TO THE WISE AND AFFLICTED

In every change that is taking place in the lody, it is manifest that it is brought about by something having a substantive existence. If we suppose the organs of our body originally perfeet unless changed by the intervention of some-thing that bears an unhealthy relation to them. In all cases of diseases, there must be the interopsition of some new ingredient, which, by playing its part as a cause, served to modify the properties before connected with the body. It is burd to talk of spontaneous disease taking place in organs healthy, without the interposition place in organs healthy, without the interposition of some morbific agent. As well might we expect a piece of chalk to traufer itself spontaneously into Plaster of Paris, without the aid of Sulphuric Acid. In all diseases there is a prior cause that must be removed through the inter-zention of the BLOOD: to accomplish which the officied have no remed/ equal to Dr. KEELER'S SARSAPARILLA. Dr. S. P. Townsend—Dear Sir; I am constrained to give you a statement of the benefit I derived from using your Sarsaparilla, believing, by so doing, I shall render a benefit to those who are suffering as I have been. I was reduced by many months by the Dyspepsia, so much that it with much difficulty for me to walk or keep alont. I had also a totter, which covered the most part of my head—which was extremely troublesome and sore; it got to be almost a scale. I used quite a number of remedies for both the complaints, but received little or no benefit, until I took your Sarsaparilla, which, through the kindness of Providence, has restored me to more than I have for a number of years. I am new 60 years of age. I believe it to be an invaluable medicine, and recommend it to my numerous sequaintances, which is

Pennsle Medicines.

Da. S. P. Townsand's Sarsaparilla is a severeign and speedy cure for incipient Consumation, Barreness, Prolapasa Uleri, or Falling of the Womb. Contiveness, Piles, Leucorthera, or. Whites, obstructed or difficult Menstruation, Inconlineance of Urins, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be soore surprising than its invigorating effects on the banana frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessnoss of the female frams, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the solicited, that hundreds of cases have been reported to us. Thousands of cases where families have been without children after using a few bottles of this invaluable Medicine, have been bleated with fine healthy offspring.

Great Hiessing to Mothers and Children. Female Medicines.

It strengthens both the mother and the child, prevoits pain and divease, increases and enriches the food; those who have used it think it is indispensable. It is highly useful both before and after commencement, as it prevents diseases attendant upon child-hirthin testitioners, files, Cramps, Swelling of the feet, Despondency, Heartburn, Vomiling, Tain in the Back and Lions, False Pains, Henorrhage, and in regulating the secretions and equalizing the circulation, it has no equal. The great beauty of thi medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other incelicine, in some a little Castor Oil, or Magnesia is useful. mend it to my numerous sequalintances, which is very large, as I have been a minister a great many years. I hope this hasty sketch may be as much benefit to you as your medicine has to me, July 11, 1847. JOHN SEGER, Jersey City. Methodist Clergyman.

Methodist Clergyman.

The following was sent to our Agent in Bahway, by the Hev. J. D. TUNISON, of the Methodist
Episcopal Church—one of the most learned and respected in the connection—and is another evidence
of the wonderful effects of Dr. S. P. Townsend's
Sarsaparilla on the system.

Friend Friends—Having for some lime post, as
you are aware, experienced great general debility
of my system, attended with constant and abstraining
irritation of my throat and lungs, I was, at your instance, and in consequence of liaving read Captain
McLean's decided testimony in its behalf, induced
to try Dr. S. P. Townsend's far-famed Sarsaparilla,
I tried it, I confess, more in the hope than in the
confidence of its proving efficacious; but I am bound
in candor mow to acknowledge, that I had not tried
it long before I hegan to experience its salutary
effects; and I may now say, with Captain McLean,
"that I would not be without it on any consideration." It has done me more good than any preyous remedy I have tried, and if this statement is
deemed by you of any importance, you have my
full consent to make if public.
