GIN MAKING, &C.

We are prepared to execute orders to any extent in the above line, both for new work and repairs. Our Gins are not surpassed by any made in the State, possessing all the advantages of the Falling Breast and Sliding Rib, which saves a great deal in way of repairs. We also use the Steel Plate Saws, with teeth set in an angle that cannot possibly injure the finest staple, with an improvment to regulate the moting of the cotton; our brush is constructed on a plan, giving at once, the advantages of lightness, strength and force—all very material in the successful operation of a Gin. We would invite planters to call at our shop and examine for themselves, whilst we would assure the public generally, that they shall have no cause to complain either of our work or prices.

CABINET MAKING.

We are also prepared to do work in the Cabinet line—such as Bedsteads, Wardrobes Safes, Book cases, Stands, Tables, Cupboards, &c. &c. at short notice, on liberal terms.

LIVER COMPLAINT,

Jaundice, Dyspepsia, Chronic or Nervous Debility, Disease of the Kidneys, and all Diseases Arising from a Disordered Liver or Stomach, such as Constipation, inward Piles, Fullness, or blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, fluttering at the Heart, Choking or Suffocating sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the Sight, Fever and dull pain in the Head, Deficiency of Perspiration Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant imaginings of Evil, and Great Depression of Spirits, can be

EFFECTUALLY CURED BY

DR. HOOFLAND'S Celebrated German Bitters,

PREPARED BY

DR. C. M. JACKSON,

AT THE

GERMAN MEDICINE STORE,

No 120 Arch St., Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affection of the digestive organs, they are, withal, safe, certain and pleasant.

READ AND BE CONVINCED.

CHAS. ROBINSON, Esq., Easton, Md., in a letter to Dr. Jackson, Jan. 9, 1850, said—

"My wife and myself have received more benefit from your medicine than any other we have ever taken for the *Dyspepsia and Liver disease.*"

"THE TENTH LEGION," published at Woodstock, Va., January 10, 1850, said—

"A GREAT MEDICINE."

"We have uniformly refrained from recommending to the public any of the various Patent Medicines of the day, unless thoroughly convinced of their value. Among those we consider worthy of notice is the *German Bitters*, invented by *Dr. Hoofland*, and prepared by Dr. Jackson, in Philadelphia. One instance in particular, in which the superior virtues of this medicine have been tested, has fallen under our observation. During the last summer, a son of Mr. ABRAHAM CRAMBLE, of this county, was very seriously afflicted with Liver complaint, and after trying in vain various remedies, he purchased a bottle of the Bitters, and after using it, was so much relieved of his distressing malady, that he procured another bottle, and is restored entirely to health."

READ FURTHER A FEW FACTS.

JUDGE M. M. NOAH, a gentleman with great scientific and literary attainments, said in his "NEW YORK WEEKLY MESSENGER," January 6, 1850.

"DR. HOOFLAND'S GERMAN BITTERS.—Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times, the late Dr. Christopher Wilhelm Hoofland, Professor to the University of Jena, Private Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was a chemical enemy of *humbug*, and therefore all the preparations of which he was the inventor and endorser may confidently relied on. He specially recommended it in Liver Complaint, Dyspepsia, Debility, Vertigo, Acidity of the Stomach, Constipation, and all complaints arising from a disordered condition of the stomach, the liver and the intestines. Nine Philadelphia papers express their conviction of its excellence, and several of the editors speak of its effects from their own individual experience. Under these circumstances, we feel warranted, not only in calling the attention of our readers to the present proprietor's (Dr. C. M. Jackson's) preparation, but in recommending the article to all afflicted."

MORE EVIDENCE.

The "PHILADELPHIA SATURDAY GAZETTE," the best family newspaper published in the United States, the editor says of

DR. HOOFLAND'S GERMAN BITTERS.

"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers; and, therefore, when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the Faculty itself."

"Evidence upon evidence has been received (like the foregoing) from all sections of the Union, the last three years, *and the strongest testimony in its favor, is*, that there is more of it used in the practice of the regular Physicians of Philadelphia than all other nostrums combined a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form.

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver—it is preferable to calomel in *all bilious diseases*—the effect is immediate. They can be administered to FEMALE or INFANT with safety and reliable benefit, at any time.

BEWARE OF COUNTERFEITS.

As this medicine has attained that high character which is necessary for all medicines to attain to induce counterfeiters to put forth a spurious article at the risk of the lives of those who are innocently deceived.

LOOK WELL TO THE MARKS OF THE GENUINE.

They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, *without which they are spurious.*

IT CONCERNS EVERY ONE!

CHOLERA CURED!

Dr. Keeler's Cordial and Carminitive,

For the speedy and positive cure of DIARRHŒA, DYSENTERY, CHOLERA MORBUS, CHOLERA INFANTUM, COLIC, FLATULENCY, GRIPING PAINS, and for all Derangements of the Stomach and Bowels, caused by Teething, Improper Drink, etc., etc.

☞ ASIATIC CHOLERA is as easily cured and prevented as any other disease of the stomach and bowels, provided the proper means are used. It presents the same morbid symptoms as Cholera Morbus, only more violent. There is no difference in their pathology, the treatment being the same, Dr. Keeler's Cordial, so justly celebrated for diseases of the stomach and bowels, will, as certain as it is used, cure this disease. As a Preventive, it should be used in small quantities daily, mixed with water, and on the approach of the disease, it should be taken in moderate doses, at regular and short intervals, until every symptom is removed. Frictions to the abdomen, with external applications to the extremities, in the worst stages of the disease, will cure forty-nine of any fifty cases. There is no need of anything else; and, above all, beware of Calomel, Purgatives, and other Palliatives; they will kill more than they will cure. The most severe cases of Complaint yield to the heroic virtues of this remedy like magic. The proprietor invites investigation, and boldly proclaims that it will speedily cure all diseases of this character. He can point to living witnesses of its beneficial effects, after being pronounced incurable and given up to die by their physicians. In all cases of failure the money will be cheerfully returned.

Read this Testimony.

(Extract of a letter from the Rev Dr. Earle.)
Daisville, Bucks County, August 25th, 1847.

Dear Sir—I am now prepared to recommend your Cordial from having used it with success in several instances, and I am now trying your Panacea in a case of protracted debility, attended with cough, apparently produced in the young Lady by her outgrowing her strength, to use a common phrase.

Yours, respectfully,
ALFRED EARLE, M. D.

Extract of a letter from Ebenezer Cook.
New York City, July 20, 1847.

Dr Keeler. Sir. I have used in my family all of the Cordial which you left with me last summer except two bottles which I persuaded a customer of mine to try, and having proved very beneficial, he has recommended it to some of his friends who wish to have some of it. I therefore wish you would send me some by express. I am satisfied from my own experience that it is the best medicine for children Teething and Summer Complaints that is offered to the public, and all that is necessary for a recommendation is to try it.

Very respectfully,
EBENEZER COOK.
284 Grand st. cor. of Alley.

This is to certify that I have used Dr. Keeler's Cordial, and have found it a valuable medicine in diarrhœa, dysentery, and all derangements of the stomach and bowels, caused by Teething, and is particularly adapted to all diseases of those organs caused by acid fruits or the debilitating effects of season and climate.

D M'ALLISON, M. D. Plum st. Phila.

Dr Keeler's Cordial.—We would call the attention of our readers to this invaluable medicine, which will be found advertised at length in our columns. As a corrective in cases of Diarrhœa, a disease very prevalent at the present time, it is highly spoken of by all who have used it.

(Neal's Saturday Gazette of August 28, 1847.

Dr. Keeler's Cordial and Carminative.—This article is advertised in another part of our paper, it is warmly recommended by families who have tried it. It is especially useful among children, and has effected hundreds of cures. The Cordial is not a quack nostrum, but carefully prepared medicine, and perfectly free from any thing injurious.—Pennsylvanian of Sept. 1, 1847.

Dr Keeler—Dear Sir. As it is my duty to use every honest means to promote the happiness of our fellow creatures, I take great pleasure in stating to you the advantage I received from your valuable Cordial and Carminative. Last autumn I was attacked with Diarrhœa, which debilitated my system very much, for nearly three weeks I tried many remedies, but found little or no benefit, when my daughter informed me of your Cordial. I bought a bottle and had not taken but two doses before I obtained relief. I was entirely recovered before I used the whole of it; and have remained hearty ever since. Respectfully yours,

S. BUDD, D. D.

Prepared and sold, wholesale and retail, Philadelphia; where also Dr. Keeler's Cough SYRUP, VERMIFUGE SYRUP, RHEUMATIC LOTION, LIVER and SANATIVE PILLS may be obtained. Remedies of unsurpassed efficiency, and which have no equals. No family in town or country should be without these celebrated medicines so admirably adaptive to meet sudden emergencies.

KEELER'S SARSAPARILLA, for the permanent cure and removal of all diseases arising from asperities of the Blood, or habit of the body, viz: Chronic diseases of the chest, Consumption, Bronchitis, Catarrh, Pleurisy, Scrofula in all its forms, Tetter, Scald head, Blotches of the face, Chronic diseases of the Stomach, Liver and Skin, cutaneous eruptions, white swellings, Hip joint affection, deep seated pains of the bones, swellings of the joints, Ulcers, Syphilitic disorders, Mercurial and all Hereditary predispositions. DR. S. P. TOWNSEND'S

COMPOUND EXTRACT OF

SARSAPARILLA.

Wonder and Blessing of the Age.

The most extraordinary Medicine in the World

This Extract is put up in Quart Bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures disease without vomiting, purging, sickening, or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla over all other Medicines is, while it eradicates disease, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES

ever known; it not only purifies the whole system and strengthens the person, but it creates, new, pure and rich blood; a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years, more than one hundred thousand cures of severe cases of disease, at least, 50,000 were considered incurable. It has saved the lives of more than 15,000 children the three past seasons.

100,000 cases of General Debility and want of Nervous Energy.

DR. S. P. TOWNSEND'S Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy, by the effects of medicine, or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on by physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening toward that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

INVIGORATING CORDIAL,

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system in a most extraordinary degree

Consumption Cured.

Cleanse and Strengthen. Consumption can be cured. *Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.*

Spitting Blood.

DR. S. P. TOWNSEND—I verily believe your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results. Your obedient servant. WM. RUSSEL, 65 Catherine-st.

Female Medicines.

DR. S. P. TOWNSEND'S Sarsaparilla is a sovereign and speedy cure for incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children after using a few bottles of this invaluable Medicine, have been blessed with fine healthy offspring.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and the child, prevents pain and disease, increases and enriches the food; those who have used it think it indispensable. It is highly useful before and after confinement, as it prevents diseases attendant upon child-birth—in Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and enriching the circulation, it has no equal. The [illegible] it most successfully, very few cases require any other medicine, in some a little Castor oil, or Magnesia is useful. Exercise in the open air, and light food with this medicine, will always secure ease and easy confinement.

The Rev. John Seger

Of Jersey City, an old and highly respectable clergyman of the Baptist Denomination, handed in the following certificate at Dr. S. P. Townsend's office It speaks for itself.

DR. S. P. TOWNSEND—Dear Sir: I am constrained to give you a statement of the benefit I derived from using your Sarsaparilla, believing by so doing, I shall render a benefit to those who are suffering as I have been. I was reduced for many months by the Dyspepsia, so much that it was with much difficulty for me to walk or keep about. I had also a tetter, which covered the most part of my head—which was extremely troublesome and sore; it got to be almost a scab. I used quite a number of remedies for both the complaints, but received little or no benefit, until I took your Sarsaparilla, which, through the kindness of Providence, has restored me more than my usual health, as I am now enjoying better than I have for a number of years. I am now 60 years of age. I believe it to be an invaluable medicine, and recommend it to my numerous acquaintances, which is very large, as I have been a minister a great many years. I hope this hasty sketch may be as much benefit to you as your medicine has to me.

July 11, 1847. JOHN SEGER, Jersey City.

Methodist Clergyman.

The following was sent to our Agent in Rahway, by the Rev. J. O. TUNISON, of the Methodist Episcopal Church—one of the most learned and respected in the connection—and is another evidence of the wonderful effects of Dr. S. P. Townsend's Sarsaparilla on the system.

FRIEND PEARSON—Having for some time past, as you are aware, experienced great general debility of my system, attended with constant and alarming irritation of my throat and lungs, I was, at your instance, and in consequence of having read Captain McLean's decided testimony in its behalf, induced to try Dr. S. P. Townsend's famed Sarsaparilla. I tried it, I confess, more in the hope than in the confidence of its proving efficacious; but I am bound in candor now to acknowledge, that I had not tried it long before I began to experience its salutary effects; and I may now say, with Captain McLean, "that I would not be without it on any consideration." It has done me more good than any previous remedy I have tried, and if this statement is deemed by you of any importance, you have my full consent to make it public.

Rahway, August 3d, 1847. J. O. TUNISON.

SCROFULA CURED.

This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house is unprecedented.

Three Children.

DR. S. P. TOWNSEND—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad Sores; have taken only four bottles; it took them away, for which I feel myself under great obligation.

Very respectfully, ISAAC W. CRAIN, 109 Wooster-st.
