LOCAL

We have had some rain during the week.

Dr. Hydrick's drug store is progressing rapidly.

Captain Post, the famous lightning rod man, is in town.

Some warm days during the past week.

Monday is the last day for making returns. Penalty after that.

It is claimed by some that Hayes' Southern policy will give Ohio to the Democrats.

Mr. John Schachte handed us a peach the other day measuring almost a foot in circumference.

It is rumored that a Receiver is shortly to be appointed for the South Carolina Railroad.

The Railroad managers promise to reduce price on freights shortly. This will be cheering news to our merchants.

Hayes refused to visit Blaine while on a visit to Maine, and the latter seems to have satisfaction as soon as the Senate meets.

Mr. Thomas Ruy has opened a blacksmith shop where Ernest Mentel used to work. We wish him success.

THE FIRST SALE—Of new cotton sold in town was brought in on Thursday by Mr. J. F. Way. It weighed 450 pounds and was bought by Messrs. Bull and Scovill at 11 cents per pound.

W. M. Sain maintains his reputation as a merchant by keeping constantly on hand a fine assortment of groceries. At Muller's old stand you can be accommodated by him to anything you want, and that at very low figures. Call on Sain.

Mr. W. H. Ferreydear was Chairman and Mr. J. S. Albergotti Secretary of the meeting to nominate Mayor and Aldermen.

After receiving the nomination of Alderman on Thursday night Wallace Cannon invited his friends down to Sain's where they found some thing good for the inner man.

The Floral Festival in which about thirty young ladies will appear comes off on Thursday evening at 8 o'clock at the Fair Building. A rare spectacular scene of beauty and fine music will be enjoyed.

Let all good men who desire harmony in our town give a cordial support to the ticket nominated on Thursday night last. It is impossible to satisfy everybody and under the circumstances we advise our friends to discountenance any opposition ticket.

What we want is low taxation, a good police force, and carefully worked streets.

In another column will be found a letter copied from the Journal of Commerce complimenting Judge Maher, of Barnwell, and suggesting him as a proper person to fill either a position on the Supreme Bench or on one of the Circuits. Judge Maher was an ornament to the Judiciary of the State while he sat on the bench and we hope soon to see him restored to a place where he can so well serve his State and people.

FAIR WILL—Soon be up in us and the public may look for the usually large supply of goods. Corners in buys up the latter part of each year. But even now, his store is overcrowded with many good things for the people. The accommodating Geo. Brunson is one of the indispensables at Cornelson's. He is always ready to oblige customers and has many friends in the county.

A MEETING—Four citizens for the purpose of nominating Mayor and Aldermen was held at the Engine Hall on Wednesday night last. It was largely attended and nominated the following ticket: For Mayor—J. W. Moseley. Aldermen—J. Wallace Cannon, J. S. Albergotti, J. F. Izlar, Charles Thorne.

This ticket will be triumphantly elected on the 16th prox.

BASE BALL—A match game of base ball was played on Thursday afternoon last by "picked nines" from our village. L. H. Wannamaker and P. G. Cannon headed their respective sides, and manifested much interest in the game.

The score at the end stood as follows: Wannamaker's nine, 23, and P. G. Cannon's 21. Julius Glover, Esq., acted as Umpire and gave entire satisfaction.

TARGET SHOOTING—A small number of crack shots of the Edisto Riflemen indulged in the fine sport afforded by the above exercise at the river on Thursday afternoon last. The shooting was first-rate and established the fact that L. W., P. G. W., W. H. P., and others, know exactly how to handle those captured Remingtons. We took a shot or two, which of course afforded amusement to our friends. Go on gentlemen, and get up a shooting match.

THE BAPTIST MEETING—As announced in our last issue a protracted meeting commenced at the Baptist Church in this place on Saturday evening last, which is still being carried on. The following ministers are present: Rev's T. W. Mellichamp, J. K. Mendenhall and T. W. Smith. The interest manifested in the meeting is warm and earnest, and we trust much good may result from efforts so earnestly put

forth for the benefit of the ungodly. The ministers in attendance are devout, persevering Christians, and seem to be deeply concerned in the good work of bringing sinners to repentance. It was our pleasure to hear the Rev. Mr. Mendenhall twice during the week, and we were certainly repaid for these visits to the Baptist Church. While strikingly forcible and strong in his use of language, Mr. Mendenhall is strangely gentle, and draws one after him by a power and charm as indefinable as they are irresistible. He is remarkably happy in his delivery, while his sermons are aptly illustrated throughout, and replete with passages of tender pathos and beauty. Those who have not heard him should do so. The meeting is an interesting one and we are pleased to note its interest taken in its progress.

[COMMUNICATED.] THE FLORAL FESTIVAL—On the 30th, next Thursday, the young ladies will offer their Floral Entertainment at the Fair Building. Mr. Riggs has put up a large stage, which will be dressed. As there will be no hand bills we make a sketch of the scene to be presented. The flowers in Flora's absence rebel and put in claims for the queen's chair, each in turn telling her merits. A referee wanders by and she arbitrates the dispute. Then the heatherbells and poppies sing their claims. The first scene occupying over a half hour closes with an acquiescence to the referee's verdict. Scene second, is a series of grand choruses, solos and duets, and as the queen (Rose) enters with her full suite Flora enters also, giving two queens which will be a brilliant display. Then comes the abnegation, crowning and rejoicing in chorus. The admission will be 25 cents. Remember it is for the aid of one of our churches, let all come for a pleasant evening.

Our little girls looks careworn and pale. Worms are destroying her. When we send to the store again don't forget to buy a bottle of Shiner's Indian Vermifuge. Sold by Dr. A. C. Dukés.

The comfort of its possession is very frequently offset by the annoyance occasioned by the continual crying of the baby. Crying, however, is the child's only method of suggesting that it suffers with discomfort and pain, and at once ceases when the cause is (as it should be) promptly removed by using Dr. Bull's baby syrup. Sold everywhere. 25 cents per bottle. Sold by Dr. A. C. Dukés.

Elegant hair is woman's crowning beauty. When it fades, she fades as well. While it is kept bright, her personal attractions are still maintained. By preserving the hair fresh and vigorous a youthful appearance is continued through many years. Those who grieve over their fading hair turning gray too early, should know that Vyer's hair vigor prevents it, and restores gray or faded hair to its natural color. It is a clear and healthful preparation, containing neither oil, dye, nor anything deleterious, and imparts to the scalp what is most needed—a sense of pleasant and delightful freedom from scurf or dandruff.—New Bern (N. C.) Times.

ADVICE GRATIS—The Hon. Alexander H. Stevens says:—"The Globe Flower Cough Syrup has proven a most valuable remedy to me."

Gov. James M. Smith, of Georgia, says:—"I shall always use it with perfect confidence, and recommend it to the public as a remedy which will afford that satisfaction experienced by me and mine. It excels everything for coughs, colds and obstinate lung affections."

Ex-Gov. Brown, of Ga., says: "He finds the Globe Flower Cough Syrup a most excellent remedy."

Such endorsement by our great and good men deserves the attention of the afflicted. Those suffering from cough, colds and lung affections should use the Globe Flower Cough Syrup. It will positively cure consumption. For sale by Dr. A. C. Dukés.
