

And Will Serve Twenty Years in Prison for It.

"Had I the disposition of this case, I would summon a large number of mothers here and turn you over to their tender mercies, but as the law fixes the penalty for crimes like yours, I can do nothing but commit you without bail for the action of the grand jury on the charge of kidnaping."

These words were addressed by Magistrate Eisenbrow of Philadelphia, Pa., to John Joseph Kean, abductor of Freddie Muth, 7 year old son of Charles Muth, who with his captive was discovered after a six day search, in a vacant house in West Philadelphia. It is the intention of the police department to railroad the prisoner to the penitentiary and immediately after the hearing Captain of Detectives Donaghy went before the grand jury with his witnesses and asked for an indictment.

Freddie Muth was brought to the court room by his father. He was a different boy from the child who was found dirty and hungry in an unoccupied house. He was attired in a neat, blue flannel sailor suit and a pink rose was pinned to his lapel.

Mr. Muth said the child was none the worse for his experience. In strong contrast was the appearance of the abductor. After a sleepless night in his cell he was haggard and wan. His eyes shifted nervously and his whole frame trembled visibly. He still seemed to fear bodily injury and eyed spectators suspiciously. The police say he paced the cell all night, sobbing and moaning, his wife and children being uppermost in his mind.

When he was placed in the dock Kean nodded to Freddie Muth, who sat beside his father, and smiled. Pointing to Kean, the little fellow said: "There he is, papa, see." Kean appeared to exert a strange influence over the child who showed a feeling akin to friendship for the man. Kean made a statement denying he had restrained the child in any way, but said on the contrary Freddie had opportunities to leave him several times. He said he had not ill treated the boy and in this he was corroborated by the Muth child.

The grand jury found a true bill against Kean and was given immediate trial and convicted in less than an hour. Judge Sulzberger sentenced the prisoner to twenty years. From the time of Kean's arrest until he was on his way to the penitentiary to begin sentence less than twenty-four hours had elapsed.

Triple suicide.

A suicide pact between Mrs. Mary Behrens, a widow, and Edward Ganzer, who had a wife and five children, resulted Friday in the death of both the man and the woman and Peter Behrens, the 12-year-old son of Mrs. Behrens. All three were found dead in the woman's apartments in Dekalb avenue, Brooklyn, with every gas burner turned on. Mrs. Ganzer had recently asked Mrs. Behrens to give Ganzer up, threatening at the same time to procure warrants for the arrest of both. Two letters were left by the suicides, one by Mrs. Behrens to her "friends," and the other from Ganzer to his brother-in-law.

Any But War.

A dispatch from Washington to the Brooklyn Eagle says the re-election of William Jennings Bryan has not been lost upon President Roosevelt. The president believes that the Nabrykan is certain to get the democratic nomination for president in 1908, and he is of the opinion that there is only one man in the republican party who can beat Bryan, provided there should be no pronounced change in the temper of the public between now and election time. The man who, in the judgment of Mr. Roosevelt stands between Mr. Bryan and the presidency, is William Howard Taft, secretary of war.

THE BEST FRIENDS OF PE-RU-NA ARE THE MOTHERS AND CHILDREN

When Sickness Comes to the Little Ones

It is the Mother Who Chiefly Suffers.

She suffers even more than the child who happens to be sick. Her sympathy is deeper than that of any other member of the family.

The mothers look forward with dread to the torrid heat of summer, thinking of their children and the many liabilities to disease that are before them.

Spring and summer are sure to bring ailments, especially among the little folks.

It does not take a mother very long to discover that Peruna is the best friend she has in times of illness among the children.

The doctors may come and go with their different theories and constant change of remedies.

The doctor of years ago gave entirely different remedies than he does today. Each year finds some change in his prescriptions and in the drugs he relies upon.

A Multitude of Mothers

Have discovered that Peruna is the stand-by, and that in all the ailments of spring and summer to which the children are subjected, Peruna is the remedy that will most quickly relieve.

Whether it is spring fever or stomach derangement, whether it is indigestion or bowel disease, a catarrhal congestion of the mucous surfaces is the cause.

Peruna quickly relieves this condition of the mucous membranes. Its operation is prompt, the children do not dislike to take the medicine, it has no deleterious effects in any part of the body.

It simply removes the cause of the disagreeable symptoms and restores the health.

Peruna is not a physic. Peruna is not a narcotic. Peruna does not produce any drug habit, however long it may be taken. Peruna is not a stimulant.

Peruna is a specific remedy for all catarrhal ailments of winter and summer, acute or chronic.

The mothers all over the United States are the best friends that Peruna has.

The Mothers Hold Pe-ru-na in High Esteem.

Not only because it has cured them of their various ailments, but because it always rescues the children from the throes and grasp of catarrhal diseases.

We have in our files bushels of testimonials from mothers whose children have been cured by Peruna. However, the large majority of mothers who use Peruna, we never hear from.

But we do hear from a great number of mothers who are so overjoyed at some special good they have received from Peruna that they cannot restrain their enthusiasm. They are anxious to share these benefits with other mothers.

The Benefit Which the Children of the United States Have Received From Pe-ru-na Can Never Be Put Into Words.

The chronic ailments it has prevented, the suffering it has mitigated, will never be fully recorded.

But at least this much can be said that the coming generation owes a great debt to Peruna, for it is in the tender years of youth that slight ailments are liable to develop into lasting disease, thus blasting the whole career of the individual.

The mothers who are bringing up their children to-day to believe in Peruna are doing a great work for humanity.

These children brought up to believe in Peruna from the start, will, when they become heads of families themselves, use Peruna with unquestioning faith.

Pe-ru-na Protects the Entire Household.

As soon as the value of Peruna is appreciated by every household, both as a preventive and cure, tens of thousands of lives will be saved, and hundreds of thousands of chronic, lingering cases of catarrh will be prevented.

Mrs. Thresa Rooke, 238 N. Ashland Ave., Chicago, Ill., Treasurer Ladies' of the Macabees, writes:

"In our home Peruna is the only medicine we have. Grandmother, mother, father and child, all have used Peruna. It is our great remedy for catarrh of the stomach and head, colds, and female complaints of which it has cured me. We find it of great value when my husband becomes worn out or catches cold. A couple of doses cure him."

"If the baby has colic, or any stomach disorders, a dose or two cures her. I consider Peruna finer than any doctor's medicine that I have ever tried, and I know that as long as we have it in the house, we will all be able to keep in good health."—Thresa Rooke.

No Doctor Required.

Mr. Edward Otto, 927 De Soto street, St. Paul, Minn., writes:

"I cannot say enough for Peruna. It has done great work in my family, especially for my oldest boy. We had doctored with three or four different doctors and they did not seem to do him any good."

"We gave up hopes of cure, and so did they, but we pulled him through on Peruna."

"We had several doctors and they said they could do no more for him so we tried Peruna as a last resort, and that did the work. Since then we keep it in the house all the time, and no doctor is required."—Edward Otto.

Pe-ru-na Contains No Narcotics.

One reason why Peruna has found permanent use in so many homes is that it contains no narcotic of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peruna does not produce temporary results. It is permanent in its effect.

It has no bad effect upon the system, and gradually eliminates catarrh by removing the cause of catarrh.

There are a multitude of homes where Peruna has been used off and on for twenty years.

Such a thing could not be possible if Peruna contained any drugs of a narcotic nature.

BLIND TIGER WHISKEY

Is Charged With Making a Man Become a Bigamist.

Adolphus Ingram, alias James Smith, a young white man from near Dillon, was arrested in Portsmouth, Va., Monday and lodged in Marietta jail Friday, charged with bigamy and forgery.

He was interviewed in jail Friday afternoon, and did not deny either of the charges against him, laying the blame on blind tiger liquor, purchased in Dillon. He is a young man apparently 30 years of age a native of Marietta county. When quite a young man, married in 1895, to Miss Emma Norton, living near Little Rock. He has lived with her, he says perfectly happy and contented. They have three children two girls and one boy aged from two to seven years.

For several years Ingram has been employed by the Singer Sewing Machine company and it is said that while with that company he met Miss Alma Smith a daughter of T. C. Smith of Hamer. Miss Smith was the telephone operator at Hamer. He was introduced to the young girl as one J. W. Smith, and while under the influence of whiskey on the 8th of last June he and the young 14 year old girl drove over to Dillon from Hamer and were married by Rev. J. A. Wilson. That after he sobered up he was crazed with remorse of his crime and had been drinking hard since then.

He is also charged with forgery, having passed a worthless check with the name of his wife's uncle J. A. Norton signed to it, and calling for \$50. The prisoner says he has no recollection of the forgery he having been drunk at the time. The warrant for his arrest was issued by Magistrate Fore of Dillon who fixed his bail at \$2,500. This is likely he will be unable to furnish.

Son Cuts Father.

A dispatch from Wahalla says: Dr. J. J. Thode was seriously cut Friday by his son, Fred Thode. It is reported that the trouble arose about which should use a buggy. After the cutting young Thode went off on the 1 o'clock train but after reaching Belton he returned and gave himself up and is now in jail. There are several wounds in the neck, side and back of the elder Thode, but unless some complications arise they are not looked upon as necessarily fatal. Young Thode was at one time a student at Furman University, and was one of the teacher students at the summer school now in progress at Wahalla.

How It Should Be. What a holy and divine thing the human heart is if people would do as God intended when he breathed His image into man. Woman is infinitely richer in God like qualities than man. Human nature is a beautiful thing as God intended it to live, but the trouble is that this wild, mad scramble for the dirty, blood-stained dollar doesn't leave poor humanity much of a chance to develop itself except on the brutal, animal side. Our present social system—or lack of system—is especially designed for crushing out all that is good in humanity and developing all that is bad.
