For the Removal and Permanent Cure of all NERVOUS DISEASES. And of those Complaints which are caused by an im-paired, weakened or unhealthy condition of the

NERVOUS SYSTEM. This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, has been pronounced by distinguished physicians, both in Europe, and the United States, to be the most valuable medicinal discovery of the cige.

Dr. CHRISTIE'S GALVANIO BELT MAGNETIC FLUID.

is used with the most perfect and certain success in all GENERAL DEBILITY. Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also fin FITS, ERAMP, PARALYSIS and PALSY, DYSPEP. SIA or INDIGESTION, RHEUMATISM, ACUTE and ECHRONIC. GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLERY, NEURALGIA, PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINT, DISEASES of the KIDNEYS, DEFI. CIENOY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one simple course—namely.

A Derangement of the Nervous System. Derangement of the Nervous Dystem.

Of in NERVOUS COMPLAINTS, Drugs and Medicines increase the disease, for they weaken the vital energies of the already prostrated system; while, under the strengthening, life-giving, vitalizing influence of Galvaniam, as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to former health, strength, clasticity and vigor. The great peculiarity and excellence of

Dr. Christie's Galvanic Curatives, consists in the fact that they arrest and cure disease by outward application, in place of the usual mode of drugging, and physicking the patient, till exhausted Nature sinks hopolessly under the indiction. They strengthen the whole system, equalize the circustion of the blood, promote the secretions, and never do he slightest injury under any circumstances. Since their atroduction in the United States, only three years since, they have the states of the states.

60,000 Persons including all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been

ENTIRELY AND PERMANENTLY CURED. nen all hope of relief had been given up, and every thing etse ocen tried in vain!

thing essence or renel had been given up, and every thing essence or renel had been given up, and every thing essence of a person afficted with that bane of civilization, DYSPEPSIA, or any other thronic or Nervous Disorder. In ordinary cases, stimulants are taken, which by their faction on the nerves and muscles of the stomach, afford temporary relief, but which leave the patient in a lower state, and with injured faculties, after the action thus excited has ceased. Now compare this with the effect resulting from the application of the GAL-VANIC BELT. Take a Dyspeptic sufferer, even in the worst symptoms of an attack, and simply tie the Belt around the Body, using the Megnetic Fluid as directed. In a short period the mensible perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPEPSIA are PERMANENTLY CURED. A FEW DAYS IS AMPLY SUFFIGIENT TO ERADICATE THE DISEASE OF YEARS.

CERTIFICATES AND TESTIMONIALS Of the most Undoubted Character, From all parts of the country could be given, sufficient to fill every column in this paper!

Rheumatiam, Bronchitis and Dyspepsia. REV. DR. LANDIS, A CLERGYMAN

of New Jersey, of distinguished attainments and exalted reputation:

Signer, New Jersey, July 12, 1849.

Da. A.H. Christies—Dear Sir: You wish to know of me what has been the result in my own case, of the application of THE GALVANIC BELT AND NECKLACE. My reply is as follows:

For about inverty years I had been suffering from Dyspepsia. Every year the symptoms became worse, nor could I obtain permanent relief from any course of medical treatment whatever. About furtren years since, in consequence of frequent exposure to the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rheumatism, which for year after year, caused me indescribable anguish. Farther, in the winter of '15 and '46, in consequence of preaching a grest deal in my own and various other churches in this region, I was attacked by the Bronchitis, which soon became so severe as the require an immediate suspension of my pastoral labors. My nervous system was now thoroughly prostrated, and as my Bronchitis became worse, so also did my Dyspepsia and Ilheumatic affection—thus evincing that these disorders were connected with each other through the modium of the Nervous System in the whole pharmacopain there seemed to be no remedial agent which could reach and recuperate my Nervous System'; everything that I had tried for this purpose had completely failed. At last I was led by my friends to examine your inventions, and (though with no very samples your inventions, and (though with no very sample pass of their efficiency.) I determined to try the effect of the mphi. Idon of the GALVANIC BELT AND NECKHACE, with the MAGNETIC YLUID. This was ENERGY CERSION OF THE BROOK CERSI

Here is a preparation which the leading presses in the Union appear to be manimons in recommending, and the reason is obvious.
