### CHOLERA CURED!

### Dr. Keeler's Cordial and Carminative.

For the speedy and positive cure of DIARRHOEA, DYSENTERY, CHOLERA MORBUS, CHOLERA INFANTUM, COLIC, FLATULENCY, GRIPING PAINS, and for all Derangements of the Stomach and Bowels, caused by Teething, Improper Drink, &c., &c.

IF ASIATIC CHOLERA is an easily cured and prevented as any other disease of the stomach and bowels, provided the proper means are used. It presents the same morbid symptoms as Cholera Morbus, only more violent. There is no difference in their pathology, the treatment being the same. Dr. Keeler's Cordial, so justly celebrated for its efficacy in the cure of Cholera, will, in certain cases, cure this disease. As a Preventive, it should be used in small quantities daily, mixed with water, and on the approach of the disease, it should be taken in moderate doses, at regular and short intervals, until every symptom is removed. Friction on the abdomen, with external applications to the extremities, in the worst stages of the disease, will cure forty-nine of a fifty cases. There is no need of anything else; and, above all, beware of Calomel, Purgatives, and other false remedies, which will only hasten the cure. The most severe cases of Cholera yield to the heroic virtues of this remedy like magic. The proprietor invites investigation, and boldly proclaims that it will speedily cure all diseases of this character. He can point to living witnesses of his boasted effects, who being pronounced incurable and given up to die by their physicians. In all cases of failure the money will be cheerfully returned.

[Extract of a letter from the Rev. Dr. Earle,] Dear Sir, I have used in my family all of the Cordial which you left with me last summer except two bottles which I persuaded a customer of mine to try, and having proved very beneficial, he has recommended it to some of his friends who wish to have some relief. Therefore I wish you would send me some more, as I am now suffering from it. I have had the pleasure that it is the best medicine for children Teething and Summer Complaints that is offered to the public, and all that is necessary for a recommendation is to try it.

Very respectfully,  
ALBERT EARLE, M. D.  
New York City, July 20, 1847.

Dr. Keeler, Sir, I have used in my family all of the Cordial which you left with me last summer except two bottles which I persuaded a customer of mine to try, and having proved very beneficial, he has recommended it to some of his friends who wish to have some relief. Therefore I wish you would send me some more, as I am now suffering from it. I have had the pleasure that it is the best medicine for children Teething and Summer Complaints that is offered to the public, and all that is necessary for a recommendation is to try it.

Very respectfully,  
ALBERT EARLE, M. D.  
New York City, July 20, 1847.

This is to certify that I have used Dr. Keeler's Cordial, and have found it a valuable medicine in Cholera, dysentery, and all derangements of the stomach and bowels, caused by Teething, and is particularly adapted to all diseases of the stomach and bowels, and the debilitating effects of season and climate.

D. M'ALLISTER, M. D. Plinist. Phila.

Dr. Keeler's Cordial.—We would call the attention of our readers to this invaluable medicine, which will be found advertised at length in our columns. As a corrective in cases of Diarrhoea, a disease very prevalent at the present time, it is highly spoken of by all who have used it.

(Natl. Saturday Gazette of August 28, 1847.)

Dr. Keeler's Cordial and Carminative.—This article is advertised in another part of our paper, it is warmly recommended by families who have tried it. It is especially useful among children, and has effected hundreds of cures. The Cordial is not a quack nostrum, but carefully prepared medicine, and perfectly free from any thing injurious.—Pennsylvania of Sept. 1, 1847.

Dr. Keeler—Dear Sir, As it is my duty to use every honest means to promote the happiness of my fellow creatures, I take great pleasure in stating to you the advantage I receive from your valuable Cordial and Carminative. Last autumn I was attacked with Diarrhoea, which debilitated my system very much; and after using many remedies, but found little or no benefit, when your medicine informed me of your Cordial, I bought a bottle and had not taken but two doses before I obtained relief. I was entirely recovered and have not had a return. Respectfully yours,  
S. BRUN, D. D.
