IT CONCERNS EVERY ONE! CHOLERA CURED! Dr. Keebler's Cordial and Carminative.

For the speedy and positive cure of DIARRHEA, DYSENTERY, CHOLERA MORBUS, CHOLERA INFANTUM, COLIC, FLATULENCE, GRIPING PAINS, and for all Derangements of the Stomach and Bowels, caused by Teething, Improper Drink, &c., &c.

ASIANIC CHOLERA is an easily cured and prevented as any other disease of the stomach and bowels, provided the proper means are used. It presents the same morbid symptoms as Cholera Morbus, only more violent. There is no difference in their pathology, the treatment being the same, Dr. Keebler's Cordial, no justly celebrated for its efficacy in the removal of Cholera.

There is no need of anything else; and above all, beware of Colic, Purgatives, and other Palliatives; they will kill more than they will cure. The most severe cases of Cholera will yield to the heroic virtues of this remedy like magic. The proprietor invites investigation, and boldly proclaims that it will speedily cure all diseases of this character. He can point to living witnesses of its beneficial effects, after being pronounced incurable and given up to die by their physicians. In all cases of failure the money will be cheerfully returned.

Read this Testimony. (Extract of a letter from the Rev. Dr. Earle,] Davisville, Bucks County, August 25th, 1847. Dear Keeler, I have the honor to acknowledge your Cordial from August 25th, and to send you my thanks for having sent it with success in several instances, and I am now trying your Panacea in a case of protracted debility, attended with such apparently produced in the young Lady by her "outgrowing her strength" to her usual frame.

ALFRED EARLE, M. D. Extract of a letter from Ebenezer Cook, New York City, July 20, 1847. Dr. Keeler, Sir, I have used in my family the "Cordial and Carminative" of yours, last summer except two bottles which I purchased a customer of mine to try, and having proved very beneficial, he has recommended it to some of his friends who wish to have some of it. I therefore wish you would send me some more, and as it is particularly adapted to all diseases of the stomach and bowels, caused by Teething, and is particularly adapted to all diseases of those organs caused by acid fruits or the debilitating effects of season and climate.

DR. HOOPLAND'S GERMAN BITTERS. Here is a preparation which the leading physicians in the United States appear to be unanimous in commending, and the reason is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times, the late Dr. Chevreul, who has been a Professor to the University of Jena, Private Physician to the King of Prussia, and one of the most eminent of the Faculty of Medicine of that city. It has been analyzed and found to be a valuable medicine, and therefore a medicine of which he was the inventor and endorser may be confidently relied on for its efficacy in curing all diseases of the stomach, bowels, and liver, such as Liver Complaint, Dyspepsia, Acidity of the Stomach, Constipation, and all complaints arising from a disordered condition of the bowels, and the indigestion of the stomach.
