AGED 35, WHEN AT DEATHS DOOR.
Copy of a Letter from the Rec. Charles Smith,
dated Norton, St. Philips, near Buth, Somersetshire, 17th August, 1953.
To PROFESSOR HOLLOWAY,
Sir.—A Mr. Joseph Pexyon, formerly a resident of this place, had been in a declining state
of health for upwards of three years, gradually
wasting away to a shadow by nightly perspirations and want of appetite, which caused great
uneasiness to his friends, as he had consulted
various medical men in Bath, without effect.
He at last used your Pills, and under providence, was restored to health by their means.
He lately emigrated to New York, and has just
written to say, that he was never better in
health, and desired me to acquaint you with the
circumstance. I ought also to mention, that
my wife had derived great benefit from the use
of your Pills. I remain Sir, yours respectfully,
CHARLES SMFTII, Dissenting Minister.
A PERMANENT CURE OF A DISEASED
LIVER, OF MANY YEARS DURATION.
Copy of a Letter from Mr. Gamis, Chemist,
Yeovil, to Professor Holloway.
Dear Sir,—In this district your Pills command a more extensive sale than any other
proprietary medicine before the public. As a a
proof of their edicacy in Liver and Bilious Complaints I may mention the following case. A'
lady of this town with whom I am personally
acquainted, for years was a severe sufferer
from disease of the Liver and digestive organs;
hermedical attendant assured her that he could
do nothing to relieve her sufferings, and it was
not tikely she could survive many months.—
This announcement naturally caused great
alarm among her friends and relations, and they
induced her to make a trial of your Pills, whichso improved beer general health that she wasinduced to continue them unit she r-ceived a
perfect cure. This is twelve months ago, and
she has not experienced any symtoms of relapse, and often declares that your Pills have
been the means of saving her life.

I remain, Dear Sir, yours truly,
July 53rd, 1853.

This preparation is getting into use all over our Country. The numerous letters we receive from our various Agents, informing us of cures effected in their immediate neighborhoods, warrant us in saying it is one of the best, if not the very test Cough Medicine now before the public. It almost invariably relieves and not unfrequently cures the very worst cases.—When all other Cough preparations have failed, this has relieved the patient, as Druggists, dealers in needicines, and Physicians can testify. Ask the Agent in your nearest town, what has been his experience of the effects of this Medicine. If he has been selling it for any length of one he will tell you.

IT IS THE BEST MEDICINE EXTRACT.
Below we give a few extracts from letters we have received lawly regarding the virtues of this medicine.

Dr. S. S. Oslin, of Knoxville, Ga., says:—I kare been using your Liverwort and Tar very extensively in my practice for three years past, and, it is with pleasure I state my belief in ist superiority over all other articles with which I am acquainted, for which it is recommended."

Messrs. Fitzgerald & Benners, writing from Waynesville, N. C. say:—"The Liverwort and Tar is becoming daily more popular in this Country, and we think justly so. All who have tried it speak in commended."

Our Agent la Pickens District, S. C. Mr. S. R. McFall, assures us "that he uses it with great benefit in his own family, and recommends before woman, in his vicinity, who had been suffering with disease of the Lungs for many years, attended with severe cough, who was relieved by the Liverwort and Tar.

Such are the good reports we hear of this Medicine from all parts of the South. For a report of the surprising cures it has performed in the Western and Northern and Eatern States, we would invite the suffering patient to read the pampidet which accompanies each bottle. To all, we say, have hope, have hope!
