## CANCER CURED,
### NO CURE, NO PAY!

DR. JAMES C. HICKS, would respectful enform the citizens of South Carolina, and other States, that he resides at Clarke's Hotel, Sumterville, S. C., where he is prepared to practice in the art of removing and healing that formidable disease, CANCER, without the use of the Knife. All persons who may be afflicted with this dangerous disease, and wish his aid, will do well by calling on him. There are many gentlemen in this State and others, of high respectability and understanding, who will testify to the efficacy of his practice. All persons who cannot conveniently call on him will be attended at their residences.

Many certificates might be produced, but perhaps the following may be sufficient.

All letters, (post paid) will meet with prompt attention, if addressed to DR JAMES C. HICKS, Sumterville, S. C.

the undersigned, take this method of informing Dr. James C. Hicks to the public as well worthy of patronage in his profession as a Cancer Doctor. From general report and our own observations while we have been in the Cancer Store for the last month, after having attained any age [illegible] we have [illegible] persuaded by him in a very short time, which seem all to defy all human skill, even the sight of which drew from beholders large remarks of true sympathy, desiring a gladly encourage this talented gentleman among him to the community, thinking we thereby shall confer a favor on many and assist a fellow man of humanity.

January 1, 1849

This may certify, that after trying every remedy I could hear of, and trying the prescriptions of five or six of the most scientific physicians of Sumterville and Columbia, S. C., for the disease of my eye-lid, which I am fully satisfied was a cancer, that of itself being strengthened by one of the most eminent practitioners of Columbia, I received no permanent relief, and hearing of Dr. Hicks's skill in that disease, procured his aid, and I now rejoice to say that he has made a permanent cure of it, and that in the very short time of about eleven weeks from the first application. My case as I have before stated was of twelve years standing, and of slow but steady progress, and he (Dr. Hicks) who may be afflicted with this disease, I would say, try the Doctor's remedy by all means, for I earnestly and conscientiously believe it will succeed in every case where it is administered, and the disease not so diffused in the system as to defy any remedy whatever.

BENJ. MITCHELL.

MONTGOMERY, Ala., Jan. 11, 1851.

*To the Public.*—I write this method of announcing that for twenty years I had on my nose a sore which was supposed to be cancerous; that having undergone many trials for curing it, and having always failed to do so, I consulted Dr. James C. Hicks, of Sumterville, South Carolina, and about the first of November, 1849, I went to that place and put myself under his treatment, and I remained with him until about the 1st of September, 1850, when he discharged me as being perfectly cured. My nose has been completely destroyed and the wound healed, and no sign of the disease has since appeared, and the parts around the orifice, which the loss of my nose has caused, look and feel completely sound, which I am satisfied is the case. I would state also that the disease had nearly destroyed my nose before I saw Dr. Hicks. As a simple act of justice to him, and for the benefit of all who may be afflicted in a similar manner, I have given this certificate.

ADAM TELDER.

STANLEY COUNTY, N. C., March 26, 1851.

This is to certify that I have been cured of a disease that pronounced to prove fatal and was pronounced to be a Cancer by several physicians; it made its appearance in my ear about eighteen years ago, and although a small place, it gave me a great deal of uneasiness, for it continued to enlarge—though it was never much painful. I was advised by physicians to have something done for it and concluded to do so, and having heard of Dr. Hicks, of Sumter, South Carolina, I went to see him, and put myself under his treatment, and am happy to say that he effected a cure in about seven weeks, and I hope my cure is permanent. I would say to those who are afflicted in like manner that they would do well to give him a call—you will find in Dr. Hicks a skilful gentleman and friend.

ARTHUR G. ATKINS.

INDIANTOWN, Wilkinsburg Dist., 17th Oct., 1851.

This is to certify, that Dr. James C. Hicks has effected a cure of a sore, which appeared to be of a cancerous nature, on the nose of Mrs. Cooper, it was of long standing, having been on her nose for more than nine years; it has been well for more than six months past, and I must now think it entirely cured.

GEORGE COOPER

All persons who may be afflicted with that dangerous disease, Cancer, are advised to call on Dr. Hicks, and be convinced of the genuine and skilful manner in which he operates. Any doubts that may exist in the mind of the afflicted will be satisfied by calling on Dr. Hicks.

## The Clarendon Female Academy,

SUMTER DISTRICT, S. CAROLINA

THE TRUSTEES of this Institution announce, with pleasure, to the public, that they have re-engaged the services of Mr. W. K. Stuart, for the ensuing year.

The experience of the last two years, added to Mr. Stuart's previous reputation, enable the Trustees to recommend him with great confidence, as a Teacher eminently qualified to impart a thorough education to young ladies.

Mr. Stuart obtained his Collegiate education in one of the first Universities of Europe, and likewise possessed, and availed himself of unusual opportunities for the acquisition of several of the modern languages of Music, and of Drawing. He is a gentleman of high moral character, has had a long experience in Teaching; and, in a word, we feel assured that no Institution affords greater facilities for obtaining a finished Education in every Department.

A competent and experienced lady will assist in the English Department. The health of the Sand-Hills of Clarendon is well-known, and the Academy possesses ample accommodation for Boarders.

School will re-open on the 13th of January, 1852.

## Another Scientific Wonder!

GREAT CURE FOR

DYSPEPSIA!

DR J. S. HOUGHTON'S PEPSIN,

THE TRUE DIGESTIVE FLUID, OR

## GASTRIC JUICE,

Prepared from RENNET, or the fourth *Stomach of the Ox*, after the views of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, Curing after Nature's own method, by Nature's own Agent, the Gastric Juice.

Half a teaspoonful of Pepsin, infused in water, will digest or dissolve, *Five Pounds of Roast Beef, in about two hours*, out of the Stomach.

Pepsin is the chief element, or Great Digestive Principle of the Gastric Juice—the Solvent of the Food, the Purifyer, Preserving, and Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an artificial Digestive Fluid, precisely like the natural Gastric Juice in its Chemical powers, and furnishing a Complete and Perfect Substitute for it. By the aid of this preparation, the pains and evils of Indigestion and Dyspepsia are removed, just as they would be by a healthy Stomach. It is daily working wonders for Dyspeptics, curing cases of Debility, Nervousness, Sick Headache, and Hypochondria Complaint, supposed to be on the verge of the grave. The Scientific Evidence upon which it is based, is in the highest degree Curious and Remarkable.

SCIENTIFIC EVIDENCE!

Baron Liebig, in his celebrated work on Animal Chemistry, says: "An artificial Digestive Fluid is similar to the Gastric Juice, may be readily prepared from the mucous membrane of the Stomach of the Calf, in which various articles of food are digested, and by which solvent, changed and dissolved just in the same manner as they would be in the human stomach."

Dr. Combe, in his valuable writings on the "Physiology of Digestion," observes that "a common cause of the quantity of the Gastric Juice is a principal and frequent cause of Dyspepsia;" and he consequently employed a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding every thing else to fail, had recourse to the Gastric Juice, obtained from the stomachs of living animals, which proved completely successful."

Professor Dunglison, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr. Beaumont, on the Gastric Juice obtained from the living human stomach, and from animals, are well known. "In cases," he says, "digestion occurred as perfectly in the artificial as in the natural digestion."

Dr. John W. Draper, Professor of Chemistry, in the Medical College of the University of New York, in his "Text Book of Chemistry," page 386, says, "It has been a question whether artificial digestion could be performed—but it is now universally admitted that it may be."

Dr. Carpenter's standard work on Physiology, which is to the library to every physician, and is used as a Text Book in all the Colleges, as that of evidence similar to the above, respecting the remarkable Digestive power of Pepsin, and the fact that it may be readily separated from the stomach of the Calf or Ox, and used for experiments in Artificial Digestion, or as a remedy for diseases of the Stomach, and deficient secretion of Gastric Juice.

Call on the Agent and get a descriptive Circular, containing a large amount of Scientific Evidence, similar to the above, together with Reports of Remarkable Cures, from all parts of the United States.

### AS A DYSPEPSIA CURER.

Dr. Houghton's PEPSIN has produced the most marvellous effects, in many cases of Debility, Emaciation, Nervous Decline, and Dyspepsic Consumption. It is impossible to give the details of cases in the limits of this Advertisement; but authenticated certificates have been given of more than Two Hundred Remarkable Cures, in Philadelphia, New York, and Boston alone. There were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Anti dote, and particularly useful for tendency to Bilious disorder, Liver Complaint, Fever and Ague, and the Evil effects of Quinine, Mercury, and other drugs on the Digestive Organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles Health with Intemperance.

### OLD STOMACH COMPLAINTS.

There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives *instant relief! A single dose removes all the unpleasant symptoms*, and it only needs to be repeated for a short time to make those good effects permanent. *Purity of Blood and Vigor of Body* follow at once. It is particular excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Dr. Houghton's *Pepsin*, is sold by nearly all the dealers in fine drugs and Popular Medicines, throughout the United States. It is prepared in Powder and in Fluid form—and in Prescription vials for the use of Physicians.

Private Circulars for the use of Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is *not a secret remedy*, no objection can be raised against its use by Physicians in respectable standing and regular practice. Price, *One Dollar* per bottle.

☞ OBSERVE THIS!—Every bottle of the genuine PEPSIN bears the written signature of S. HOUGHTON, *M. D.*, sole Proprietor, Philadelphia, Pa. Copyright and Trade Mark secured.

☞ Sold by all Druggists and Dealers in Medicines.

## Notice.

I RECEIVED Orders from W. H. B. Richardson, Chairman of the Western Board of Commissioners of Roads for Clarendon County, dated 26th September last, to issue warrant to J. H. Prescott, esq., as Overseer on the Vance's Ferry Road, to take the hands belonging to that Jurisdiction and work upon said Road twelve consecutive days according to Law, at the expiration of the twelve days work, if the Road should not then be in a passible, or, safe condition, upon information from said overseer to that effect, to give public notice of the same. This day I received information from Mr. Prescott, overseer of the said Vance's Ferry Road, that he had agreeable to the above instruction worked upon said Road twelve days with all the hands belonging to that Jurisdiction, and he considers the Bridge to be entirely unsafe, (as the abutment is entirely rotten,) even for a single horse to pass over.

Therefore the public are warned from passing over the Vance's Ferry embankment and Bridge, both in person and property of any kind, as it is reported to be entirely unsafe.

By order of the Chairman.

I. E. BRODEN, *Clk Com. R.*
