sight, weakness of limbs, &c. tisement of Hobensack's Medicines, to which we ask the attention of all directly interested in their own as well as their Children's health. In Liver Complaints and all disorders arising from those of a bilious type, should make use of the only genuine medicine, Hobensack's

sack's Worm Syrup and Liver Pills, and observe that each has the signature of the Proprietor, J. N. Hobensack, as none else are genuine Agust. 10.

Hundreds of our citizens complain of debili-ty and languar of the system, derangement of the liver and stomach, want of appetite, &c.; they are frequently the result of too close application, and a thousand other causes we cannot here name; but we would say to all afflicted, do us we have done—get a bottle cr two of Dr. Hoofland's German Bitters, prepared by Dr. Jackson, and our word for it you will be cured. We recommend this medicine, knowing from experience that it is much superior to the generality of patent medicines. We would say to our zeaders, purchased none unless prepared by Dr. C. M. Jackson, Philadelphia.
