

St. Mary de Grace, Harford Co., Maryland, Feb. 10, 1846.

Dear Sir, I understand the general agency for the sale of Winter's Balsam of Cherry has been transferred to you. I have been the agent for selling it in this town for a number of years, during which time I have sold a large quantity. Many persons seriously sick, in this vicinity, have used this medicine, and been cured with it when all other medicines failed. One lady in particular in this town, was sick fifteen years, was finally cured with this article, as she herself testifies. I think it myself one of the best medicines in the world for the cure of the diseases for which it is recommended, viz: consumption, asthma, and liver complaint. If you please you may send me half a gross the earliest opportunity; no doubt I shall find a ready sale for it.

Yours, &c.
D. W. WELLS.

Such is the unprecedented success of this valuable and popular medicine, we are constantly receiving similar letters from different parts of the country. We publish this one because the article has been thoroughly proved in Maryland, and is not found wanting.

None genuine unless signed I. BUTTS in the wrapper. For sale in Sumterville by Dr. J. L. MILLER, at the Drug Store; and by Druggists generally in South Carolina.
