EPPING'S COMPOUND FLUID EXTRACT OF SARSAPARILLA AND QUEEN'S

DELIGHT.

There are few cases of chronic and painful Rheumatism that will not yield to the influence of Sarsaparilla and Queen's Delight if duly persevered, especially if taken in con-junction with Hydr. of Potash, times called Mercurial Rheumatism (violent pains in the

bones, &c.,) resulting from the mercury taken by patients during severe fevers and other protracted disease.

It is highly recommended for all diseases of the skin, chronic as well as recent. One bottle will, in most instances, effectualy remove all pimples, postules, or blotches on the face, to which young persons in this climate are so much subjected to arising other from impurity of the blood or debility. It is the best remedy known for scrofulous affections, sores, and breakings out in young children, and is safe and efficacious in removing entire ly every trace of hereditary diseases from the system in the tenderest infant; in fact in all cutaneous affections it is invaluable. As a general purifier of the blood, and an cradicator of all obstinate diseases this preparation will undoubtedly take the precedence of all other remedies. It gently operates upon and reg-ulates the bowels, restores to the blood its wonted purity, gives tone to the stomach, and promotes digestion.

It will effectually relieve Erysapelas cren in its worst stages, and all persons suffering from this distressing complaint are advised to use it, first so, but if no marked relief be found after taking one bottle, it will be necessary to use the Hydriodated Potash with it.

Not wishing to publish certificates as is done in the case of all quack medicines of the day, to effect their sale, and so force them upon the public, the subscriber begs leave state that this preparation has been prescribed and used by a number of Physicians and Planters of our city and neighborhood, with great success, viz. Dr. H. R. Frost, Dr. W. G. Ramsay, Dr. Thos. Y. Simmons, Dr. C. C. Pritchard, Mr. S. Legare, Liout. Wilson, U.

S. R. S., all of this city, Dr. James Stoney, Beaufort. Dr. J. A. Mayes, Sumter. &c. For the composition of this preparation, and the Medicinal Properties of the Queen's Delight, Physicians are respectfully referred to the 5th and 6th Nos. Vol. 1, of the "Southern

Journal of Medicine and Pharmacy."
Price \$1 per bottle, or \$5 for 0 do. The same preparation as a Syrup, is also prepared at \$1 per quart bottle, or \$5 per 6 bottles.
