HAIR DYE, NO. 6. ASTOR BOUSE. The claims of this extraordinary article to public estimation, are not based upon the time that it has been before the world. It is comthat it has been before the world. It is comparatively a new preparation, founded on new discoveries in chemistry, and it has inaugurated a new craim hair dyeing. What are its recommendations? let,—It changes the fair of any obnovious color to nature's black at brown in five minutes. 2d,—It assimilates with the hair, and nourishes instead of burning it.—3d,—It is pronounced by eminent chemists the only safe hair dye known. 4th,—It is impossible to name an instance of its failure. 6th,—It has the widest popularity ever yet accorded to a schullar preparation. For the establishment of that secretions by proof, see the testimony a consist of the control of the secretions of the safe by the control of the failure. On and applied privately.

TALAPOSSA Co., Ala., Jan. 2, 1852.

Dear Sir :—I send you this to certify to you that your Extract of Yellow Dock and Sarsat parilla has performed one of the most wonderful cures on me that has ever been effected on man.

I have been afflicted for forty years with eruptions on my legs and feet; in 1848 they got so bad that I had to go on crutches, and in 1849 I had one leg amputated above the knee. In about nine months after my other leg broke out in large eating and running sores from my knee to my foot, and discharged a great deal of offensive matter. My groin broke out in large biles, which discharged much offensive matter, and at the same time my left hand broke out in large running sores nearly to my elbow.

The misery that I have suffered for the last two yeers, I cannot describe to you. I was in such agony that I never tested day or night.

In October list my son brought me one of your bottle wrappers, I read it, and found record of some wonderful cures performed by your "Extract of Yellow Dock and Sarsaparilla," I sent and got two bottles of it, and commenced taking it. In two weeks, to my great astonishment, my sores all became easy, and I could sleep all night, a thing I had not done for two years. When I had taken six bottles, my sores had, nearly all healed. My sores got well as if by enchantment. I have now used in all eignt bottles of your "Extract of Yellow Dock and Sarsaparilla," and I now consider myself well.

I entreat all of the afflicted to try this medicine, for I believe it will cure any known disease in the world.—Lay aside all prejudice and just try it, and proclaim its great worth to suffering mankind and entreat them to take it, for it will cure them.

My case is well known in a large portion of South Carofrea, Georgia and Alabama, and if any sheath doubt the above cire, I invite them to call on me, and I will show them the scars. I can be found in Tallapoosa Co., Alabama, one mile from Store's Ferry. Renajati Hughes.

Copy of a Letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.

TO PROFESSOR HOLOWAY;
Dear Sir,—Mrs. Sarah Dixon of Liquorpond Street, Hoston, has this day deposed before me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her lody: and although the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse.

Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that was all used, symtons of amendment appeared. By persevering dill the medicines for a short time longer, according to the directions, and strictly adhering to your rules as to det, &c., she was perfectly cured, and now enjoys the best of health.

I remain, Dear Sir, yours truly. (Signed)
