ISOOT, SHOE AND HAT STOCK

Is a leading feature of our extensive establishment. In this department we have inaugurated the system of "small profits and quick sales." We have determined to this offic customers the best goods, from responsible manufactures, at 25 per cent. This than inferior goods have been sold to them, and in consequence our sales now far sexceeds; any house in this line. You nee: only examine our stock to be convineed. Was sell shows at from 20 cents per pair upwards, but our Men's Brogans and Ladies' Shoes, at 81 to 81.25 per pair, will be found equal to anything offered at \$1.50 to \$1.75. We fully appreciate the hard times our Planters have had, between short crops and low price of cotton and are determined to do our share in easing the barthen by selling goods at such prices as will make a little money go a great way in supplying your wants.
