If you would have the roses brought back to your cheek, a clear, healthy and transparent skin, and life and vigor infused through the system, get a bottle of Carter's Spanish Mixture, and take it according to directions. It does not taste quite as well as your sweetmeats; but, if after a few doses you do not find your health and Leality reviving, your step elastic and viv. orous, the whole system refreshed and in. vigorated like a Spring morning, then your case is hopeles; and all the valuable cer. tificates we possess, go for nough. THE STOMACH PREPARES THE elements of the bile and the blood; and it toos the work feebly and imperfectly, liver disease is the certain result. As soon, therefore, as any affection of the liver is perceived, we may be sure that the digestive organs are out of order. The first thing to be done, is to administer a specific which will act directly upon the stongach—the mainspring of the animal machinery. For this purpose we can recommend Hooland's German Bitters, prepared by Dr. C. M. Jackson, Philadelphia.—Acting as an afterative and a tonic, it strengthens the digestion, changes the condition of the blood, and thereby gives regularity to the bawels.

The numerous letters we receive from our various agents, informing us of cures effected in their immediate neighborhoods, warrant us in saying it is one of the best, if not the very best cough medicine now before the public. It almost invariably relieves and not an frequently cures the very worst cases. When all other cough preparations have failed, this has relieved the patient, as Pruggists, deathers in medicines, and Physicians can restify. Ask the Agent in your nearest town, what has been his experience of the effects of this medicine. If he has been selling it for any length of time he will tell you it is the best medicine extant.
