The following was rent to our Agent in Rahway, by the lies. J. O. TUNISON of the Methodist Episcopal Church—one of the most learned and respected in the acquisition—and is amilier evidence Sarsaparilla on the system.

Fairen Frans—Queing file tours large part, as of my system, attended with constant and alarming irritation of my throat and lungs. I was, as your instance, and in coursequence of having read Captain McLean's decided teatimony in its behalf, induced to try Dr. S. P. Townsend's far-found Sarsaparilla. I tried it, I confess, more in the hope than in the confidence of its proving efficacious; but I am bound in caudor now to acknowledge, that I had not tried it long bafore I began to experience its salutary effects; and I may now say, with Captain McLean, "that I would not be without it on any consideration." It has done me more good than any previous remedy I have tried, and if this statement is deemed by you of any innextance, you have my full consent to make it public.
