HAIR DYE, NO. 6. ASTOR HOUSE.

Cristadoro's Excelsior Fluid The claims of this extraordinary article to public estimation, are not based upon the time that it has been before the world. It is comparatively a new preparation, founded on new discoveries in chemistry, and it has imagura-ted a new era in hair dyeing. What are its recommendations? Is, -it changes the hair of any obnoxious color to nature s black or brown any obnoxious color to nature's black or brown in five minutes. 2d.—It assimilates with the hair, and nourishes instead of burning it.—3d.—It is pronounced by eminent chemists the only safe hair dye known. 4th.—It is impossible to name an instance of its failure, 6th.—It has the widest popularity ever yet accorded to a similar preparation. For the establishment of these assertions by proof, see the testimony at Cristadono's, No 6, Aster House, where it is mailufactured, sold, and applied privately. Price per box, 31. TAILLAPOSSA Co., Ala., Jan. 2, 1852.

Dear Sir:—I send you this to certify to you that your Extract of Yellow Dock and Sarsaparilla has performed one of the most wonderful cures on me that has ever been effected on man. I have been afflicted for forty years with eruptions on my legs and feet; in 1848 they got so bad that I had to go on crutches, and in 1849 I had one leg amputated above the knee. In about nine months after my other leg be o'ce out in large eating and running sores from my knee to my foot, and discharged a great deal of offensive matter. My groin broke out in large bilega, which discharged much offensive matter, and at the same time my left hand broke out in large running sores nearly to my elbow.

The misery that I have suffered for the last two years I cannot describe to you. I was in such agony that I never rested day or night.

In October last my son brought me one of your bottle wrappers, I read it, and found record of some wonderful cures performed by your "Extract of Yellow Dock and Sarsaparilla," I sent and got two bottles of it, and commenced taking it. In two weeks, to my great astonishment, my sores all became easy, and I could sleep all night, a thing I had not done for two years. When I had taken six bottles, my sores had nearly all healed. My sores got well as if by enchantment. I have now used in all eight bottles of your "Extract of Yellow Dock and Sarsaparilla," and I now consider myself well.

I entreat all of the afflicted to try this medi-READ THE FOLLOWING CERTIFICATE:

The Yellow Dock and Sarsaparilla is peculiarly adapted for females of delicate health, resulting from irregularity of menstrual discharges, and other diseases peculiar to their sex.—The proprietor has in his possession a great number of certificates of cures, performed of the above description. We assure the afflicted, that a bottle or two of Dr. Guysott's Extract of Yellow Dock and Sarsaparilla will a once regulate those difficulties and renew the natural energies.

Copy of a Letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.

To professor holdoway,
Dear Sir,—Mrs. Sarah Dixon of Liquorpond Street, Boston, has this day deposed before me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body: and although the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse.

Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that was all used, symtoms of amendment appeared. By persevering with the medicines for a short time longer, according to the directions, and strictly adhering to your rules as to dlet, &c., she was perfectly cured, and now enjoys the best of health.

I remain, Dear Sir, yours truly.

An extraordinary and rafid cure of erystpelas in the Leg, after medical and the post Office, Aldwick Road, near Bognor.

Susser, dated Jan. 12th, 1853.

To professor holdoway,

Sir,—I suffered for a considerable period from a severe attack of Erystpelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great, and I quite despaired of any permanent amendment, when I was advised to have recourse to your Ointment and Pills. I did so without delay, and am happy to say the result was eminently successfui, for they effected a radical cure of my leg and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in this neighborhood similarly afflicted, who derived equal benefit.

I am, Sir, your obliged and faithful Servant (signed) ELIZABETH YEATES.
