DR. KEELER is a regular graduate from one of the best medical schools of the country, and a practising for account of the city of Philadelphia. We take great pleasure in presenting these remedies to the affinited. They are all of attachment medicinal powers and hold out to the invalids a property of the city of the property of the city of t invalid a promise of relief, such to name others poszesu. They each have beenthoroughly tried possess. They each have beenthoroughly tried in a long successful private practice, and have established for themselves a reputation but few possess, and given better satisfaction to the afflicted than any of the boasted remedies of the day. In offering them to the public, the proprietor is influenced by no smister motives of gain, but feel consulton that they are eminently deserv-ing of pathic confidence. No medicines ever before the public have acquired such deserved reputation upon their merits alone, or appeal with such irresistible force to the invalid.

PURIFY The blood. Dr. Keeler's Sarsa-parilla for the removal and permaneut cure of all discuses arising from an impure state of the BLOOD and habit of the body viz: Chronic Bronchitis, Catarrh, Plutisey. TF TO THE WISE AND AFFLICTED

In every change that is taking place in the body, it is manifest that it is brought about by something having a substantive existence. If we suppose the organs of our body originally perfect unless changed by the intervention of some thing that bears an unhealthy relation to them. In all cases of diseases, where must be the interopation of so i e new ingredient, which, by playing its part as a cause, served to modify the properties before connected with the body. It is absurd to talk of spoutaneous disease taking place in organs healthy, without the interposition of some murbifle agent. As well might we expect a piece of chalk to transer itself spontaneously into Plaster of Paris, without the aid of Sulphuric Acid. In all discusses there is a prior cause that must be removed through the inter-vention of the BLOOD; An accompish which the afflicted have no remed/ equal to Dr. KEELER'S SARSAPARILLA. 17 For details, cert ficates, etc., see circulars etc .- Price \$1 per bottle, large s ze, 6 bottles

Price only fifty cents. Dr. Keeler's Cordial and Carmi-

mative. Every family whether rich or poor, who values health and all its blessing, should have this invaluable remedy at hand. The following was sent to our Agent in Rah-way, by the iter: J. O. TUNISON, of the Methodit Episcopal Church-one of the most framed and respected in the connection—and is another evidence of the wonderful effects of Dr. S. P. Townsend's Sarsaparilla on the system.

Filteno Peasson—Having for some time past, as you are aware, experienced great general debility of my system, attended with constant and alarming irrilation of my threat and lung, I was, at your instance, and in consequence of having rend Captain McLean's decided testimony in its behnif, induced to try Dr. S. P. Townsend's far-famed Sarsaparilla! I tried it, I confess, more in the hope than in the confidence of its proving efficacious; but I am bound in candor now to acknowledge, that I had not tried it long before I began to experience its salutary effects; and I may now say, with Captain McLean, that I would not be without it on any consideration." It has done me more good than any previous remedy I have tried, and If this sistement is deemed by you of any importance, you have my full content to make it public.
