These Pills being composed entirely of medi-cinal h-rbs are of a most harmless nature cinal herbs are of a most harmless nature while the extraordinary virtues they possess have rendered them universally popular in nearly every part of the world. The immense success they have met with throughout the State is most extraordinary, owing, it is presumed, to their wonderful efficacy in the cure of Billous complaints and discreters of the Liver and Stomach. Persons who persevere in using them in accordance with the directions, seldom fail in being restored to health. AGED 45, WHEN AT DEATH'S DOOR.
Copy of a Letter from the Rev. Charles Smith, duted Norton, St. Philips, near Bath, Somerstchire, 17th August, 1553.
TO PROFESSOR HOLLOWAY,
Sir,—A Mr. JOSEPH PUXTON, formerly a resident of this place, had been in a declining state of health for upwards of three years, gradually wasting away to a shadow by nightly perspirations and want of appetite, which caused great uneasiness to his friends, as he had consulted various medical men in Bath, without effect. He at last used your Pills, and under providence, was restored to health by their means. He lately emigrated to New York, and has just written to say, that he was never better in health, and desired me to acquaint you with the circumstance. I ought also to mention, that my wife had derived great benefit from the use of your Pills. I remain Sir, yours respectfully, CHARLES SMITH, Dissenting Minister. As a proof of their efficacy in Liveranal Biliona Complaints I may mention the following case. A lady of this town with whom I am personally acquainted, for years was a severe sufferer from disease of the Liver and digestive organs; hermedical attendant assured her that he could do nothing to relieve her sufferings, and it was not likely she could survive many months.—
This announcement naturally caused great alarm among her friends and relations, and they induced her to make a trial of your Pills, which so improved ker general health that she was induced to continue them unit. she received a perfect cure. This is twelve months ago, and she has not experienced any symtoms of relapse, and often declares that your Pills have been the means of saving her life.
