EPINGS COMPOUND FLUID EXTRACT OF SARSAPARILLA AND QUEEN'S DELIGHT.

There are few cases of chronic and painful Rheumatism that will not yield to the influence of Sarsaparilla and Queen's Delight, if duly persevered, especially if taken in conjunction with the Compound Fluid Extract of Sarsaparilla and Queen's Delight. It is highly recommended for all diseases of the skin, chronic as well as recent. One bottle will, in most instances, effectually remove all pimples, pustules, or blotches on the face, to which young persons in this climate are so much subjected, arising either from impurity of the blood or debility. It is the best remedy known for scrofulous affections, sores, and breakings out in young children, and is safe and efficacious in removing entirely every trace of hereditary diseases from the system in the tenderest infancy; in fact, in all cutaneous affections it is invaluable. As a general purifier of the blood, and an eradicator of all obstinate diseases, this preparation will undoubtedly take the precedence of all other remedies. It gently operates upon and regulates the bowels, restores to the stomach, and promotes digestion. It will effectually relieve Erysipelas, even in its worst stages, and all persons suffering from this distressing complaint are advised to use it, first so, but if no marked relief be found after taking one bottle, it will be necessary to use the Hydrated Potash with it. Not wishing to publish certificates as is done in the case of all quack medicines of the day, to effect their sale, and so force them upon the public, the subscriber begs leave to state that this preparation has been prescribed and used by a number of Physicians and Planters of our city and neighborhood, with great success, viz: Dr. H. R. Frost, Dr. W. G. Rainey, Dr. Thos. Y. Simons, Dr. C. C. Pritchard, Mr. S. Legare, Lieut. Wilson, U. S. R. S., all of this city, Dr. James Stoney, Beaufort, Dr. J. A. Mayes, Sumter, &c.
For the composition of this Preparation, and the Medicinal Properties of the Queen's Delight, Physicians are respectfully referred to the 5th and 6th Vols. of the "Southern Journal of Medicine and Pharmacy."
Price \$1 per bottle, or \$5 for 6 do. The same preparation as a Syrup, is also prepared at \$1 per quart bottle, or \$5 per 6 bottles.
Prepared by J. PETER M. EPING, Chemist and Druggist, King street, Charleston, S. C.
For sale in Sumterville by the Agent, J. I. MILLER, M. D.
