

there will be no service this afternoon, as Mr. L. is going a fishing with another clergyman! Mr. L. of course corrected the awkward yet amusing blunder.

It is well to be sociable and clever; but to assist in courting your girl is being a little too helpful.

BWARE OF COUNTERFEITS AND IMITATIONS.

The unparalleled and astonishing efficacy of DR. WISTAR'S BALSAM OF WILD CHERRY, in all the diseases for which it is recommended, curing many cases after the skill of the best physicians was unavailing, has effected a large and increasing demand for it. This fact has caused several unprincipled counterfeiters and imitators to palm off spurious mixtures, of similar name and appearance, for the genuine Balsam. Some are called "Syrup of Wild Cherry," "Balsam of Spikenard," "Wild Cherry, Comfrey," &c. Another, "Wester's Balsam of Wild Cherry," misspelling the name, and forging certificates to resemble those of the true Balsam. "Dr. Wistar's Balsam of Wild Cherry" is the only genuine. The rest merely imitate the name of the original, while they possess none of its virtues.

LOOK WELL TO THE MARKS OF THE GENUINE.

The genuine Balsam is put up in bottles, with the words, "Dr. Wistar's Balsam of Wild Cherry, Philad.," blown in the glass; each bottle bearing a label on the front, with the signature of H. WISTAR, M. D.

This will be enveloped hereafter with a new wrapper, copyright secured, 1844; on which will always appear the written signature of "I. BUTTS."

None genuine, unless signed I. BUTTS on the wrapper.

EPPING'S COMPOUND FLUID EXTRACT OF SARSAPARILLA, AND QUEEN'S DELIGHT.

FOR purifying the blood, and removing all diseases arising from the impurity of the same, and is especially recommended for the cure of Rheumatism, Scrofula, Erysipelas, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Tetters, Pimples in the Face, Old Sores, and all Cutaneous Eruptions, Neuralgic Affections, Mercurial Diseases, and for assisting the operation and preventing fatal consequences of Mercurials in Syphilis.

Recommended by the editors of the Southern Journal of Medicine and Pharmacy, and prescribed and recommended by by most all respectable Physicians of Charleston and the surrounding country.

This preparation (by adding the Queen's Delight, &c. to the Sarsaparilla,) combines in a more perfect degree than any known remedy, tonic, and alterative powers, and is highly recommended by eminent Physicians. It is prepared in consequence of the recommendations given by Dr. H. R. Frost, Professor of Materia Medica in the Medical College of Charleston, S. C., in his work on Materia Medica, and concentrated by a process of the subscriber's to render it more convenient for administration, and with the exception of the addition of mercury which may at all times be added when necessary.

For the composition of this Preparation, and the Medicinal Properties of the Queen's Delight, Physicians are respectfully referred to the 5th and 6th Nos. Vol. 1, of the "Southern Journal of Medicine and Pharmacy."

Prepared by J. PETER M. EPPING, Chemist and Druggist, King street, Charleston, S. C.
