GIN MAKING, &C.

We are prepared to execute orders to any extent in the above line, both for new work and repairs. Our Gins are not surpassed by any made in the State, possessing all the advantages of the Falling Breast and Sliding Ribs, which saves a great deal in way of repairs. We also use the Steel Plate Saws, with teeth set in an angle that cannot possibly injure the finest staple, with an improvement to regulate the motion of the cotton; our brush is constructed on a plan, giving at once, the advantages of lightness, strength and force—all very material in the successful operation of a Gin. We would invite planters to call at our shop and examine for themselves, whilst we would assure the public generally, that they shall have no cause to complain either of our work or prices.

CABINET MAKING.

We are also prepared to do work in the Cabinet line—such as Bedsteads, Wardrobes Safes, Book cases, Stands, Tables, Cupboards, &c. &c. at short notice, on liberal terms.

EPPING'S
COMPOUND FLUID EXTRACT OF
SARSAPARILLA AND QUEEN'S DELIGHT.

There are few cases of chronic and painful Rheumatism that will not yield to the influence of Sarsaparilla and Queen's Delight if duly persevered, especially if taken in conjunction with Hydr. of Potash, times called *Mercurial Rheumatism* (violent pains in the bones, &c.,) resulting from the mercury taken by patients during severe fevers and other protracted disease.

It is highly recommended for all diseases of the skin, chronic as well as recent. One bottle will, in most instances, effectualy remove all pimples, postules, or blotches on the face, to which young persons in this climate are so much subjected to. arising either from impurity of the blood or debility. It is the best remedy known for scrofulous affections, sores, and breakings out in young children, and is safe and efficacious in removing entirely every trace of hereditary diseases from the system in the tenderest infant; in fact in all cutaneous affections it is invaluable. As a general purifier of the blood, and an eradicator of all obstinate diseases this preparation will undoubtedly take the precedence of all other remedies. It gently operates upon and regulates the bowels, restores to the blood its wonted purity, gives tone to the stomach, and promotes digestion.

It will effectually relieve *Erysipelas* even in its worst stages, and all persons suffering from this distressing complaint are advised to use it, first so, but if no marked relief be found after taking one bottle, it will be necessary to use the Hydriodated Potash with it.

Not wishing to publish certificates as is done in the case of all quack medicines of the day, to effect their sale, and so force them upon the public, the subscriber begs leave to state that this preparation has been prescribed and used by a number of Physicians and Planters of our city and neighborhood, with great success, viz: Dr. H. R. Frost, Dr. W. G. Ramsay, Dr. Thos. Y. Simmons, Dr. C. C. Pritchard, Mr. S. Legare, Lieut. Wilson, U. S. R. S., all of this city, Dr. James Stoney, Beaufort. Dr. J. A. Mayes, Sumter. &c.

For the composition of this preparation, and the Medicinal Properties of the Queen's Delight, Physicians are respectfully refered to the 5th and 6th Nos. Vol. I, of the "Southern Journal of Medicine and Pharmacy."

Price $1 per bottle, or $5 for 6 do. The same preparation as a Syrup, is also prepared at $1 per quart bottle, or $5 per 6 bottles.

Kemist and Druggist, King-st.
