No More Mourning.

COLUMBIA, S. C., June 1st, 1877. - 12-10 A. M. To W. J. DeTreville, Orangeburg: - Found in at quarter past eleven.

We will write in memoriam next week.

How no quarters to your enemies. Those who voted against Dibble would kill if they dared to.

The colored men who voted against the white men and their interests ought to be marked.

Mr. John H. Livingston did good work at his poll for the success of Dibble.

County Auditor Van Tassel is the happiest man in the county. He worked like a man for Dibble. Three cheers for the Hamptonites.

The Hon. W. H. Reedish left his seat in Columbia and worked manfully at Branchville all day Wednesday for the election of Dibble.

White men, whence your apathetic conduct on election day? Do you intend to sleep this way upon your rights in future? God Almighty forbid it!

If you want fine summer drinks call at Capt. Briggman and ask for August. He puts them up in New York style and knows precisely how to cool a thirsty throat.

M. J. B. WHALEY - The speech of this gentleman on Thursday night was especially eloquent and illustrative. The Major is one of the finest orators in the State.

There is a merchant in Branchville who has the following placard above a mackerel barrel:

THREE MACKEREL FOR 5 CENTS. "Ye hungry souls be glad."

Rah! Rah! - One hundred and eighty-five Republican majority at Fours Chappel to forty-seven majority for Dibble. Hurrah for the rad, rad, radder!

COL. DETREVILLE - Is one of nature's noblemen. As chairman of the Commissioners of election he gave satisfaction to all parties. Col. DeTreville must be Solicitor of this Circuit. Charleston can't have all.

The Orangeburg Band is the best in the State. President Strauss is one of the liveliest men in the County. And Charley Hiram, the leader, is one of the best musicians in South Carolina.

If young men will gallant their sweethearts about in the beautiful moonshine, they should endeavor to avoid a collision of lips while on the sidewalk. Renneker's store is a silent but observant witness.

The oat crop is now being cut. From all sides we hear that it is plentifully satisfactory. With plenty of small grain, corn will be reduced in price and our people will become more independent. We want seasons now, however, for other crops.

RESULT OF THE ELECTION - Total number of votes polled 5,308, of which Samuel Dibble received 2,757 and David A. Straker 2,536 (votes reported defective by at Branchville poll 12) D. A. Straker received 2 H. D. Bunett 1. Capt Dibble's majority over Straker 221. Hurrah for Orangeburg.

Jeff Davis must have read Morton's letter with grim satisfaction, especially this sentence: "Should the North, by unhappy discord, be divided and thus fall prey to the solid Confederate South, rebellion will have been suppressed in vain, the fruits of the war lost and our last condition worse than the first." Mr. Morton really seems to think that the South will be victorious after all.

The Cincinnati Gazette, a Republican organ that once praised Reconstruction as the sum of all wisdom, now says: The foundation of a political party on a mass of ignorance and a recognition of race, founded chronic civil war. The making of the ignorant class the governing class was the surrender of States to degradation and spoliation." If Ohio Republicans should lose the negro vote, the State would go Democratic beyond a peradventure.

One of Orangeburg's fanciest young men was accidentally thrown into great confusion on Sunday last. He prides himself upon his mustache, and is very fond of stroking and pulling them. While going through this pastime on Sunday last one of his longest pets let go at the roots and clung to his finger. After church he said to a gentleman friend, "Say, see here, I was pulling my mustache just now and one of them came out, tell me, can you see the place?" The sweetheart of that fellow had better be particular.

THE PLACE - Occupying the attention of buyers just now more than any others is Inabinet & Smoak's. These thorough-going young merchants have, by attention to business, and dealing squarely with all their customers, established a reputation second to none in Orangeburg. Their goods are always first and or sale at living prices. They can also boast of one of the best saloons in Town, their wines and liquors being all fine and free from adulteration. Mr. E. Griffith attends to this department and always has a smile and a welcome for his friends. Call on Smoak & Inabinet.

JUDGE KNOWLTON - This distinguished gentleman will now devote his entire time to his profession. Having been Probate Judge for four years, and serving the whole people acceptably, he stands now in an enviable position. His administration as Judge of Probate has been a hardship to him, but a pleasure to his friends. And now, retiring as he is from that office, we feel authorized to extend to him the grateful thanks of the people of this County, and the wish that his future may be as happy, honorable and noble as his past conduct has been distinguished for virtue!

Major Knowlton heartily endorses the nomination of Mr. C. B. Glover, and is working for his election.

UNION SUNDAY SCHOOL PICNIC

We learn that invitations will be sent to-morrow, by the Methodist Sunday School, to the Sunday Schools of the different denominations, to unite in a Grand Union Pic-Nic, on Tuesday, June 12th, Through the courtesy of Supt. Solomons, the S. C. R. R. Company has tendered the use of the construction train for the day, rendering it unnecessary to provide vehicles of any kind.

The place selected is the beautiful grove of Col. A. D. Fredrick two and a half miles below the town.

The little ones are all looking forward to their annual frolic, and we like the plan of having a Union Picnic, in which all can join, much better than for each denomination to act separately.

We hope the committee who will have the management of the Picnic will go earnestly to work, and make it a grand success.

Gen. Logan, it is reported, will be appointed collector of customs at Chicago, Ill.

Dr. A. C. Dukes is giving away a handsome book entitled "Pearls for the People," containing much valuable information and many interesting articles. It also contains a history of the discovery of the "Hepatine," for diseases of the liver, dyspepsia, constipation and indigestion, &c., and gives positive assurance that when the Hepatine is used it effects a permanent and lasting cure of these diseases, which prevail to such an alarming extent in our country. Take the Hepatine for all diseases of the liver.

ADVICE GRATIS - The Hon. Alexander H. Stevens says: "The Globe Flower Cough Syrup has proven a most valuable remedy to me."

Gov. James M. Smith, of Georgia, says: "I shall always use it with perfect confidence, and recommend it to the public as a remedy which will afford that satisfaction experienced by me and mine. It excels everything for coughs, colds and obstinate lung affections."

Ex-Gov. Brown, of Ga., says: "He finds the Globe Flower Cough Syrup a most excellent remedy."

Such endorsement by our great and good men deserves the attention of the afflicted. Those suffering from cough, colds and lung affections should use the Globe Flower Cough Syrup. It will positively cure consumption.

For sale by Dr. A. C. Dukes.

WONDERFUL SUCCESS - It is reported that Boschee's German Syrup has, since its introduction in the United States, reached the immense sale of 40,000 dozen per year. Over 6,000 Druggists have ordered this medicine direct from the Factory, at Woodbury, N. J.; and not one has reported a single failure, but every letter speaks of its astonishing success in curing severe Coughs, Colds settled on the Breast, Consumption, or any disease of the Throat and Lungs. We advise any person that has any predisposition to weak Lungs, to go to their Druggists - and get this Medicine, or inquire about it. Regular size, 75 cents; Sample Bottle, 10 cents. Two doses will relieve any case. Don't neglect your cough when you can get the above remedy from Dr. A. C. Dukes.

Patients suffering for years from the various diseases of the Lungs, after trying different remedies, spending thousands of dollars in traveling and doctoring, have, by the use of a few bottles, entirely recovered their health. "WON'T GO TO FLORIDA." New York, August 30, 1874. DR. TUTT: Dear Sir: - When in Aiken, last winter, I used your Expectorant for my cough, and realized more benefit from it than anything I ever took. I am so well that I will not go to Florida next winter as I intended. Send me one dozen bottles, by express, for some friends. 123 West Thirty-first Street. Boston, January 11, 1874. This certifies that I have recommended the use of Dr. Tuttle's Expectorant for diseases of the lungs for the past two years, and to my knowledge many bottles have been used by my patients with the happiest results. In two cases where it was thought confirmed consumption had taken place the Expectorant effected a cure. H. E.
