetter, Itch, Pimples, Blotches, Spots, Pustules, Dandruff, Boils, Carbuncles, Ring-Worms, Scald Head, Sore Skin, Erysipelas, Itch, Scuffs, Discolorations of the Face, Humors and Diseases of the Blood, the eyes, nose or ears, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.  
Cleanse the Vitiated Blood whenever you find it impure or impure, by the use of these Bitters. Lapses of the skin in Pimples, eruptions and sores, cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

PINK LAFLE, and other Worms, arising in the system of so many thousands, are effectually destroyed and removed.

We offer in the Piedmont and Arlington a solid and reliable Insurance Company, thoroughly Southern, in the hands of men of the highest integrity, with abundant assets, recent risks, the most secure of all investments, pledged to retain within the State of South Carolina all funds accruing thereon, and, indeed, presenting every advantage that can be desired.

We confidently appeal to every one interested in Southern prosperity to look to their own interests by sustaining their own institutions, and thereby establish that self-confidence, without which there can be no permanent prosperity. Bear in mind that already over \$10,000,000 are annually sent North for Life Insurance, taking so much from our strength and thereby giving additional power to our competitors.  
Right of party to non-forfeiture in all its politics. Rights of party to re-instatement paid up, policy, and surrender value where "intervention of armies" or any other cause cuts the insured, off from home office. This feature, omitted in policies of Northern companies, cost the Southern people very heavily in the late war, and should make them seek the only company that provides against such contingency in the future.

From an official exhibit, it is shown that the Piedmont and Arlington had a greater increase of business in 1869 over 1868 than any company on this continent. It shows that there were only three companies in the United States that issued more policies; also, that, with their accumulated risks of fifteen or twenty years old combined, this company, though young, stands preeminent in amount of risks in force.  
This exhibit, among over a hundred companies, makes the Piedmont and Arlington, the leading Life Insurance Company, at least of this country. It shows, not only progress, but caution and economy—its losses being light, its expenses small.
