protracted disease.

It is highly recommended for all diseased of the skin, chronic as well as recent. One cottle will, in most instances, effectually remove all pimples, restules, or blotches in the ace, to which young persons in this climate are so much subjected to, arising either from inpurity of the blood or debility. It is the est remedy known for scrofulous affectious, sories, and breakings cut in young children, and is safe and efficacious in removing entirely every trace of hereditary diseases from the system in the tenderest infant; in factin all cussystem in the tenderest infant; in fact in all cu-taneous affections it is invaluable. As a gen-eral purifier of the blood, and an eradicator of all obstinate diseases this preparation will unill obstinate diseases this preparation will unindicate the precedence of all other remedies. It gently operates upon and regulates the bowels, restores to the blood its
wonted purity, gives tone to the stomach, and
promotes digestion.
