The recent heavy winds from the northfour or five days without intermission, have done much to injure the prospects of the rice crops on the rivers adjacent freshet has been thus retarded, and the water kept back that might ere this have been relieved through the natural outlets. A gentleman from Georgia, with whom we recently conveased, estimated the loss at fully one-third of anticipated as the result of this almost unprecedented spell of close weather. ton crops, and depreciate their value in almost a corresponding ratio. We hope, however, that the blow, though comparatively moderate and little felt luture .- Southern Standard.

GEORGETOWN, S. C., SEPTEMBER 8 .-The Weather and the Crops .- The commencing in June last has continued up to the present time with some short labour in hoeing and killing grass, and

and is likely to do much damage to rival off the coast, may meet with highest up. All the lands in the gasaki, the capital of the empire. It neighborhood of Lynch's causeway on is only due, in justice to the Dutch et is upon all the rice. The wind is their exclusive system, as the pasnow high at N. E., and has been so for sage of various despatches, which are

porter of the 27th ult., says. The boll worm is making destructive ray. ages among the cotton crop in this section of country. The present cool weather, almost cool enough for October will enable the worms to do their work speedy and effectually. We notice complaints in our exchanges from most of the Southern States about the ravages of the

THE EASING QUESTON SETTLED .-

from the Madison (W.s.)gus, of the 27th ult., that LEARLY, well known as the 'Monk of La Trappe,' proceedly murdered Edward J. Manley at Languille, Columbia county, in at Landwille, Columbia county, in that State, by shooting. He also shot at Landing Morton twice; one shot slightly wounding. He was finally arrested, examined and committed to fall to await his trial for murder. The course of the house of Maxies, and his (J. Kaney's) wite.

INSANE ASYLUM IN THE DISTRICT OF COLUMBIA.—The sam of \$100,000 has been inserted in the civil appropriation bill passed by Congress, for the purchase of a site containing not less than ten, nor more than fifteen acres of land, in the neighborhood of Washington, and for the erection, furnishing, and fitting up an asylum for the insane of the District of Calumbia, and of the Army and Navy of the United States

DISTRESSING CASUALITY.—We lear's (says the Newberry Sentinel, of the 7th instant,) that the dwelling house of Mrs. Goulding was overthrown by the storm, which passed over the northwestern portion of this District on Friday last. Two young women, by the name of Grey, who were in the house at the time, were instantly killed by its fall; a Mr. Pitts was also seriously injured. Mrs. Goulding escaped with slight injury.

THE CROPS.—The following is an extract of a letter received by a merchart of this city dated Marion, Twiggs Co., (Ga.) Aug. 31.

The cotton crop here up to about the 10th of this month never was more promising. The excessive rains which we have had since then, has and will materially injure the crops. All low and level lands have rusted and shed off everything except the grown bolls. From present appearances, the early crop is nearly all that will be made. Corn and provision crops generally are very good .- Mobile Tribune.

LARGE STURGEON,—On the subsidence of the freshet last week, Mr. A. Aenton visited his corn-field in the swamp, about a mile below this city. where he found a sturgeon had taken up his murters in a shallow lagoon .-He was safely landed, dressed and brought up to the city, and was found then to weigh one hundred and ninety three pounds. It was about ten feet in length, and before it was dressed, it would probably have weighed two

hundred and fifty pounds. Near the same place he also found a very rare and singular specimen of the Lizard genus, known in natural history as the siren. It is twenty-five inches long, has a pair of legs near its head, and over each a fin, or something much resembling a small wing. Its skin is District. MARY E. McDONALD. black, without scales, similar in shape to an cel, but somewhat stonter. It is, a togeth ,ra very ugly looking customfonse hy any one who has the curiosity to call .- Mucon Jour.

THE JAPAN EXPEDITION .-- The Staats Courant the official organ of the Dutch east that have prevailed for the last government, publishes an interesting communication from the colonial department, explanatory of the present and past relations of Holland with the to the sea. The natural current of the empire of Japan but with especial reterence to the rumors which have heen affoat respecting the naval expedition proposed in the United States, to compel the emperor of that great territory to open his ports to foreign traffic, under the cover of cer 30,000 acres of tide land planted in tain alleged maltreatment of ship-in that State. A gale, which has been wrecked American sailors, on the Japanese territory. It results from this official statement, that the reby the planters in our neighborhood, ports of Dutch interference to prewould also materially damage the cot- vent the sailing of the American expedition, and of the government of the United States having consented to forego their purpose in consideration of the authorised intermission of here, may grant us immunity for the the Dutch authorities in Java to arrange the points in dispute with Japan have no foundation in fact.

All that the Dutch government has proposed in the case, is the address of rainy weather which we announced as a friendly despatch to that of Japan smoothing the way for an amicable reception of the squadron of Com. intervals; and early much annoyed the Perry, and suggesting the expediency and advantage, under circumstances, o during the last month was greatly detrimental to the curing of blades.

The great fall of rain on the 27th the case with his neighbors of and 28th of August, and which spread the Chinese empire. It will thus vast injury from Mobile to New-York, be seen that there is some probability on the various rivers, is to-day with us of success in the object in view, and on the Santee and Pee Dee rivers, that Commodore Perry, on his arthe rice crop, and especially to those no difficulties in communication diwho plant the most fruitful tide lands rect with the imperial court at Nan-Santee was under water yesterday,- authorities, to state that their ef-From Pee Dee we heard yesterday forts appear to have been unceasing and the water was not then over the since 1844, to induce the imperial banks; but it is feared to-day, the fresh- government to relax the stringency of sage of various despatenes, which are several days, preventing the freshet free going to sea. — Winyah Observer.

The Cross.—The Selma (Ala.) Respectively, so far as their contents are referred to. And in fact although their efforts in the politice confiners. cial sense have produced no langi-ble result, yet it is not without inportance that they have elicited autograph replies from the Emperor, conched in courteous and conciliatory, ternes, in which, whilst declining to depart from the ancient policy of the

SPECIAL NOTICES.

Thousands of parents who use Vermifuge composed of Castor Oil, Calomel, &c., are not aware, that while they appear to benefit the patient, they are actually laying the foundation for series of diseases, such as sulivation, loss of sight, weakness of limbs, &c.

In another column will be found the advertisement of Hobensa k's Medicines, to which we ask the attention of all directly interested in their own as well as their Children's health. In Liver Complaints and all disorders arising from those of a bilious type, should make use of the only genuine medicine, Hobensack's Liver Pills.

2.7 " Be not deceived," but ask for Hobensack's Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. Hobensack, as none else are genuine Agust. 10.

Hoofland's German Bitters. Hundreds of our citizens complain of debility and langour of the system, derangement of the liver and stomach, want of appetite, &c.; they are frequently the result of too close application, and a thousand other causes we cannot here name; but we would say to all afflicted, do as we have done-get a bottle or two of Dr. Hoofland's German Bitters, prepared by Dr. Jackson, and our word for it you will be cured. We recommend this medicine, knowing from experience that it is much superior to the generality of patent medicines. We would say to our readers, purchased none unless prepared by Dr. C. M. Jackson, Philadelphia.

Another Scientific Wonder!

To the Voters of Claremont in. Pellow Citizens; Since I median a Con-

didate to represent you in your next 1. lature I have entered into a heavy contract with the Wilmington & Manchester Rail Road Company, under penalty to complete thirty miles of their Road within a given time and under certain stipulations. I find that the faithful performance of this contract will require my constant personal supervision. Thus situated it is unterly election closed. Just from this fact, out of my power to attend the public meet-In view of the above statement I feel myself compelled to retire from the canvass and I do so less reluctantly-knowing that I leave in the field, those who are wiser and more experienced than myself. I take this occasion to return my sincere thanks to those who brought my name forward and to express my gratitude to those who gene-

rously proffered me their support. LAWRENCE II. BELSER. September 14, 1852.

Executive Department, S. C.

WHEREAS information has been received at this Department, that an atrocious outrage was committed by a Negro fellow, on the person of a lady of Anderson District, on the 28th of July last. and that said negro has made his escape. Now be it known that in order that the said negro fellow may be brought to trial, I, JOHN H. MEANS, Governor and Commander-in-Chief in and over the State of South Carolina, do issue this, my Procla-mation, offering a reward of TWO HUN-DRED DOLLARS for his delivery to the

Jail of Anderson District. The said Negro is a young fellow, not exceeding 28 or 29 years of age, five feet six or eight inches high, well built, of rather yellowish complexion, converses briskly and sensibly, was well dressed at the time with dark coat and pants, checked shirt, and wore a cap and slippers. He was a stranger in the neighborhood, and represented himself as a Brick Mason frem a distance, hunting work. He is believed by certain persons who saw him to be a ellow by the name of PAT, or PATTER-SON, who was taken from Anderson District to Alabama some eight years ago, by one William N. Wyatt, who afterwards sold him to a trader near Columbus, Geo. Given under my hand and seal of the State

\$500 CHALLENGES.

Whatever concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will as of their children, and that every person will en-deavor to promote their own health at all sacri-fices. I feel it to be my duty to solemnly assure you that Worsis, according to the opinion of the most celebrated Physicians, are the primary nuscs of a large majority of diseases to which children and adults are liable; if you have an children and adults are hable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Polse Irregular—remember that all tiese denoted Worms, & you should at once apply the remedy.

Hobensack's Worm & rap.

An article founded upon Scientific Citiendes compensation of the parely vegetable so which existinces where percent and can be given to the most code of behalf with the ide beneficial effect, when Homel Complaints an Diarrhava have made them weak and debilitate of my Worm Syrup at the Tonic properties of my Worm Syrup are such, that it stands without an equal in the cata logue of medicines, in giving tone and strength to the Somach, which makes it an Infallable remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have faile), is the best evidence of its superior efficacy over all others.

THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the human system, it grows to all that infest the human system, it grows to an almost indefinite length becoming so coiled and fastened to the Intestines and Siomach effecting the health so sadly as to cause St. Vitus Damee, Fits, &c., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my liver Pulls are to receive that each of the second state of the second secon Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Tablespoonfuls 3 times a day, these directions followed have never been known to fail in curing the most obstinate case of Tape Werm.

Mobensack's Liver Pills.

No part of the system is more liable to disease than the LIVER, it serving as a filterer to puriby the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaumdice, Dyspepsia, &c. We should therefore watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of Roors and PLANTS furnished by nature to heal the sick: Namely, 1st, An Ex-PEUTORANT, which augments the secretion fro the Pulmonary mucus membrane, or promotes the discharge of secreted matter. 2nd, An Ar-TERNATIVE, Which changes in some mexplica-ble and insensible manner the certain morbid the and insensible manner the certain morbid action of the system. 3rd, A Toxic, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A CATAKETIC, which acts in per-fect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and viriated matter, and purifying the Blood, which destroys disease and restores health. restores health.

TO IPOLLOLION.

You will find these Pills an invaluable medicine in many complaints to which you are sub-ject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy ac-tion, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as head ache, giddiness, dinness of sight, pain in the
