SURVIVORS ASSOCIATION .- The members of the Kershaw District Survivor's Associa tion will come prepared to pay their annual dues, \$2.00 each, at the meeting of the 20th.

This is of the last importance. By order of the President. J. M. DAVIS, Sec. & Treas.

Mesers. GRIFFIN & HOFFMAN, NEWS-Mesers. GRIPPIN & HOPPMAN, NEWS-PAPER ADVENTANCE ASSETS. If: 4 SUMA Brees, East-THORE, MD., are duly authorized to contract for advertisements at our lewest rates. Advertisers in the lettly are requested to leave their favors with this house. This firm has exceptional facilities for plaring advertisements cheaply, and we take plea-ure in referring all who desire to advertise in out-of-tewn papers, especially those having real estate to sell—to these gratiement.

OUR NEXT ISSTE,-To enable the work men in our office to enjoy the Christmas holidays, our next paper will be issued on Wednesday morning. Advertisers will please hand in their favors before, or as early on Monday morning as convenient.

CHRISTMAS ADDRESS .- Our Carrier requests us to say that he will call on his friends and patrons on Christmas morning. Jimmie is a clever lad, and we hope that his call will be liberally responded to.

THE Temperance celebration, which was to have occurred to-night, has been postponed on account of the weather.

We are requested to give notice that a Scholarship, at the Confederate Home School in Charleston, has been provided for by the Survivor's Association, of Kershaw. The appointment will be given to the daughter of a deceased Confederate Soldier needing assistance to complete her education. Applications are invited to be sent in immeditely to Dr. A. A. Moore, Chairman of Committee. The Scholarship covers the expense of board, uniform and tuition.

ACCEPTED-REV. ROBERT THOMPSON, of Aiken, has accepted the call to the pastoral charge of the Baptist Church of this place, and will enter upon his duties on the first Sunday in January, next.

MALE ACADEMY .- Attention is called to the card of Mr. Jamison, principal of this Academy, in another column.

Town Taxes .- It will be seen by reference to an order of Council, published today, that the Treasurer is directed to keep his books open until the 10th of January next, for receiving returns of the taxable property of the town.

THE EXPRESS AGENCY .- We refer our readers to a notice in our advertising columns, which conveys to them the gratifying intelligence that Mr. James Jones, of the popular firm of J. & T. I. Jones, has been appointed Agent of the Southern Express Company at this place. He will deliver all packages promptly, and his store is in a very convenient situation for business men, we have no doubt that the appointment will prove satisfactory in every respect.

OUR RAILROAD AGENT .- Gen. R. H. Anderson has recently received the appoint. ments same time 620 bales. ment as Agent of the S. C. R. R. Co. at Camden, in the place of Mr. A. B. DeSaussure, promoted to the Agency at Colum-

We are sure that this appointment will gratify the General's numerous friends, and his well-known courtesy and competency will render it a source of satisfaction to all who may have dealings with him. We heartily welcome him among us.

Of Mr. DeSaussure, it is needless for us to speak. The fact of his promotion speaks volumes for him, and the exceedingly accurate and satisfactory manner in which he conducted his office is well known to all our

JUDGE R. B. CARPENTER.-We note with pleasure the election of this distinguished lawyer, to the Judgeship of the fifth circuit, which includes our County. He will probably hold Court here at the January term. Our people will recollect him as the Reform Candidate for Governor, in 1870.

We have been particularly fortunate in onr Judges. First Boozer, then Melton and now Carpenter. The people certainly have reason to congratulate themselves upon Judge Carpenter's election.

OUR TREASURER - AND - AUDITOB .- On Friday last, in Executives session, the Senate confirmed the appointments of Donald McQueen as County Treasurer and of James P. Boswell, late Sheriff, as County Auditor, thereby removing Capt. Samuel Place from the Treasurership and D. McQueen from the Auditorship.

We look very favorably upon these appointments and from the past conduct of these gentlemen while filling their former, offices, we do not doubt that the entire people of the County will derive great satisfaction from the manner in which they will fill these present public trusts. We also learn that this result is attributable, in a great measure, to the wworthy efforts of Sepator Cardoza, Can always be found at D. C. KIRKLEY'S

ANOTHER GIN HOUSE BURNED. + The Messrs. Baum had the misfortune to lose or Tuesday morning, the 10th inst their gin house, with about four bales of cotton and one thousand bushels of seed. The fire was accidental, it is supposed, as the hands were ginning at the time. The loss will amount to at least \$2,000, which will not seriously embarrass the Messrs. Baum.

Our list of burned gin houses grows larger every week.

А Сомговтавье Номе.—No man can have a comfortable home, especially in winter, when the winds find an opening between the sashes, under the doors and over the blinds. A door that will not open easily, a window that will not close, a sash that will not be raised—these are among the little things that spoil the happiness of millions. Avoid these and many other discomforts by patronizing the leading Manufacturer of Doors, Seehes and Blinds in the Southern States, Mr. P. P. Toale, of Charleston, S. C. Send for his price list.
