Female Medicines.

Dr. S. P. Townsend's Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhous, or Whites, obstructed or difficult Menstrustion, Incontinence of Urins, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelossness of the female frame, which is the great cause of Barrenness. It will not be espected of us, in cases of so delicate a nature, to exhibit certificates of curse performed, but we can essure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable Medicione, have been blessed with fine liestity offspring.

Great Hiessing to Mothers and Children.

Great Hiesaing to Mothers and Children. It is the eafest and most effectual medicine for purifying the system, and relieving the suffering attendant upon childbirth ever discovered. It strengthens both the mother and the child, prevents pain and disease, increases and enriches the food; those who have used it, think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon child-birth-in Costiveness, Files, Gramps, Swelling of the Feet, Despondency, Hearthurn, Vomiting, Pain in the Buck and Lions, False Pains, Hemorrhage, and in regulating the screen lation, it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cates require any other medicine, in some a little Carior Oil, or Magnesia is useful. Exercise in the open air, and light food with the medicine will always secure as safe and carsy contract. Great Blessing to Mothers and Children.

Da. S. P. Towsken-Dean Sir: I am constrained to give you a statement of the benefit I derived from using your Sensaparilla, believing, by sodding, I shall render a benefit to those who are sufdoing, i shall render a benefit to those who are suffering as I have been. I was reduced for many months by the Dyspensia, so much that it was with much difficulty for me to walk or keep about. The desired which was extremely troublesome and sore; it got to be almost a scab. I used quite a number of remedies for both the complaints, but received little or no benefit, until I took your Saragarilla, which, through the kindness of Providence, has restored me to more than my usual health, as I am now enjoying better than I have for a number of years. I am now 60 years of ags. It believe it to be an invalueble medicine, and recommend it to my numerous acquaintances, which is very large, as I have been a minister a great many years. I hope this hasty sketch may be as much benefit to you as your medicine has to me.

Methodist Clergyman.

Methodist Clergyman.

The following was sent to our Agent in Rabway, by the Rev. J. O. TUNISON, of the Methodist: Episcopal Church—one of the most learned and respected in the connection—and is another evidence of the wonderful effects of Dr. S. F. Townsend's Sarsaparilla on the system.

Friend Pranson—Having for some time past, as you are aware, experienced great general debility of my system, attended with constant and slarming irritation of my throat and lungs, I was, at your instance, and in consequence of having read Captain. McLean's decided testimony in its behalf, induced to try Dr. S. F. Pawnsend's far-famed Sarsaparilla; I tried it, I confess, mure in the hope than in the confidence of its proving efficacious; but I am bound in candor now to acknowledge, that I had not tried it long before I began to experience its salutary effects; and I may now say, with Captain McLean, "that I would not be without it on any consideration." It has done me more good than any previous remedy I have tried, and if this statement is deemed by you of any importance, you have my full consent to make it public.

Rahway, August 3d, 1847. J. O. TUNISON.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house is unprecedented.
