TALLAFOSSA Co., Ala., Jan. 2, 1852.

Dear Sir:—I send you this to certify to you that your Extract of Yellow Dock and Sarsaparilla has performed one of the most wonderful cures on me that has ever been effected on man.

I have been afflicted for forty years with eruptions on my legs and feet; in 1843 they got so basi that I had to go on crutches, and in 1849 I had one leg ampunated above the knee. In about nine months after my other leg broke cut in large eating and running sores from my knee to my foot, and discharged a great deal of offensive matter. My groin broke out in large bites, which discharged much offensive matter, and at the same time my left hand broke out in large running sores nearly to my elbow.

The misery that I have suffered for the last two years I cannot describe to you. I was in such agony that I never rested day or night.

In October last my son brought me one of your boutle wrappers, I read it, and found record of some wonderful cures performed by your "Extract of Yellow Dock and Sarsaparilla," I sent and got two bottles of it, and commenced taking it. In two weeks, to my great astonishment, my sores all became easy, and I could sleep all night, a thing I had not done for two years. When I had taken six bottles, my sores had nearly all healed. My sores got well as if by enchantment. I have now used in all cignt bottles of your "Extract of Yellow Dock and Sarsaparida," and I now consider myself well.

I entreat ail of the afflicted to try this medi-READ THE FOLLOWING CERTIFICATE:

just try it, and proclaim its great worth to suffering mankind and entreat them to take it, for it wild cure them.

My case is well known in a large portion of South Carolina, Georgia and Alabama, and if any should doubt the above cure, I mylte them to call on me, and I will snow them the scars. I can be found in Tallapoosa Co., Alabama, one mile from Store's Ferry. Renajati Hughes.

The Yellow Dock and Sarsaparilla is peculiarly adapted for females of delicate health, resulting from irregularity of menstrual discharges, and other diseases peculiar to their sec.—The prophicion has in his possession a great number of certificates of cures, performed of the above description. We assure the afflict cd, that a bottle of two of Dr. Gayyott's Extract of Yellow Dock and Sarsaparilla will at once regulate those difficulties and reflew the manual energies.

TO PROFESSOR HOLOWAY,
Dear Sir,—Mrs. Sarah Diven of Liquorpond Street, Boston, has this day deposed before me that for a considerable period she was severely afflicted with Scrofolous Sores and Ulcers in her arms, feet, legs, and other parts of her body: and although the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse.

Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that was all used, sym tons of amendment appeared. By persevering with the medicines for a sinor time bong-r, according to the directions, and strictly adhering to your rules as to diet, acc., she was perfectly cured, and now enjoys the best of health.

I remain, Dear Sir, yours truly.

TO PROFESSOR HOLOWAY,

Sir,—a suffered for a considerable period from a severe attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great, and I quite despaired of any permanent amend ment, when I was advised to have recourse to your Ointment and Pills. I did so without de lay, and am happy to say the result was eminently successful, for they effected a radical cure of my leg and restored me to the edjoyment of health.
