**LEPPING'S COMPOUND FLUID EXTRACT
 OF SARSAPARILLA, AND
 QUEEN'S DELIGHT,**

There are few cases of chronic and pain-
 ful Rheumatism that will not yield to the
 influence of Sarsaparilla and Queen's De-
 light, if duly persevered, especially if taken
 in conjunction with Hydr. of Potash, times
 called *Mercurial Rheumatism* (violent
 pains in the bones, &c.) resulting from
 the mercury taken by patients during se-
 vere fevers and other protracted diseases.

It is highly recommended for all diseases
 of the skin, chronic as well as recent. One
 bottle will, in most instances, effectually
 remove all pimples, postules, or blotches
 on the face, to which young persons in this
 climate are so much subjected to, arising
 either from impurity of the blood or debili-
 ty. It is the best remedy known for scro-
 fulous affections, sores, and breakings out
 in young children, and is safe and effica-
 cious in removing entirely every trace of
 hereditary diseases from the system in the
 tenderest infant; in fact, in all cutaneous
 affections it is invaluable. As a general
 purifier of the blood, and an eradicator of
 all obstinate diseases, this preparation will
 undoubtedly take the precedence of all
 other remedies. It gently operates upon
 and regulates the bowels, restores to the
 blood its wonted purity, gives tone to the
 stomach, and promotes digestion.

It will effectually relieve *Erysipelas*
 even in its worst stages, and all persons
 suffering from this distressing complaint
 are advised to use it, first so, but if no
 marked relief be found after taking one
 bottle, it will be necessary to use the Hy-
 driodated Potash with it.

Not wishing to publish certificates as is
 done in the case of all quack medicines of
 the day, to effect their sale, and so force
 them upon the public, the subscriber begs
 leave to state that this preparation has been
 prescribed and used by a number of Physi-
 cians and Plasters of our city and neigh-
 borhood, with great success, viz: Dr. H.
 R. Frost, Dr. W. G. Ramsay, Dr. Thos. Y.
 Simons, Dr. C. C. Pritchard, Mr. S. Legare,
 Lieut. Wilson, U. S. R. S., all of this city,
 Dr. James Simey, Beaufort, Dr. J. A.
 Mayes, Sumter, &c.

For the composition of this Preparation,
 and the Medicinal Properties of the Queen's
 Delight, Physicians are respectfully refer-
 red to the 5th and 6th Nos. Vol. 1, of the
 "Southern Journal of Medicine and Phar-
 macy."

Price \$1 per bottle, or \$5 for 6 do. The
 same preparation as a Syrup, is also pre-
 pared at \$1 per quart bottle, or \$5 per 6
 bottles.
